GAZETTE NOTICE No. 1825

THE TRADE MARKS ACT.
(Cap. 506)

NOTICE is hereby given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge notice of opposition on Form T.M. No. 6 (in duplicate) together with a fee of Sh. 50.

Notice is also hereby given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him an opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Offices, Nairobi.

Applications for registration in Part A of the Register are shown with the official number unaccompanied by any letter. Applications for Part B are distinguished by the letter B prefixed to the official number.

GAZETTE NOTICE NO. 1828

THE INDUSTRIAL COURT
CAUSE No. 12 OF 1968

Parties:—

Kenya Local Government Workers' Union
and
Masaku County Council

Issue in dispute:—

Demand by the Union for removal of Mr. Bhatti, Financial Adviser of Masaku County Council.

1. The Kenya Local Government Workers' Union shall hereinafter be referred to as the Claimants and the Masaku County Council shall hereinafter be referred to as the Respondents.

2. The Parties were heard in Nairobi on the 30th April, 2nd and 3rd May 1968, and relied on their written and verbal submissions. In addition the Claimants called two witnesses.

AWARD

The Court has been greatly disturbed by this dispute in which the Claimants are seeking an award from the Court ordering the removal of Mr. Bhatti who is the Financial Adviser of Masaku County Council. There is no doubt that in normal circumstances no employer would ever accept to submit a dispute of this nature, where a Union is seeking the removal of a member of the management, to the Industrial Court. In this dispute, however, a strike of practically all the employees of the Respondents had taken place on 2nd February 1968. The strike lasted several days and the Ministry of Labour had to intervene. As a result of conciliation through the Ministry of Labour the following was agreed between the Parties on 9th February 1968, as far as the demand for Mr. Bhatti's removal was concerned:—

"1. After lengthy discussions between the parties referred to: and although the Union had given all the evidence at their disposal and still stood to their original demand that the F.A.'s (Mr. K. A. Bhatti) case will eventually be reviewed and appropriate action taken if further evidence can be produced either to the Conciliator or to the Council's Committee.

In the meantime the Union accepts to await the presentation of further evidence as referred to above and if need be, a further meeting will be held."

On 15th February 1968, the workers went on strike again and both Parties have put forward different reasons for this second strike. The Claimants maintained that the reason for the second strike was that their Branch Secretary was being transferred by the Respondents to Yatta to which they strongly objected as his presence at Machakos was necessary during the forthcoming inquiries. The Respondents, on the other hand, strongly maintained that the second strike was prompted by an unfortunate resolution which had been passed by the Claimants' National Executive Committee meeting held at Meru between 9th and 11th February 1968. This resolution reads as follows:—

"Resolved:

That the battle for dismissal from Masaku County Council's service and removal of Mr. K. A. Bhatti from the Republic continue in the interest of the citizens.

And further resolved:

That the Central Organization of Trade Unions (Kenya) jointly with the Union present a case to the Minister for Home Affairs and to the Kenyanization Bureau for non issue of works permit to Mr. K. A. Bhatti.

And finally resolved:

That the Minister for Local Government be requested to send independent Auditors to check the Accounts of the Masaku County Council and to take legal action on Mr. Bhatti if the Accounts are found not to be in order."

It is interesting to note that this gentleman whose proposed transfer is alleged to have caused the second strike was actually in police custody during the period of the strike. Subsequently he was convicted of theft and sentenced.

After the second strike the Chief Industrial Relations Officer personally intervened in the matter and as a result the Minister for Labour acting under the provisions of section 30 of the Trade Disputes Act 1965, referred this dispute to the Industrial Court apparently against the wishes of the Respondents. The Respondents criticised the Chief Industrial Relations Officer's conduct in this matter as they felt that this sort of dispute should never have been brought before the Industrial Court. There appears to be some merit in the Respondents' stand on this point, but since the Minister had referred this matter to the Industrial Court, the Court had no alternative but to hear the dispute.

The main allegations which the Claimants have levelled against Mr. Bhatti are as follows:—

(i) During the conversions after the Pratt recommendations Mr. Bhatti had maliciously misinterpreted the recommendations in respect of the subordinate staff and had, in fact, reduced their wages.

(ii) Sometime in mid 1967 Mr. Bhatti had paid a sum of £2,000 into the account of the Masaku Urban Council in the form of an internal loan without any request from the Urban Council and without the knowledge of the County Council and even without the authority of the Ministry of Local Government. The Claimants alleged that by this transaction one Mr. Dilbagh Singh was able to get his hands on some additional money before running away to India. The Claimants strongly criticized Mr. Bhatti for this transaction because the Masaku Urban Council had already lost a sum of £15,000, which matter had been raised in Parliament.

