GAZETTE NOTICE No. 1225

THE NATIONAL ASSEMBLY ELECTIONS (REGISTRATION OF VOTERS) REGULATIONS, 1964

NOTICE OF REVISION OF REGISTERS OF ELECTORS

NOTICE is hereby given that it is proposed to revise all registers of electors for the purpose of the election of members to:—

- (a) the Senate; and
- (b) the House of Representatives.

ALL PERSONS who are not already registered as electors for the purpose of either or both of these elections, and who wish to be so registered and consider that they are qualified to be so registered, must attend personally before the Registration Officer or the Assistant Registration Officer for the registration unit in which they are qualified to be registered, on or after the 25th day of April 1964 but not later than the 25th day of May 1964 and must then produce to such officer or person a completed application in the prescribed form.

IN ADDITION, a person who is already registered in one registration unit and wishes to be registered in another registration unit may make application to be registered afresh in the new registration unit, but must disclose the fact of his existing registration in the declaration contained in the application form.

A PERSON who wishes to make application outside the registration unit in which he desires to be registered need not attend personally if he completes an application and makes the declaration contained in the application form, and delivers it or sends it by post to the Registration Officer of the registration unit in which he desires to be registered, so that it reaches the Registration Officer not later than the latest closing date for applications in any of the registration units.

THE VARIOUS registration units established for the registration of electors are those set out in the first column of the Schedule to this Notice, and an applicant should attend at the place of registration specified in relation to his registration unit in the second column of that Schedule.

DAYS and times of attendance will be notified at each place of registration. Where a place of registration is closed before the said 25th day of May 1964, a notice will be exhibited thereon saying at what other place of registration applicants may attend.

FORMS of application may be obtained at any place of registration, while it is open.
