GAZETTE NOTICE No. 2389

THE INDUSTRIAL COURT

CAUSE No. 27 OF 1981

Parties:

Tailors and Textiles Workers' Union
and
Acif Limited

Issues in dispute:

1. Leave allowance.
2. House allowance.
3. Wages.

1. Tailors and Textiles Workers' Union shall hereinafter be referred to as the Claimants and Acif Ltd. shall hereinafter be referred to as the Respondents.

2. The parties were heard in Nairobi on 20th July, 1981 and relied on their written and verbal submissions.

AWARD

3. The Notification of Dispute Form "A" dated 3rd April, 1981, duly signed by the parties was received by the Court on 11th May together with the statutory certificate signed by the Labour Commissioner.

In this dispute the Court has to take certain aspects seriously into consideration before making its award. The first and foremost is that the over 900 odd workers involved in this dispute are certainly amongst the low paid employees in the country but at the same time the Respondents have in a space of about ten years when they started their operations created these 900 jobs although 506 at the moment are still casuals but there is a strong likelihood of their being absorbed in regular employment when the Respondents' third shift which they have started recently becomes well established. The Court also cannot overlook the fact that the Respondents' products are subject to strict price control and that their application for increasing prices which they have made to the Price Controller in January this year has still not been dealt with. Furthermore, the Respondents import about 75 per cent of their raw material.

In these aforesaid difficult circumstances the Court has decided to rely on Guidelines (iv) and (v) which dealt with the cost of living compensation and give power to the Court to decide the basic minimum in different occupations from time to time in different industries.

After careful consideration of all the submissions the Court awards as follows:

1. *Leave allowance.*—The Court awards that the workers should be paid a leave allowance of Sh. 100 for the first year of the collective agreement and that for the second year this allowance should be increased to Sh. 110.

2. *House allowance.*—The Court awards that the workers should get a house allowance of Sh. 80 p.m. in addition to their wages with effect from 1st July, 1980, which is the agreed date of the collective agreement which is to last for two years.

3. *Wages.*—The Court awards that all the Respondents' unionisable employees should get a wage increase of 9 per cent for the first year effective from 1st July, 1980, and an 11 per cent increase with effect from 1st July, 1981.

Given in Nairobi the 29th July, 1981.

Judge.

C. KIBACHIA,
Deputy to the Judge.
