GAZETTE NOTICE No. 1153

THE ELECTRIC POWER ACT
(Cap. 314)

Notice of an Application by the East African Power and Lighting Company Limited for the Revocation of Local Generating Licence No. 21, Kitui, dated 4th July 1968, authorizing the generation of electrical energy for the purpose of Distribution Licence No. 27, dated 4th July 1968.

NOTICE is hereby given that The East African Power and Lighting Company Limited, a limited liability company, having its registered office at Electricity House, Kimathi Street, Nairobi, Kenya (hereinafter referred to as "the Applicant"), holder of Generating Licence No. 21 will, on the 25th day of June 1970, pursuant to section 129 of the Electric Power Act, apply to the Minister for Power and Communications or other Minister who for the time being shall be Minister for the purposes of the above-mentioned Act for the revocation of Local Generating Licence No. 21, Kitui, dated 4th July 1968, which licence authorized the generation of electrical energy and the construction of a generating station at Kitui.

1. The reasons for the application are based on the following grounds:—

- (a) An alternative method of supplying Kitui with electricity direct from the Kindaruma Power Station has been devised and completed;
- (b) the cost of energy by the alternative method is lower at Kitui by virtue of the absence of fuel oil surcharge which would otherwise be made;
- (c) the operating cost of the Kitui system will be substantially less and thus the anticipated annual loss on the scheme will be reduced;
- (d) any development of local generation that may be considered at some future time is unlikely to be in the form in which the present licence was advertised and granted and would therefore be the subject of a fresh application at that time.

2. No area save and except the Township of Kitui, and adjacent area in the Eastern Province of the Republic of Kenya and such public or local authorities, companies, persons or bodies of persons within the area will be affected by the grant of the said application.

3. The area and persons mentioned in paragraph 2 hereof will not be affected in any adverse manner as an alternative method of supplying the area and persons therein has been established. It is also the Applicant's opinion that no licensee or consumer in any area of supply will be prejudiced by the granting of this licence.

NOTICE OF OBJECTIONS AND REPRESENTATIONS

Any public or local authority, company, persons or body of persons desirous of making any representation on or objection to the application must do so by letter addressed to the Minister for Power and Communications and marked on the outside of the cover enclosing it "Electric Power Act" on or before the expiration of 60 days from the date of the said application. A copy of such representation or objection must be sent to the Applicant at Electricity House, Kimathi Street, Nairobi.

Dated this 14th day of April 1970.

A. N. NGUGI,
*Secretary,
for and on behalf of
The East African Power and Lighting
Company Limited.*

GAZETTE NOTICE No. 1154

THE TRADE MARKS ACT
(Cap. 506)

NOTICE is hereby given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge notice of opposition on Form T.M. No. 6 (in duplicate) together with a fee of Sh. 50.

Notice is also hereby given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make, if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Offices, Nairobi.

Applications for registration in Part A of the Register are shown with the official number unaccompanied by any letter. Applications for Part B are distinguished by the letter B prefixed to the official number.
