## BURSARY SCHEME

1. The East African Power and Lighting Company Limited invites applications for the award of Bursaries from persons wishing to obtain a qualification in Civil, Mechanical or Electrical Engineering with the object of taking up a career with the Company.

2. The purposes of the Scheme are twofold:—

(a) To encourage and facilitate the recruitment and training of Staff for the East African Power and Lighting Group of Companies.

(b) to provide financial assistance for students to enable them to obtain professional qualifications and thus fit themselves for appointment and eventual promotion to senior posts in the East African Power and Lighting Group of Companies.

4. Bursaries will be awarded for study at a University approved by the Company. It should be noted that assistance cannot be given to obtaining admission to such Universities, the arrangements for which are the candidate's own responsibility.

5. The amount of each Bursary will be determined by the course of study to be followed, and will be of a value of up to £250 per annum.

6. Full particulars of the conditions applicable to the Bursaries Scheme may be obtained from the Staff Manager and attention is particularly drawn to the condition that the holder of the Bursary should sign an undertaking if required to do so to offer his services to the Company on completion of his training before seeking alternative employment.

7. Applications are invited from—

(a) boys who are qualified to enter a University in the United Kingdom to study engineering. Candidates should normally have passes in three of the following subjects: Mathematics, Further Mathematics, Physics or Chemistry at Principal Level in the Cambridge Overseas Higher Certificate or passes at Advanced Level in three of these subjects in the General Certificate of Education; or

(b) boys who are candidates for the Cambridge Overseas Higher Certificate in November of the year in which application is made and who are considered likely to obtain the qualifications necessary for entry to a United Kingdom University to study engineering.

Consideration will be given to the general school record of candidates—such as prefectorial status, ability at games, membership of the C.C.F., etc., when selection is made.

No assistance will be given to enable candidates to reach University standard.

8. Applications for Bursaries should be addressed to the Staff Manager, East African Power and Lighting Company Limited, P.O. Box 30099, Nairobi, to reach him not later than 31st August, annually. THE ELECTRIC POWER ORDINANCE  
(Cap. 174)

*Notice of an application by the East African Power and Lighting Company Limited for an extension of the area of supply for Distributing Licence No. 8 (Nakuru and District) dated the 14th day of November, 1930, to enable a supply of electrical energy to be made available in the Thomson's Falls area of the Rift Valley Province of the Colony of Kenya.*

NOTICE is hereby given that the East African Power and Lighting Company Limited a limited liability Company having its registered office at Electricity House, Hardinge Street, Nairobi in the Colony of Kenya, the holder of Distributing Licence No. 8 dated the 14th day of November, 1930 (hereinafter called "the Applicant") will on the 22nd day of September, 1959, pursuant to the provisions of section 35 and section 126 of the Electric Power Ordinance (Cap. 174) apply to his Excellency the Governor in Council of Ministers of the said Colony to extend the provisions and the area of supply the subject of the said Licence (which has already been extended by three endorsements thereon dated respectively the 19th day of February, 1937, and the 28th day of March, 1947, and the 23rd day of April, 1959) by the inclusion for the remainder of the period of the said Licence and for the period of any extension or renewal thereof of the area (hereinafter called "the Scheduled Area") the particulars of which are set out in the Schedule hereto.

The Objects of and Reasons for the Application are to enable the Applicant to provide a supply of electrical energy by way of general supply or otherwise to such public or local authorities, companies, persons or bodies of persons in the Scheduled Area as may require the same. It is the opinion of the Applicant that the granting of the Application will be equitable to the Applicant and to consumers in every area of supply concerned or affected and no licensee or consumer in any area of supply will be unduly prejudiced thereby.

No area will be affected by the grant of the Application save and except the Scheduled Area, and the public or local authorities, companies, persons or bodies of persons who may be affected by such grant and the manner in which they may be affected are as follows:—

- The Thomson's Falls Urban District Council to the extent envisaged by section 19 of the Electric Power Ordinance.
- Public and local authorities, companies, persons and bodies of persons resident or carrying on business in the Scheduled Area in that they may become entitled to requisition from the Applicant a supply of electrical energy as provided by the Electric Power Ordinance.

- Public and local authorities, companies, persons or bodies of persons desiring to give a supply of electrical energy on sale in the Scheduled Area in that the giving of such supply will be precluded by such grant except so far as may be authorized under section 4 of the Electric Power Ordinance.

- The Provincial Commissioner for the Rift Valley Province and the District Commissioner, Laikipia, to the extent of the general interest of Government in the development and welfare of the Scheduled Area.

Copies of a draft of the Endorsement and a plan showing the Scheduled Area may be inspected at the registered office of the Applicant and at its office in Nakuru and at the office of the Thomson's Falls Urban District Council during normal office hours.

*Notice of Objections and Representations*

Any Public or Local Authority, Company, person or body of persons desirous of making any representation on or objection to this Application must do so by letter addressed to the Governor in Council of Ministers, marked on the outside of the cover enclosing it "Electric Power Ordinance" on or before the expiration of 30 days from the date of the said Application and a copy of such representation or objection must be forwarded to the applicant, the East African Power and Lighting Company Limited, at its office at Electricity House, Hardinge Street, Nairobi.

