INVESTIGATION REPORT COVERING THE PERIOD 1ST JANUARY, 2017 TO 31ST MARCH, 2017

EACC/FI/INQ/62/2015

Inquiry into Allegations of Irregular Procurement of Audit Vault Software by the Office of the Auditor-General (OAG)

The EACC commenced investigations on receipt of a letter from the Permanent Secretary, Treasury on the alleged irregular procurement of an Audit Vault Software for the OAG at an exorbitant price outside the budget for the Financial Year (FY) 2013/2014.

Investigations revealed that OAG had no approved Procurement Plan for the subject FY 2013/2014. The FY 2012/2013 too had no provision for the subject procurement. The software was however procured in November, 2013. This was done through single sourcing as approved by Auditor-General (AG) and the Executive Committee. Investigations further revealed that the supplier submitted a proposal that was signed by the Deputy AG, Corporate Services before even the Tender Committee approved the use of the direct procurement method; this approval came much later on.

Investigations further established that the award of the tender was done without the involvement of the Evaluation and Tender Committees. There was no notification of award as the Tender Committee made no award. The OAG then proceeded to pay the supplier despite a Senior Manager, Audit raising a number of valid questions about the regularity of such payment. The payment was even made before delivery and installation of the software.

Investigation also showed that the OAG belatedly notified the Public Procurement Oversight Authority about this tender and even misrepresented facts about the subject procurement.

Financial investigations showed that the supplier on receipt of payment for the procurement, paid out some money to a law firm's account which in turn transferred some money to bank accounts in the name of the Deputy AG, Corporate Services and his companies, and some money used to buy his children property.

The investigations established that there were several infractions of the law in the subject procurement and several persons were found to be culpable.

A report was compiled and forwarded to the Director of Public Prosecutions (DPP) on 4th January, 2017 recommending that:

- The Auditor-General (AG) be charged with the offences of abuse of office contrary to section 46 as read with section 48 (1) of the Anti-Corruption and Economic Crimes Act, 2003 (ACECA), engaging in a project without prior planning contrary to section 45 (3), as read with section 48 (1) of the ACECA and wilful failure to comply with the law relating to procurement contrary to section 45 (2) (b) of ACECA.
- The Deputy AG, Corporate Services be charged with the offences of abuse of office contrary to section 46 as read with section 48 (1) of ACECA, dealing with suspect property

contrary to section 47 (1) as read with section 48 (1) of the ACECA and acquisition of proceeds of crime contrary to section 16 (1) (a) of the Proceeds of Crime and Anti-Money Laundering Act (POCAMLA).

- The Deputy AG, Corporate Services and Director of IT be charged with wilful failure to comply with the law relating to procurement contrary to section 41 (2) of ACECA, jointly with Manager IT with the offence of knowingly deceiving principal contrary to section 46 as read with section 48 (1) of ACECA.
- The Sales Executive of the Supplier be charged with the offence of acquisition of proceeds of crime contrary to section 16 (1) (a) of POCAMLA.
- The Deputy AG, Corporate Services and Directors of the Suppliers be charged jointly with conspiracy to commit an economic crime contrary to section 47 A (3) as read with section 48 (1) of the ACECA.

On 3rd February, 2017, the DPP returned the file accepting the recommendation for prosecution save for one suspect against whom he noted that there was insufficient evidence. He further advised that charges be preferred against other suspects namely companies and directors who benefited from the proceeds of the contract.

EACC/NYR/FI/INQ/24/2015

Inquiry into Allegations of Irregular Expenditure of KSh. 6,567,393 by Officers of the County Assembly of Murang'a on a Foreign Trip to South Africa between 11/5/2014 and 19/5/2014

The EACC commenced investigations on receipt of the Auditor General's report that had established that Members of County Assembly (MCAs) of Murang'a had irregularly expended money for a trip to South Africa.

Investigations revealed that the MCAs were paid the per diem and other allowances for the subject travel. That the money spent for this trip was over and above the approved budget for the relevant financial year.

A report was compiled and forwarded to the Director of Public Prosecutions (DPP) on 17th January, 2017 recommending that the MCAs be charged for the offences of abuse of office contrary to section 46 as read with section 48 (1) of ACECA and wilful failure to comply with the law relating to procurement contrary to section 45 (2) (b) of ACECA.

On 31st March, 2017, the DPP declined the recommendation for prosecution and advised that the suspects be surcharged for the allowances irregularly received.

EACC/ISL/EL/INQ. 02/2016

Inquiry into Allegations of Illegal Eviction of Africality from Maralal Safari Lodge by the County Government of Samburu

Investigations revealed that Africality, a non-governmental organization registered in Britain through its registered trustees approached the County Government of Samburu with a view to leasing Maralal Safari Lodge, a facility owned by Samburu County Government. That some officials of the County Government, namely: County Secretary and County Executive Committee Member for Tourism allowed the trustees to run the facility pending a formal agreement. Investigations revealed that this matter was referred to the County Assembly for deliberation and the Assembly resolved to nullify the said lease of the Lodge to the Africality and directed Africality to vacate the facility.

Investigations further revealed that the said County Officials failed to follow the applicable procurement laws in leasing out the said County Government facility.

