GAZETTE NOTICE No. 462

## THE TRADE MARKS ACT

(Cap. 506)

NOTICE is given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge notice of opposition on Form T.M. No. 6 (in duplicate) together with a fee of Sh. 50.

Notice is also given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Offices, Nairobi.

Applications for registration in Part A of the Register are shown with the official number unaccompanied by any letter. Application for Part B are distinguished by the letter B prefixed to the official number.

The two applications appearing hereunder are proceeding in the name of KARL SCHMIDT GMBH, a body corporate organized under the laws of the Federal Republic of Germany, of Christian-Schmidt-Strasse 8/12 D 7107 Neckarsulm, Federal Republic of Germany, and c/o Messrs. Atkinson, Cleasby & Satchu, advocates, P.O. Box 90121, Mombasa.
