Special Conditions

No buildings shall be erected on the land nor shall additions or external alterations be made to any buildings otherwise than in conformity with plans and specifications previously approved in writing by the local authority. The local authority shall not give its approval unless it is satisfied that the proposals are such as to develop the land adequately and satisfactorily.

2. The grantee shall, within six (6) calendar months of the actual registration of the grant, submit in triplicate to the local authority, plans (including block plans showing the positions of the buildings and a system of drainage for the disposal of sewage, sullage and surface water), drawings, elevations and specifications of the buildings the grantee proposes to erect on the land and shall, within twenty-four (24) months of the actual registration of the grant, complete the erection of such buildings

and the constructions of the drainage system in conformity with such plans, drawings, elevations and specifications as amended if such be the case by the local authority:

Provided that notwithstanding anything to the contrary contained in or implied by the Trust Land Act, if default shall be made in performance or observance of any of the requirements of this condition it shall be lawful for the county council or any person authorized by it to re-enter into and upon the land or any part thereof in the name of the whole and thereupon the term created shall cease but without prejudice to any right of action or remedy of the county council in respect of any antecedent breach of any condition herein contained.

3. The grantee shall maintain in good and substantial repair and condition all buildings at any time erected on the land.

4. Should the grantee give notice in writing to the county council that he/she is unable to complete the buildings within the period aforesaid, the county council shall (at the grantee's expense) accept a surrender of land comprised herein:

Provided further that if such notice as aforesaid shall be given—

- (a) within twelve (12) months of the commencement of the term the county council shall refund to the grantee 50 per cent of the stand premium paid in respect of the land;
- (b) at any subsequent time prior to the expiration of the said building period, the county council shall refund the grantee 5 per cent of the said stand premium; or
- (c) in the event of notice being given after the expiration of the said building period, no refund shall be made.

5. The land and buildings shall only be used for the shops, offices and flats.

6. The buildings shall not cover more than 50 or 90 per cent, respectively, of the area of land or lesser area as may be laid down by the local authority in its by-laws.

The grantee shall not sell, transfer, sublet, charge or part with the possession of the land or any part thereof or any building thereon except with prior consent in writing of the county council and the Commissioner of Lands. No application for such consent (except in respect of a loan required for building purposes) will be considered until special condition No. 2 has been performed.

10. The grantee shall pay to the local authority, on demand, such sum as the local authority may estimate to be proportionate cost of constructing all roads and drains and sewers serving or adjoining the land and shall, on completion of such construction and the ascertainment of the actual proportionate cost, either pay (within seven (7) days of demand) or be refunded the amount by which the actual proportionate cost exceeds or falls short of the amount paid as aforesaid.

11. The grantee shall, from time-to-time, pay to the local authority, on demand, such proportion of the cost of maintaining all roads and drains serving or adjoining the land as the local authority may assess.

12. Should the local authority at any time require the said roads to be constructed to a higher standard, the grantee shall pay to the local authority, on demand, such proportion of the cost of such construction as the local authority may assess.

13. The grantee shall pay such rates, taxes, charges, duties, assessments or outgoings of whatever descriptions as may be imposed, charged or assessed by any Government or local authority upon the land or the buildings erected thereon, including any contribution or other sum paid by the local authority or the county council in lieu thereof.
