3. The grantee shall at his own expense suitably connect the said drainage system and also the water supply system with any town drainage and/or town water supply system when in the opinion of the Local Authority the latter systems are so far completed as to enable the grantee to do so.

4. The grantee shall maintain in good and substantial repair and condition all buildings at any time erected on the land.

5. Should the grantee give notice in writing to the Commissioner of Lands that he is unable to complete the buildings within the period aforesaid the Commissioner of Lands shall (at the grantee's expense) accept a surrender of the land comprised herein:

Provided further that if such notice as aforesaid shall be given (1) within 12 months of the commencement of the term the Commissioner of Lands shall refund to the grantee 50 per centum of the stand premium paid in respect of the land, or (2) at any subsequent time prior to the expiration of the said building period the Commissioner of Lands shall refund to the grantee 25 per centum of the said stand premium. 11. The grantee shall not erect on the land any hoarding, placard, poster sign or advertisement except a notice advertising the presence and products of the grantee's business.

13. The grantee shall from time to time pay to the Commissioner of Lands on demand such proportion of the cost of maintaining all roads and drains serving or adjoining the land as the Commissioner may assess.

14. Should the Commissioner of Lands at any time require any road serving or adjoining the land to be constructed to a higher standard the grantee shall pay to the Commissioner on demand such proportion of the cost of such construction as the Commissioner may assess.
