Mombasa, September 4th, 1905.

J. WILL
Principal Medical Officer.

MOMBASA. RULES

Issued by His Majesty's Commissioner for the East Africa Protectorate under "Infectious Diseases Ordinance 1903."

1. Any suspicious case of sickness occurring in Mombasa or its vicinity shall at once be reported to the Police or to the Medical Officer of Health.
 2. Any death occurring shall be immediately reported to the Police or to the Medical Officer of Health.
 3. The Police authorities on receipt of information as to cases of sickness or death shall at once notify the Medical Officer of Health.
 4. The persons to make such report of sickness or death shall be the owner or occupier (or their representative) of the house, shop, hotel, lodging house, store etc. in which the case occurs and in the event of the owner or occupier being ill, the duty shall devolve upon a relative, agent, or servant of the owner or occupier. In case of any such sickness occurring in a camp or village the report shall be made by the headman or other person in charge of the camp or village for the time being.
 5. No sick person shall be removed and no corpse shall be disposed of until a certificate permitting such removal or disposal shall have been issued by the Medical Officer of Health or other authorised person.
 6. Any person found guilty of a breach of the above rules shall be liable to a penalty of two hundred rupees or imprisonment not exceeding two months or to both.
- Any penalty imposed for a breach of these rules shall be in addition to and not in substitution for any other penalty to which the offender shall have rendered himself liable, provided that no person shall be punished twice for the same offence.