(iii) The Claimants held Mr. Bhatti responsible for non-payment of salaries to two workers at a health centre for two months.

(iv) That Mr. Bhatti had been responsible for an insufficient supply of drugs in the various health centres under the Respondents which had led to the Claimants' members being idle. Further the workers had been abused by the public.

(v) Mr. Bhatti had failed to renew the licences and insurance policies in respect of the vehicles owned by the respondents. This had resulted in vehicles lying idle in garages and road camps and the workers had been forced to walk anything between 7 to 20 miles a day to and from their places of work.

(vi) Mr. Bhatti as Financial Adviser had been responsible for poor relations between the Respondents and the teachers because he had encouraged irregularities in the teachers' salaries. Further that he had instructed the Salaries Officer not to pay the additional amount of money due to those teachers who had passed their promotion examinations although the money had been withdrawn from the bank.

(vii) Mr. Bhatti had sold 150 heads of cattle for a sum of Sh. 30,000 to another Asian whose cheque for this amount had bounced when presented for payment. The Claimants stated that although this money had eventually been received the fact remained that Mr. Bhatti had taken a great risk and a big amount belonging to the Respondents had been placed in danger.

(viii) That on Mr. Bhatti's instructions the workers had not been issued with any receipts when they had repaid their Uhuru advances.

(ix) That in spite of bitter complaints by several Councillors of misuse of Council funds by certain Councillors and officers, Mr. Bhatti had taken no steps to put matters right. They further alleged that the Respondents' materials were being purchased from non-tendering sources on Mr. Bhatti's instructions. This had resulted in delays of up to two weeks before the materials were delivered. On several occasions wrong parts and materials had been supplied. All this had contributed to the workers remaining idle although the Respondents had to bear their wages. Mr. Bhatti had also thought it more fitting to use transport from a certain firm in Machakos rather than use the Respondents' transport coming to Nairobi.

(x) The Claimants made serious allegations regarding a financial transaction at Athi River Urban Council which they claimed had run into heavy financial losses without the Financial Adviser taking any remedial steps. They stated that one employee at Athi River had withdrawn Sh. 20,000 from the bank for the purpose of using as change before collecting rates. According to the Claimants' information no collection was made but a sum of Sh. 11,477 was received by cheque from Kenya Meat Commission. The Respondents should have received in all Sh. 31,477. As a result of this transaction the Athi River Urban Council had lost a sum of Sh. 11,477 and although it was the Financial Adviser's duty to find any discrepancies, he had failed to do so and the Claimants had to report this matter with the result that the police had started investigations in this matter in February this year.

(xi) That Mr. Bhatti knowing fully well the legal implications of the law governing the National Social Security Fund, had issued instructions that the Respondents' contribution should not be sent to the N.S.S.F. Furthermore Identity Card numbers of the various employees had not been entered in the documents.

Some of the above allegations are extremely serious and the Court was informed that the matter of £15,000 which had been lost by the Masaku Urban Council and which matter had been raised in Parliament was being investigated by the C.I.D. as was the matter of £550 which had been missing at the Athi River Urban Council. This being so it would not be proper for the Industrial Court to comment on these matters. Even if the Court was inclined otherwise the Parties failed to produce adequate information and evidence for and against these items during these proceedings.

The other complaints against Mr. Bhatti are not at all so serious and the Respondents have answered all the allegations in

great detail but the Court is not satisfied on reviewing the whole evidence produced before it during the proceedings by either party, that it has sufficient facts before it on which to make any definite findings. The whole evidence has been nothing more than a few duplicate and copy letters thrown in here and there without any serious attempt having been made to pursue these matters fully. The Claimants had made the aforesaid allegations and supported them with copies of certain letters. The Respondents, on the other hand, denied them and stated that the Claimants had based their whole case on many vague allegations unsupported by any concrete evidence, false statements and vindictive remarks all seemingly directed at the Financial Adviser.

The Court must take a serious view of the fact that certain files were missing when required in some cases for over a week.

The Respondents have made a strong play of the political motives which they attributed to Mr. Malu's opponents in the area, Mr. Malu being the Chairman of the Council. They felt that the whole object of this dispute seeking the removal of Mr. Bhatti was to bring about the downfall of Mr. Malu and in reality was an attempt to undermine and destroy the Council itself and to render impossible its function to serve the community. The Claimants have strongly denied any political motives but the Court cannot help but feel that there is more to this whole dispute than meets the eye. There appears to be a strong political under-current at work; probably the workers are not even aware of it.

