THE CROWN LANDS ORDINANCE

(Cap. 280)

UNSURVEYED PLOT BETWEEN QUEENSWAY/SERGEANT ELLIS AVENUE, NAIROBI—SITE FOR DEVELOPMENT FOR PURPOSES SUITABLE TO THE NEIGHBOURHOOD

THE Commissioner of Lands gives notice that applications are invited in the terms of proposals for the development of an unsurveyed plot of land situated between Queensway and Sergeant Ellis Avenue.

2. Plans of the area may be inspected in the Department of Lands, Nairobi, or copies may be obtained from the office of the Director of Surveys, P.O. Box 30046, Nairobi, on payment of Sh. 4.

3. The survey of the plot will be undertaken as soon as possible.

4. The plot is to be granted for purposes suitable to the neighbourhood which may include the following uses:—

- (a) Administrative offices in connexion with the building.
- (b) Shops along the Queensway frontage on the ground floor.
- (c) General offices, wash rooms and day rooms.

5. (i) In connexion with (b) above, the shops must not interfere with the access and circulation of cars using the parking building should a multi-storied car-park be approved on this plot.

(ii) The nature of the business to be carried on in the shops must in each case be approved by the Commissioner of Lands and must be such as not to require the loading and/or off-loading of large quantities of goods.

6. Applications should include a statement indicating:—

(a) The detailed proposals of the tenderer for the development of the plot with particular reference to the reservoir area for the holding of vehicles on the plot prior to their disposal to parking bays should a multi-storied car-park be approved.

(b) The amount of capital available for development purposes, supported by a letter of reference from the applicant's bankers.

7. Applications will be examined in relation to their satisfactory solution of all the factors involved, if a multi-storied car-park is approved with particular reference to the number of cars housed, the ease and speed of access and egress, the proposed charges and the floor area planned for offices and shops. In this connexion tenderers should bear in mind that ultimately traffic flow may only be permitted in an east to west direction on Queensway.

8. Applications must be submitted in sealed envelopes marked "Application for Queensway Plot, Nairobi" to reach the Commissioner of Lands on or before noon on 25th September, 1963.

Conditions of Sale

1. The successful tenderer will be required to pay within 14 days of notification that his tender has been accepted, 25 per cent of the stand premium indicated on the Schedule, together with a sum in respect of the rent due to 31st December, 1963. The balance of the stand premium will be payable on demand prior to the issue of title.

2. Survey fees and fees payable in respect of the preparation and registration of the title, together with the stamp duty (which is approximately 2 per cent of the stand premium and rent) in respect of the grant and the charge for roads, drains and sewers must be paid within 14 days of the demand therefor. Title will be issued as soon as possible.

3. The Commissioner does not undertake to accept any tender.

The term of the grant for the plot will be 99 years from the first day of the month following the notification to the successful tenderer that his tender has been accepted.

Special Conditions

1. No buildings shall be erected on the land nor shall additions or external alterations be made to any buildings otherwise than in conformity with plans and specifications previously approved in writing by the Commissioner of Lands and the Local Authority. The Commissioner shall not give his approval unless he is satisfied that the proposals are such as to develop the land adequately and satisfactorily.

2. The grantee shall within nine months of the commencement of the term submit in triplicate to the Local Authority and the Commissioner of Lands plans (including block plans showing the positions of the buildings and a system of drainage for the disposal of sewage, surface and sullage water), drawings, elevations and specifications of the buildings the grantee proposes to erect on the land and shall within 30 months of the commencement of the term complete the erection of such buildings and the construction of the drainage system in conformity with such plans, drawings, elevations and specifications as amended (if such be the case) by the Commissioner:

Provided that should the grantees give notice in writing to the Commissioner of Lands that they are unable to complete the buildings within the period aforesaid the Commissioner of Lands shall (at the grantee's expense) accept a surrender of the land comprised therein:

Provided further that if such notice as aforesaid shall be given (1) within 15 months of the commencement of the term the Commissioner of Lands shall refund to the grantees 50 per centum of the stand premium paid in respect of the land, or (2) at any subsequent time prior to the expiration of the said building period the Commissioner of Lands shall refund to the grantees 25 per centum of the said stand premium. In the event of notice being given after the expiration of the said building period no refund shall be made.

3. The grantee shall maintain in good and substantial repair and condition all buildings at any time erected on the land.

4. The grantee shall not at any time subdivide the plot.

5. The grantee shall not sell, transfer, sublet, charge or part with the possession of the land or any part thereof except with the prior consent in writing of the Governor, offices may be sublet, however, without such consent. No application for consent (except in respect of a loan required for building purposes) will be considered until Special Condition No. 2 has been fulfilled.

6. The land and buildings shall only be used for purposes agreed at time of acceptance of the application.

7. The grantees shall not do or permit to be done on the land anything which in the opinion of the Commissioner of Lands is or might become a nuisance nor shall the grantees cause or permit to be caused any obstruction by the loading or off-loading of goods in either Queensway or Sergeant Ellis Avenue.

8. The grantee shall not at any time during the term of the grant erect buildings to cover a greater area of the plot than that permitted under the City by-laws.

9. The grantee shall pay to the Commissioner of Lands on demand such sum as the Commissioner may estimate to be the proportionate cost of constructing all roads and drains and sewers serving or adjoining the land and shall on completion of such construction and the ascertainment of the actual proportionate cost either pay (within seven days of demand) or be refunded the amount by which the actual proportionate cost exceeds or falls short of the amount paid as aforesaid.

10. The grantee shall from time to time pay to the Commissioner of Lands on demand such proportion of the cost of maintaining all roads and drains serving or adjoining the land as the Commissioner may assess.

11. Should the Commissioner of Lands at any time require the said roads to be constructed to a higher standard the grantee shall pay to the Commissioner on demand such proportion of the cost of such construction as the Commissioner may assess.

12. The Government or such person or authority as may be appointed for the purpose shall have the right to enter upon the plot and lay and have access to water mains, service pipes, telegraph or telephone wires and electric mains of all descriptions, whether overhead or underground, and the grantee shall not erect any buildings in such a way as to cover or interfere with any existing routes, main or service pipes or the telegraph or telephone wires and electric mains aforementioned.
