Sir W. H. Walrond.

Sir A. Nicolson.

Sir W. E. Goschen.

WHEREAS by the Extradition Acts, 1870 to 1895, it was amongst other things enacted that, where an arrangement has been made with any foreign State with respect to the surrender to such State of any fugitive criminals, His Majesty may, by Order in Council, direct that the said Acts shall apply in the case of such foreign State; and that His Majesty may, by the same or any subsequent Order, limit the operation of the Order, and restrict the same to fugitive criminals who are in or suspected of being in the part of His Majesty's dominions specified in the Order, and render the operation thereof subject to such conditions, exceptions, and qualifications as may be deemed expedient;

And whereas a Treaty was concluded on the twenty-sixth day of November, one thousand eight hundred and eighty, between Her late Majesty Queen Victoria and the Swiss Federal Council for the mutual extradition of fugitive criminals, in the case of which Treaty the Extradition Acts of 1870 and 1873 were applied by Order in Council of the eighteenth May, one thousand eight hundred and eighty-one;

And whereas a Supplementary Convention was concluded on the twenty-ninth day of June, one thousand nine hundred and four, between His Majesty and the Federal Council of the Swiss Confederation, amending Article XVIII of the said Treaty of the twenty-sixth of November, one thousand eight hundred and eighty, for the mutual extradition of fugitive criminals, which Supplementary Convention is in the terms following:—

Convention supplementing Article XVIII of the Extradition Treaty concluded between Great Britain and Switzerland, November 26, 1880.

Convention relative à un Complément de l'Article XVIII du Traité d'Extradition conclu entre la Grande-Bretagne et la Suisse, le 26 Novembre, 1880.

THE Government of His Majesty the King of the United Kingdom of Great Britain and Ireland and the Federal Council of the Swiss Confederation, having deemed it necessary to extend, so far as regards the relations of Switzerland with the British Colonies and foreign possessions, the periods of thirty days and two months respectively fixed by Article III. paragraph 3, and Article VIII of the Treaty concluded on the 26th November, 1880, between Her late Majesty the Queen of the United Kingdom of Great Britain and Ireland, Empress of India. &c., and the Swiss Federal Council respecting the extradition of persons accused or condemned, the Undersigned, duly authorised to that effect by their respective Governments, have agreed

LE Gouvernement de Sa Majesté le Roi du Royaume-Uni de Grande-Bretagne et d'Irlande et le Conseil Fédéral de la Confédération Suisse, ayant jugé nécessaire de prolonger les délais de trente jours, respectivement de deux mois, prévus, pour les rapports de la Suisse avec les Colonies et possessions étrangères de la Grande-Bretagne, par l'Article III, alinéa 3, et par l'Article VIII du Traité conclu le 26 Novembre, 1880, entre feu Sa Majesté la Reine du Royaume-Uni de Grande-Bretagne et d'Irlande, Impératrice des Indes, &c., et le Conseil Fédéral Suisse concernant l'extradition de personnes accusées ou condamnées, les Soussignés, dûment autorisés à cet effet par leurs Gouvernements respectifs, sont convenus de ce qui suit:—

"Nevertheless, so far as regards the relations of Switzerland with these Colonies and foreign possessions, the period of time fixed by Article III, paragraph 3, within which the requisition for extradition is to be made through the diplomatic channel, shall be six weeks; and that provided by Article VIII for the production of proof sufficient to warrant the extradition shall be three calendar months."

The present Convention shall come into force from the date when the ratifications shall be exchanged. It shall have the same force and duration as the Treaty of Extradition of the 26th November, 1880, to which it relates.

It shall be ratified, and the ratifications shall be exchanged at London as soon as possible.

In witness whereof the undersigned have signed the present Convention, and have affixed their seals thereto.

Done at London in duplicate, the 29th day of June, 1904.

(L.S.) LANSDOWNE.

