CERTIFICATE OF THE CONTROLLER AND AUDITOR GENERAL ON THE ACCOUNTS OF THE ASIAN OFFICERS FAMILY PENSIONS FUND FOR THE YEAR ENDED 31st DECEMBER 1967

I have examined the Income and Expenditure Account, Pensions Fund Account and Balance Sheet in accordance with the Asian Officers Family Pensions Fund Act (Cap 194). I have obtained all the information and explanations that I have required. As a result of my audit I certify that, subject to the attached Report, in my opinion the Accounts and the Balance Sheet are properly drawn up so as to reflect a true and fair view of the transactions to which they relate.

Controller and Auditor-General

REPORT BY THE CONTROLLER AND AUDITOR GENERAL ON THE ACCOUNTS OF THE ASIAN OFFICERS FAMILY PENSIONS FUND FOR THE YEAR ENDED 31st DECEMBER 1967

Management Expenses —

1 With reference to paragraph 1 of my Report for 1966 I understand that it has been decided not to review the basis of the assessment of expenses of the Fund. I have, however, not seen the Board's approval on this decision.

Widows and Orphans Pensions —

2 The figure of K£33 412-2-30 cts represents the net expenditure on pensions in respect of widows and orphans after taking into account gains arising from the devaluation of the pound sterling.

Investments —

3 The overseas investments have not been adjusted to take account of the devaluation of the pound sterling and the figure of K£3,943-2-25 cts represents only the loss on cash with J M F. Depreciation arising from devaluation has not in the case of investments been provided for and charged to the year's account. The middle market value of these investments has been adjusted to the current rates of exchange.

Delay in submission of Accounts for audit —

4 With reference to paragraph 3 of my Report on the Accounts for 1966 the Attorney General has advised that the accounts do not come under section 22 (1) or section 22 (2) (a) of the Exchequer and Audit Act (Cap 412) and the time limit prescribed in that Act does not therefore apply to these accounts. A time limit within which accounts must be rendered for audit will, however, in my opinion, need to be prescribed and notified to the officer administering the Fund.

GAZETTE NOTICE NO. 1379

THE TRADE MARKS ACT
(Cap 506)

NOTICE is hereby given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette lodge notice of opposition on Form TM No 6 (in duplicate) together with a fee of Sh 50

Notice is also hereby given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark which the applicant has made or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark upon its registration is to be limited to certain colours the colours are as far as possible indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry State Law Offices Nairobi.

Applications for registration in Part A of the Register are shown with the official number unaccompanied by any letter. Applications for Part B are distinguished by the letter B prefixed to the official number.