## COMMITTEE TO EXAMINE THE ORGANIZATION OF AGRICULTURE

ARISING out of a resolution of Legislative Council on 23rd April, 1959, to the effect that steps should be taken to investigate the position of official and unofficial agricultural boards and committees with a view to achieving economy, I hereby appoint a committee to report to me, having the following membership and terms of reference:—

*Membership*

Sir Donald MacGillivray, G.C.M.G., M.B.E. (*Chairman*).  
Mr. Angus A. Lawrie, F.S.A.A.  
Mr. Harold D. White.

*Secretary*.—Mr. W. N. B. Loudon, Ministry of Agriculture,  
P.O. Box 30028, Nairobi.

*Terms of Reference*

To examine and report on the following matters in the field of agriculture:—

*(a) Scheduled and Essential Products*

Assuming that the broad principles of consultation with producer representatives regarding the fixing of prices of scheduled and essential products, as laid down in section 5 (2) of the Agriculture Ordinance, 1955, remain unchanged, is the present system of consultation followed by the Ministry satisfactory? If not, what alternative system is recommended?

*(b) Boards and Committees*

Accepting the broad objectives of agricultural policy as reflected in existing legislation, especially the Agriculture Ordinance, 1955, entitled "An Ordinance to Promote and Maintain a Stable Agriculture, to Provide for the Conservation of the Soil and its Fertility, and to Stimulate the Development of Agricultural Land in Accordance with the Accepted Practices of Good Land Management and Good Husbandry":

Do existing statutory boards and committees, and such non-statutory boards and committees set up by the Minister for Agriculture as he may specify, effectively serve the purposes for which they are established? Are their functions adequately defined and co-ordinated, account being taken of the operation of producer, co-operative and commercial organizations fulfilling like functions? What steps, if any, should be taken to effect improvement? Where the expenses of a board or committee are charged against public funds is this expenditure justified in the public interest?

BRUCE MCKENZIE,

Nairobi,  
4th August, 1959.

*Minister for Agriculture, Animal Husbandry and Water Resources.*

## GAZETTE NOTICE NO. 3116

## COMMITTEE TO EXAMINE AND REPORT ON THE ORGANIZATION OF AGRICULTURE IN KENYA

WITH reference to the announcement made today by the Minister for Agriculture, Animal Husbandry and Water Resources regarding the appointment of the Committee referred to above, and to the terms of reference stated therein, the Committee hereby invites any statutory or non-statutory board, organization, association, government department, and any other person or group of persons interested to submit written evidence on any matters within the terms of reference stated.

It is appreciated that it will take time for evidence to be prepared and that August is not the best month of the year for holding meetings. Nevertheless, in view of the fact that the period over which the Committee will examine this matter is restricted, it is requested that all memoranda should, if possible, be submitted in detail to reach the Secretary of the Committee by 30th August, 1959, or, if this is quite impracticable, by 15th September, 1959, at the latest.

Where a particular organization has subordinate committees or branches, the committees or branches concerned are requested to submit any written evidence, which they may wish to give, to their parent body and not direct to the Committee. Thereafter the parent body is asked to send a comprehensive memorandum to the Committee containing its considered views on all the evidence received from its subordinate committees or branches, and it may, of course, if it thinks fit, at the same time forward particular memoranda from its subordinate committees or branches to the Committee, indicating whether or not it supports the views contained therein.

The Committee has been advised that some memoranda have already been submitted to the Ministry of Agriculture on certain aspects of this matter. These have been passed by the Ministry to the Committee. Other memoranda have been sent to a Working Party, of which Mr. P. D. Marrian is Chairman, which was appointed by representatives of various agricultural organizations at a meeting held on 17th March, 1959, under the auspices of the K.N.F.U. Arrangements have been made for the report of Mr. Marrian's Working Party to be handed over to the Committee together with the individual memoranda submitted to it. This has been done with a view to eliminating duplication and to obviating the necessity for the same bodies or persons to submit their views a second time on matters already covered by the terms of reference of the Working Party.

The Committee proposes to write to all statutory boards and to certain other non-statutory boards, committees and departments under the portfolio of the Minister for Agriculture, Animal Husbandry and Water Resources asking for information relevant to its terms of reference. When this, together with the written evidence submitted by non-statutory organizations and individuals is received, the Committee will decide whether any points which have been made require clarification or elaboration. If so, it may invite the authors to meet for further discussion either in Nairobi or elsewhere. It is emphasized, however, that the written memoranda submitted should be as comprehensive as possible.

Memoranda should be addressed to—

Mr. W. N. B. Loudon,  
Ministry of Agriculture,  
P.O. Box 30028,  
Nairobi,

and the word "Committee" should be written on the front of the envelope.

In order to facilitate the work of the Committee it is requested that, where possible, memoranda be typed and that four spare copies be attached to the original document.

Nairobi,  
4th August, 1959.

D. C. MACGILLIVRAY,  
*Chairman of the Committee.*