And whereas the ratifications of the said Supplementary Convention were exchanged at London on the twenty-ninth day of March, one thousand nine hundred and five;

Now therefore, His Majesty, by and with the advice of His Privy Council, and in virtue of the authority committed to Him by the said recited Acts, doth order, and it is hereby ordered, that from and after the ninth day of June, one thousand nine hundred and five, the said Acts shall apply in the case of Switzerland, under and in accordance with the said Treaty, as amended by the said Supplementary Convention above set forth.

Provided always that the operation of the said Acts shall be and remain suspended within the Dominion of Canada so long as an Act of the Parliament of Canada passed in one thousand eight hundred and eighty-six, and entitled "An Act respecting the Extradition of Fugitive Criminals," shall continue in force there, and no longer.

A. W. FitzRoy.

"Toutefois, dans les rapports de la Suisse avec ces Colonies et possessions étrangères, le délai prévu par l'Article III, alinéa 3, pour la demande d'extradition par voie diplomatique, sera de six semaines; et celui prévu par l'Article VIII pour la production des preuves permettant d'accorder l'extradition, sera de trois mois de calendrier."

La présente Convention entrera en vigueur dès que les ratifications en auront été échangées. Elle aura la même force et la même durée que le Traité d'Extradition du 26 Novembre, 1880, auquel elle se réfère.

Elle sera ratifiée, et les instruments de ratifications en seront échangés à Londres aussitôt que possible.

Reuter's Telegrams.

AUGUST 1ST.—The St. Petersburg Council of Ministers have approved the electoral scheme for a National Assembly. All over 25 years of age will be enfranchised provided they hold and have fulfilled the prescribed property taxation qualifications. Each Province and 20 of the largest towns will elect members to the Electoral College. This College selects the Deputies for the National Assembly by secret ballot.

The coming visit in October of the Paris Municipality to England as guests of the London Country Council will be an unique occasion for the Councillors to hold special business meetings while in London.

The Kaiser has arrived at Copenhagen and is staying at the Royal Castle.

The Tsar yesterday presided at a council for the final consideration of the National Assembly scheme. Any modifications are unlikely and it is proposed that the elections should be held on the 1st of October and the Assembly meeting on the 1st of November.

AUGUST 2ND.—Reuter's Agent at Berlin states that the Foreign Office there deprecates the German newspaper outcry in connection with the approaching cruise of the Channel Fleet and in no way shares the anxiety. Germany the Foreign Office says will be prepared to receive the Fleet with hospitality and provide coal, provisions, etc. if necessary.

AUGUST 3RD.—M. de Witte on his arrival at New York was interviewed by the New York Herald and is reported to have stated that he was afraid the negotiations would end within a week as the Japanese conditions would be so intolerable as to preclude discussion.

M. de Witte repudiates the statement made by the New York Herald.

The Commission on food supplies in War time has completed its report. Same is reassuring as they find that no enemy would be capable of blockading the entire British Coast and that therefore there is nothing to prevent the ample importation of War and food stuffs.

M. de Maartens read to the reporters on the Quay at New York a statement from M. de Witte in which he hoped that the acquaintance of the two chivalrous foes which had commenced on the battle field would now ripen into a lasting friendship, but that Russia must adjudge the terms offered to be admissible before proceeding with formal negotiations.

AUGUST 4TH.—The French Note giving details of the French programme which will be discussed by the Morocco Conference has been handed to the German Ambassador in Paris.

The Kaiser left Copenhagen yesterday.

The Japanese are establishing civil administration in the island of Sakhalin.

AUGUST 5TH.—The Peace Conference at Washington will meet on the 8th inst.

McCulloch and Brailsford in connection with the Russian Passport scandal have been fined £100 each by the High Court.

Reuter's Agent at Tokio reports that the bulk of the Russian garrison in Sakhalin Island consisting of the Governor, 70 Officers and 3200 men surrendered on the 31st ult.

The Russian forces on the South bank of the Tumen River have been completely cut off by floods following heavy rains. Meanwhile several strong Japanese columns are reported to be advancing through northern Korea and threatening their positions. The vanguard of both armies are already in contact.

