- (c) If the application is successful and the applicant fails to take up and pay for the plot offered to him within a period of seven days as required by General Condition (a) 1 below, the Commissioner of Lands may declare the deposit forfeited and the applicant shall have no further claim thereto.

(a) General Conditions

(i) Each allottee of a plot shall pay to the Commissioner of Lands, within seven days of notification that his application has been approved, the amount assessed for the construction of roads and drains to serve the plot, the assessed stand premium, and proportion of annual rent, together with the survey fees, the fees payable in respect of the preparation and registration of the grant (Sh. 120) and the stamp duty in respect of the grant (approximately 2 per cent of the stand premium and annual rent). In default of payment within the specified time, the Commissioner of Lands may cancel the allocation and the applicant shall have no further claim to the grant of the plot.

(ii) The grant will be issued in the name of the allottee as stated in the letter of application.

(iii) Grants will be made under the Crown Lands Ordinance (Cap. 155 of the Revised Edition of the Laws of Kenya) and titles will be issued under the Registration of Titles Ordinance. The term of the grants will be 99 years from the first day of the month following the notification of the approval of the grant.

(iv) The application for any plot shall be deemed to be upon and subject to the conditions herein contained and the provisions of the Crown Lands Ordinance (Cap. 155 of the Revised Edition of the Laws of Kenya) and in particular Part VII thereof.

(b) Special Conditions

(i) The grantee shall erect complete for occupation within 24 months of the date of the commencement of the term a building of approved design on proper foundations constructed of stone, burnt brick or concrete with roofing of tiles or other permanent materials approved by the Commissioner of Lands and shall maintain the same in good and substantial tenantable repair and condition, including the external paintwork, during the continuance of the term.

(ii) No building shall be erected on any plot unless plans (including block plans showing the position of the buildings), drawings, elevations and specifications thereof shall have been approved by the Local Authority and by the Commissioner of Lands or such other person as he may appoint. Such plans, etc., shall be submitted in triplicate to the Town Clerk, Kisumu, within three months of the date of the commencement of the term.

(iii) In the event of the grantee failing to comply with any condition herein contained, any proceedings that may be

necessary will forthwith be instituted for the recovery of the land. Moneys that may have been paid in respect of the plot will be forfeited to the Crown.

(xi) The grantee shall pay such rates, taxes, charges, duties, assessments or out-goings of whatever description as may be imposed, charged or assessed, by any Government or Local Authority upon the land or buildings erected thereon, including any contribution or other sum paid by the Government in lieu thereof.

(xii) The use of the plots shall be restricted to residential purposes only or for the combined purposes of residence and business and for no other purpose whatsoever. The business will be restricted to that of general retail trade and a residence shall be deemed to be a building for the use of one family only, with one kitchen only.

(xiii) The site coverage of the plots shall be restricted to 50 per cent of the area of each plot.

(xiv) In the event of the plots being used for residential and business purposes, not more than two shops will be permitted on each plot, provision being made for a separate store for each shop and residential accommodation will be restricted to the upper storeys.