As stated earlier it is very unfortunate that the Industrial Court has been used as a forum for political allegations. A great doubt is raised in Court's mind at the manner and at the serious allegations which have been made against Mr. Malu. In short it was alleged that he was in league with Mr. Bhatti. Why Mr. Malu should have been so openly attacked during these proceedings which are mainly against Mr. Bhatti is questionable. The Court has come to the conclusion that as far as the Claimants are concerned they are blaming Mr. Malu and Mr. Bhatti together. This being so this dispute assumes a different character and is to be viewed in a different and broader perspective. In these circumstances it would not be right for the Industrial Court to make any findings in this dispute. The Court feels that the various allegations made in this dispute with the political undertone in the background are of such a nature that they cannot be thoroughly gone into and exhausted in the narrow confines of the Industrial Court. Unfortunately the Claimants are committed under their Meru resolution to carry on the battle for the dismissal of Mr. Bhatti from Masaku County Council. This sort of resolution can mean only one thing and that is industrial strife. This has, however, got to stop as it will help no one.

The Court after a very careful consideration of all the matters involved in this dispute and the submissions made by the Parties, has come to the conclusion that the Minister for Local Government should investigate all the allegations made by the Claimants and the counter allegations made by the Respondents ascribing political motives on the Claimants for making them, through a commission of inquiry to be appointed by him. The Court feels that such a commission of inquiry should meet in private and determine to what extent if any the Financial Adviser Mr. Bhatti can be held responsible for the various allegations if true, which have been made by the Claimants. This commission of inquiry can further determine to what extent politics are at play in this dispute.

The Court has no doubt that such an inquiry would satisfy both the Parties and would put an end to the industrial trouble at Masaku County Council. The Court further recommends that the Claimants should have the right to put forward their views to the commission of inquiry.

GAZETTE NOTICE No. 1829

THE INDUSTRIAL COURT

CAUSE No. 14 OF 1968

Parties:—

Kenya Chemical Workers' Union
and

The Pyrethrum Marketing Board and The Pyrethrum Processing
Company of Kenya Limited

Issues in dispute:—

- (a) Wages.
- (b) Duration.
- (c) Housing.

1. The Kenya Chemical Workers' Union shall hereinafter be referred to as the Claimants and The Pyrethrum Marketing Board and The Pyrethrum Processing Company of Kenya Limited shall hereinafter be referred to as the Respondents.

2. The Parties were heard in Nairobi on the 13th and 27th of May 1968, and relied on their written and verbal submissions. Before the commencement of the hearing on 13th May 1968, the President of the Court pointed out to the Parties the desirability of including all outstanding matters as issues in this dispute and as the conciliator's report on the issue of housing was still outstanding, it was agreed that the hearing would proceed on the two issues in dispute and if necessary the Court would hear the Parties on the issue of housing in the event of a deadlock. The conciliator's report to the Chief Industrial Relations Officer, Ministry of Labour, stated that there was no prospect of a settlement on the housing issue, as a result the Court heard the Parties on this issue on 27th May 1968.

AWARD

The Parties in this dispute have resorted to the Industrial Court three times within a space of two years. There is no doubt that industrial relations in the pyrethrum industry have deteriorated considerably. It is neither desirable nor healthy that the Parties should devote so much of their time in tidying up loose ends in industrial relations.

The Court cannot overlook or under-estimate the importance of pyrethrum industry to the country as any award in this dispute must have repercussions in the pockets of some 75,000 small African growers. The Government is vitally concerned with the welfare of the vast population in rural areas and it is the Court's duty to ensure that the targets laid down by the Government are in no way jeopardized.

The Court has to take into consideration such important matters like the reduction in prices paid for flowers to pyrethrum producers in Tanzania and that Kenya growers have already been warned to expect a cut in prices this year. Further that the sterling devaluation had considerably reduced the Respondents' income.

The Court is aware that the Respondents have been created and are governed by the Pyrethrum Act of 1964 as amended and that they are non-profit making.

Having carefully considered the various submissions made by the Parties, the Court has come to the conclusion that the offer made by the Respondents on current wage rates is a fair one. The Court has decided that the duration period of the current review of the terms and conditions of employment should be of two years and so awards. Keeping the duration award in view the Court has decided that for the first eight months from the agreed effective date between the Parties i.e. 1st August 1967, the following rates should apply:—

Grade	Present Rate per Month	New Rates per Month as Awarded
	Sh.	Sh.
A I	735	770
A II & 7	525	550
6	450	470
A III & 5	380	400
A IV & 4	325	340
3	280	295
A V & 2	235	250
1	200	215

Provided that those employees who do not benefit as a result of the increase in the rates for the grades should get Sh. 20 increase per month.

The Court further awards that after a period of eight months all the unionizable employees other than those who are above the rate for their grade should get a further increase of Sh. 10 for the remaining 16 months of this award.

The Court finds that no case has been made out for an increase in the current housing entitlement of the employees. This demand is accordingly rejected.