AUGUST 7TH.—Reuter's Agent at Tangier wires that the French proposals with regard to the Morocco Conference are regarded by Germany as being exceedingly modest, but although they approve themselves they consider it probable that the objections which will be raised by the Moorish Court may prove insurmountable.

The Russian and Japanese Plenipotentiaries arrived yesterday and were received by Mr. Roosevelt on board the Government Yacht "Mayflower" the Japanese preceding the Russians.

Despite the opposition of the reactionaries in the Council at Peterhof it has been decided that no Bill that has been rejected by a majority of two thirds of the Assembly shall be submitted to the Tsar for his sanction, but should a Bill be rejected by less than two thirds both the majority and minority will draw up reports which will be submitted to the Tsar who will then make his decision. This stipulation with regard to the Assembly is considered a very important one involving the introduction of the first check on the autocratic power.

The Venezuelan Court has confirmed the cessation and the dissolution of the contract with the French Cable Company.

M. Jaluzot Deputy and Managing Director of the Printemps Stores has lost £800,000 sterling in speculating in the French Sugar market. The Savings Bank in connection with the Printemps has suspended payment until their Books have been audited.

Mr. Roosevelt yesterday presented the Russian and Japanese Envoys to each other. A luncheon followed at which Mr. Roosevelt proposed a toast to the welfare and prosperity of the two great Nations and said that his earnest prayer in the interest of all mankind was that a just and lasting peace should speedily be concluded. The Envoys afterwards proceeded to Portsmouth (U. S.).

The French Fleet left Cherbourg last night for Cowes.

The Royal Yacht with their Majesties on board arrived at Cowes last night.

AUGUST 8TH.—Reuter's Agent at St. Petersburg telegraphs that the general discussion of the electoral system in connection with the National Assembly was concluded at Peterhof last Saturday, and resulted in the further discomfiture of the reactionaries. The Tsar showed himself in complete accord with the liberal tendencies of the majority. It is hoped that the scheme will be published on the 12th instant.

All the British Newspapers have articles enthusiastically welcoming the French Fleet which arrived at Portsmouth midday yesterday and congratulate King Edward on the establishment of the Entente Cordiale with France.

Germany has instructed Count Tattenbach neither to propose nor to discuss nor to accept any terms with Morocco pending the result of the Conference. Of this she has notified France.

Reuter's Agent at Tokio states that it is reported that the Russians are hastily fortifying the estuary of the River Amur; the garrisons in the vicinity have been reinforced, and the channels approaching the river mined.

The ships "Poltava" and "Peresviet" are shortly leaving Port Arthur for Japan under their own steam.

AUGUST 9TH.—Flotillas of excursion steamers packed with sightseers gave the French Fleet a popular and unofficial welcome in significance more weighty even than the official welcome. The whole scene was unsurpassable for animation, beauty and impressiveness. The waters were crowded with Yachts for the Cowes Regatta including the Kaiser's "Meteor" with the German Ambassador and Naval Attache on board. All the Yachts as well as the towns of Cowes and Portsmouth vied with the Fleets on Monday night in magnificent illuminations and fire works. There was a dinner on board the Royal Yacht when the King in proposing the health of M. Loubet spoke in most cordial terms, trusted that this visit would knit the friendship between France and England even still closer, was convinced that the principal advantage of this friendship would be the maintenance of peace, and hoped that the good relations now existing between the two nations would be still further strengthened. The French Ambassador and Admiral Caillard returned thanks in most cordial terms.

Monday's busy and brilliant scene was continued at Cowes yesterday. The Royal Yacht Squadron entertained the French Officers to lunch, the British Fleet dined them and a ball followed on board the French Flagship "Janreguier."

