GAZETTE NOTICE No. 25

VACANCIES IN THE SERVICE OF THE EAST AFRICAN COMMON SERVICES ORGANIZATION

APPLICATIONS are invited for the following training vacancies. Applications should be submitted to the Director of Civil Aviation, P.O. Box 30163, Nairobi.

Telecommunications Officer Cadets, E.A. Directorate of Civil Aviation (PENSIONABLE)

Closing date.—31st January 1964.

The East African Directorate of Civil Aviation offers training for interesting and well-paid careers in Radio Engineering and Telecommunications to African men not more than 23 years old who possess a Cambridge School Certificate with credits at least in Maths., English and General Science, Physics or Physics with Chemistry. Candidates who are awaiting School Certificate results may apply immediately but will not be called for interview unless their results fulfil the above requirements. The initial training is expected to commence in April, 1964, and will include two years' full-time training at a technical training school followed by one year of practical training.

The commencing salary will be £225 per annum which will rise to £506 (D Scale) after one year if the trainee is successful in passing a technical examination. After three to four years' total training (depending on the ability of the trainee), and subject to the passing of a technical examination, the candidate will be eligible for promotion to Assistant Engineer on C4—3 Scale (£861 rising to £1,173).

Successful candidates will be expected to sign a bond to work for the East African Common Services Organization from the date of commencement of training until a minimum period of three years from completion of training has elapsed.

Holders of a School Certificate must give their results in detail, e.g. English Language—Credit 4, Mathematics—Credit 6, General Science—Credit 4.

Candidates who have attempted the examination but have not yet been informed of the result must quote their examination index number. Failure to complete the application forms correctly and fully may disqualify an application. The address given must be that at which the candidate can be reached without delay.

Air Traffic Control Officer Cadets

Applicants should be African men between the ages of 18 and 25, possessing a Cambridge School Certificate, preferably with credits in Mathematics, English Language and Physics, or Physics with Chemistry or General Science. The training will consist of two years' full-time instruction in Meteorology, Telecommunications, Air Traffic Control procedures and elementary navigation, followed by further instruction "on the job" as Air Traffic Control Assistants or Communicators.

On successfully passing all examinations, cadets will be given more advanced courses in air traffic control. At this stage successful cadets will be given pilot-training and will be required to pass the technical (non-flying) examinations for the commercial pilot's licence. Those candidates who show special ability during pilot-training and who possess a General Certificate of Education with a minimum of five passes (two of them at advanced level) including a pass in English language, Mathematics and a Science subject, or equivalent qualification, may be considered for advanced pilot-training for a career as a pilot. This period of the training will be followed by "on the job" instruction as Aerodrome Control Officers. On completion of this the successful cadets will take the final Air Traffic Control Course.

Candidates accepted for such training would be recruited at a commencing salary of £225 per annum and, on successfully passing an examination at the end of the first year of the course would qualify for entry to the training grade at £506 per annum. On completion of the whole course, successful candidates will qualify as Air Traffic Control Officers, the scale for which is £924 to £1,440 per annum.

Holders of a School Certificate must give their results in detail, e.g. English language—Credit 4, Mathematics—Credit 6, General Science—Credit 4.

Candidates who have attempted the examination but have not yet been informed of the result must quote their examination index number. Failure to complete the application forms correctly and fully may disqualify an application. The address given must be that at which the candidate can be reached without delay.
