## THE ELECTRIC POWER ACT

(Cap. 314)

*Notice of an Intended Application by the Kenya Power Company Limited for the variation of Bulk Supply Licence No. 2 dated 8th June 1955.*

NOTICE is hereby given that the Kenya Power Company Limited, a limited liability Company having its registered office at Electricity House, Kimathi Street, P.O. Box 7936, Nairobi (hereinafter called "the Applicant"), and being the Licensee named in Bulk Supply Licence No. 2 dated the 8th day of June 1955, will on the 31st day of May 1965, apply to the Minister for Works, Communications and Power pursuant to the provisions of sections 36 and 129 of the Electric Power Act (Cap. 314 of the Laws of Kenya) for the variation, with effect from such day as may be mentioned in that behalf, of clauses 5 (b), 6 (b) and 9 (d) of the said Licence as follows:—

## Clause 5 (b)

Replace the whole Proviso by the following Provisos:—

"Provided that as a further element of such ascertained cost the Licensee may set aside annually for the purpose of providing a Reserve and Equalization Fund such sum as it thinks reasonable not exceeding one per centum of the aggregate capital expenditure as shown in the General Balance Sheet (computed as in Account No. III of the said Forms of Account but excluding moneys applied out of the said Fund for capital expenditure as hereinafter provided) subject to the conditions following, that is to say—

- (1) all interest earned by investment of the said Fund from time to time shall be added thereto and included therein;
- (2) the said Fund shall not at any one time exceed one-twentieth of the aggregate capital expenditure computed as aforesaid as at that time, but may from time to time (if and so often as reduced by application as hereinafter provided) be restored to that limit by annual provision as aforesaid;
- (3) the Licensee shall apply any sums from time to time standing to the credit of the said Fund in excess of the limit hereinbefore prescribed in the reduction of the charge for the supply of electrical energy in the last two of the next succeeding three years;
- (4) one half of all moneys paid into or earned by the said Fund from the date of commencement of this Licence and not applied in reduction of charges as aforesaid may be applied by the Licensee as a reserve fund in or towards any capital expenditure for the Undertaking that has been incurred at any time after the 31st day of December 1961 in such manner and to such extent as may from time to time be proposed by the Licensee and approved in writing by all authorized distributors or (failing such approval) found reasonable by arbitration between the Licensee and any authorised distributors in accordance with the Arbitration Act;
- (5) one half of all moneys paid into or earned by the said Fund from the date of commencement of this Licence and not applied in reduction of charges as aforesaid may be applied by the Licensee at its discretion as an equalization fund either to answer any deficiency at any time happening in the income of the Licensee from the Undertaking, or to pay for any item of ascertained cost in the nature of recurrent expenditure incurred at any time after the 31st day of December 1961 which might otherwise have been recovered by way of actual price and which is acknowledged in writing by all authorized distributors to be attributable to abnormal circumstances or (failing such acknowledgement) found to be so attributable, by arbitration between the Licensee and any authorized distributors in accordance with the Arbitration Act;
- (6) The Licensee shall forthwith report in writing to the Minister every application of the said Fund for any of the purposes aforesaid with full particulars of the manner of such application;
- (7) notwithstanding anything to the contrary hereinbefore appearing, the Minister may from time to time, on written application from the Licensee and after notifying all authorized distributors of such application and hearing their objections (if any) by written order communicated to the Licensee and all authorized distributors, vary (either for a specified period or until further order) the proportions of the said Fund which may be applied respectively as a reserve fund pursuant to paragraph (4) of this Proviso and as an equalization fund pursuant to paragraph (5) of this Proviso;
- (8) any balance remaining in the said Fund at the expiration or earlier determination of this Licence after providing for any deficiency in the income of the Licensee from the Undertaking then outstanding shall be applied in such manner for the assistance or benefit of all or any future bulk supply licensees, authorized distributors, consumers or other persons interested in

any supply of electrical energy within the area of supply or any part thereof as the Minister may then determine.

Provided also that the Licensee shall apply any net surplus of income remaining in any year in the reduction of the charge for the supply of electrical energy in the last two of the next three years.

## Clause 6 (b)

Insert in the Proviso, after paragraph (ii) thereof, the following paragraph:—

- (iii) any compensation calculated as aforesaid which is attributable to items of capital expenditure for which payment has been made out of the Reserve and Equalization Fund as provided by paragraph (4) of the first Proviso to Clause 5 (b) of this Licence shall be paid into that Fund;

and renumber the present paragraph (iii) of that Proviso as paragraph (iv).

## Clause 9 (d)

Insert, after the words "capital and other costs to the Licensee", the following words in brackets:—

(Whether or not paid from the Reserve and Equalization Fund for which paragraph (4) of the first Proviso to Clause 5 (b) of this Licence provides).

2. The object of and reason for the Application are twofold namely:—

- (a) to enable the Applicant as Licensee under the Licence (with the approval of all authorized distributors concerned) to have resort to the Reserve and Equalization Fund for the purpose of meeting the cost of capital works and of repairs and maintenance works of an unusual or abnormal nature incurred in connexion with the carrying on of the undertaking authorized by the Licensee; and
- (b) to provide for the disposal by the Applicant as such Licensee of any funds which may be standing to the credit of the said Fund at the final expiration of the Licence by payment thereof to the authorized distributor or distributors if more than one in proportion to the amount of their respective contributions to the Fund.

3. The only area which will or may be affected by the grant of the Application is the "area of supply" described in the First Schedule to the Licence.

4. No public or local authority, company, person or body of persons will be affected by the granting of this Application other than the Applicant, the East African Power and Lighting Company Limited as an authorized distributor and such other authorized distributors (if any) as may during the period of operation of the Licence have contributed to the Fund by virtue of the provisions of clause 5 (b).

5. The manner in which the grant of the Application will or might affect the "area of supply" referred to in paragraph 3 above is that the variation sought will permit the Applicant from time to time as Licensee under the Licence in respect of that area to have resort to the Fund for the payment of the works referred to above and at the termination of the Licence period to pay the balance of the Fund to or among the authorized distributor or distributors as mentioned in paragraph 4.

6. Any public or local authority, company, person or body of persons desirous of making any representation on or objection to the Application must do so by letter addressed to the Minister for Works, Communications and Power and marked on the outside of the cover enclosing it "Electric Power Act" on or before the expiry of 30 days from the date of the Application as stated herein and a copy of such representation or objection must be forwarded to the Applicant.

Dated this 15th day of April 1965.

B. H. KYLE-BOWYER,

Secretary,  
for the Kenya Power Company Limited.

REPORT OF THE HONORARY AUDITORS

The accounts set out on pages one to four are in agreement with the books which, in our opinion, have been properly kept. We obtained the information and explanations we required.