The Hague Tribunal has given its decision with regard to the Anglo-French difference in Muscat. They find that all Dhows authorised by France prior to 1892 have the right to fly the French Flag, all authorizations since 1892 are only valid in case the Dhows enjoyed French protection prior to 1863, all authorised Dhows are to continue to enjoy the inviolability of the Muscat waters.

AUGUST 10TH.—Their Majesties were present for one hour at the ball on board the French Flagship.

The Japanese and Russian plenipotentiaries are staying at the same hotel. They proceeded on Tuesday to the Naval Yard in separate launches, the Russians being given precedence. Each launch was saluted by 19 guns. Rear Admiral Mead received them and conducted them over the stores and building where the arrangements for the coming Conference were inspected. After lunch they returned to their hotel.

His Majesty reviewed the French Fleet yesterday in showery weather. Afterwards he, together with the Prince of Wales and Duke of Connaught, lunched with Admiral Caillard on the French Flagship.

Yesterday afternoon the French Fleet entered Portsmouth harbour an unprecedented honour to a foreign fleet, and anchored amidst the wildest scene of enthusiasm.

The Peace Envoys, met with greatest cordiality. The credentials of both sides have been found satisfactory.

AUGUST 11TH.—Admiral Caillard together with eighty French Officers arrived yesterday in London. A procession was formed to the Guildhall where luncheon was served. The heartiest welcome was accorded to the visitors in the streets.

Count Komura has handed in writing to M. de Witte the Japanese peace terms. These the Russian Plenipotentiary will study, ask questions, and answer in writing as soon as possible, meantime the Conference has been adjourned.

Admiral Caillard together with some of his Officers dined with Lord Lansdowne last night.

AUGUST 12TH.—The Polar Relief Expedition has rescued and brought to Hammerfest the American Ziegler and his comrades who sailed in June 1903 their ship was crushed and sunk in January 1904, and the crew reached Franz Josephland after terrible hardships subsisting chiefly on stores left by previous Expeditions.

It is reported from Portsmouth (U. S. A.) that the main features of the Japanese demands are the reimbursement of War expenses and the cession of Sakhalin, the mention of the word indemnity is avoided.

Further reports from Portsmouth (U. S. A.) with regard to the Japanese terms are to the effect that the Russian leases in Liaotung are to cease, that the whole of Manchuria is to be evacuated, that the railroad south of Harbin is to be ceded to Japan the northern portion remaining Russian property that the Japanese are to have a Protectorate over Korea, and that Russia's Naval strength in the Far East is to be limited.

Parliament was prorogued yesterday. The King in his speech states that his relations with other nations are friendly and that he earnestly hopes that the Russo-Japanese negotiations may lead to a lasting and to a mutually honourable peace.

241 Russian Officers and men have surrendered on the Island of Sakhalin since the 8th instant.

The Lord Mayor luncheoned a number of Petty Officers and men from the French Fleet at the Guildhall yesterday. There was a repetition of the enthusiastic welcome given in the streets the day before.

His Majesty entertained Admiral Caillard and Officers to lunch at Buckingham Palace.

It is reported from Portsmouth (U. S. A.) that M. de Witte accepts all the Japanese conditions as the basis of discussion except the reimbursement of War expenses and the cession of Sakhalin.

AUGUST 14TH.—At a Parliamentary luncheon given to the French Officers in Westminster Hall Mr Balfour said that Great Britain and France had too often in the past been divided, but for the future their world interests would be identical.

It is confirmed from Portsmouth (U. S. A.) that the Russian reply to the Japanese proposals rejects any idea of indemnity or cession of territory and declares that Russia is not vanquished.

A later telegram from Portsmouth (U. S. A.) states that the discussion on the first clause of the peace conditions lasted all Saturday afternoon and was then adjourned, also that the two main points of the negotiations viz: Indemnity and cession of Sakhalin have been left temporarily in abeyance.

The attention of the French and English Press is at present monopolised by the reception in England to the French Fleet. The French papers express their warmest appreciation of the enthusiastic welcome to their Fleet and suggest a closer alliance between the two countries.