A report was compiled and forwarded to the DPP on 17th January, 2017 recommending that the two County Government officials be charged with offences of abuse of office contrary to section 46 as read with section 48 (1) of ACECA and wilful failure to comply with the procedures relating to tendering of contracts contrary to section 45 (2) (b) as read with section 48 (1) of ACECA.

On 4th April, 2017, the DPP accepted the recommendation for prosecution.

CR. 148/28/2016 CF. ACC. 19/2016

Inquiry into Allegations that a Clerk at the Nairobi City County Government Solicited for and Received a Benefit from a Businessman in order to issue him with a Business Permit

Investigations revealed that the suspect, an employee of Nairobi City County Government working in the Trade Licensing Unit, solicited from the Complainant for a benefit of KSh. 3,000 which he later on reduced to KSh. 2,500 as an inducement so as to facilitate issuance of a proper permit. Investigations further established that the suspect finally received the bribe of KSh. 2,500 upon which he was arrested and the bribe money recovered.

A report was compiled and forwarded to the DPP on 9th January, 2017 recommending that the two counts of corruptly soliciting for a benefit and one count of corruptly receiving a benefit, each contrary to section 39 (3) (a) as read with section 48 (1) of the Anti-Corruption and Economic Crimes Act, 2003 already filed in court against the suspect be prosecuted to logical conclusion.

On 24th January, 2017, the DPP accepted the recommendation for prosecution.

EACC/FI/INQ/17/2015

Inquiry into Allegations of Irregular Procurement and Installation of Sports Equipment in Siaya County

Investigation established that the Siaya County Government in the Financial Year (FY) 2012/2013 initiated procurement for sports equipment for the benefit of all the thirty wards in the County. There was requisite allocation of KSh. 15 million in that FY approved budget. The investigations further revealed that the County Government applied the request for quotation method of procurement which was not allowable within the thresholds in the First Schedule of the Public Procurement and Disposal Regulations, 2006; that the County Government did not constitute the relevant evaluation and tender committees for the procurement process. The award of tender was purportedly made by a fictitious committee.

The investigations established that the Secretary to the Tender Committee signed minutes of meetings purportedly of genuine Tender Committee proceedings, the Director of Supply Chain Management signed the contract resulting from the fictitious tender award and the Interim County Secretary also countersigned the impugned contract and issued the notification of award.

A report was compiled and forwarded to the DPP on 26th January, 2017 recommending that the Secretary to the Tender Committee and the Director of Supply Chain Management be charged with wilful failure to comply with the law relating to procurement; the County Secretary and the Director of Supply Chain Management be charged with abuse of office contrary to section 46 as read with section 48 (1) of ACECA; the County Secretary and the Director of Supply Chain Management be charged with conspiracy contrary to section 47A as read with section 48 (1) of ACECA; and the Interim County Tender Committee Secretary be charged with forgery contrary to section 347(a) as read with section 48 (1) of ACECA.

On 24th March, 2017, the DPP accepted the recommendation for prosecution.

EACC/FI/INQ/070/2014

Inquiry into Allegations of Procurement Irregularities in the Purchase of GDC Land Rigs Tender, two Incidents of Financial Improprieties and Gross Staff Mismanagement at the Geothermal Development Company (GDC)

Investigations revealed that the alleged irregularities regarding procurement in respect of installation of power plants and single sourcing an extra rig; financial impropriety on the part of the Managing Director; and irregular recruitment and promotion of employees, did not exist. The said procurement processes were carried out within the law, there was no evidence of financial impropriety and that recruitments and promotion at GDC were done as per laid down procedures, and that personnel at the Institution were employed based on academic qualifications and experience in the relevant field.

A report was compiled and forwarded to the DPP on 26th January, 2017 recommending that the file be closed as the evidence available did not support any wrongdoing on that part the officials of GDC.

On 24th March, 2017, the DPP returned the file for further investigations.

KACC/INQ/54/2003

Inquiry into Allegations of Irregular Procurement of Tender Contract No. CT/1/2003-2004 for Insurance Services for City Council of Nairobi

Investigations revealed that the then City Council of Nairobi set out to procure insurance services for the financial year 2003/2004. That mid-way the process, there was a Presidential directive suspending all procurement processes for supply of goods and services to public bodies, including the Council. This effectively halted the finalization of the subject procurement.

Investigations established that the said financial year was about to come to an end and therefore with no provision of insurance covers in place the Council property would be exposed to unforeseen risks. The then Minister for Local Authorities effectively authorized the Council to award the tender to the insurance company that was on board then to continue providing the insurance services.

Investigation further established this decision was challenged at the then Public Procurement Complaints, Review and Appeals Board. The Board affirmed the decision of the said Minister, as the Council property would be exposed to risk without any insurance cover.

A report was compiled and forwarded to the DPP on 26th January, 2017 recommending that the file be closed with no further action.

On 29th March, 2017, the DPP accepted the recommendation for closure.

EACC/EL/INQ/18/2015

Inquiry into Allegations of Providing false Information to EACC in the Self Declaration Form Submitted to EACC by the Executive Committee Member in Charge of Tourism, Forestry, Environment and Natural Resources, Bungoma County Government

Investigations revealed that the said Executive Committee Member (the suspect) submitted a self-declaration form to EACC as she sought clearance to be appointed by the County Government of Bungoma. The suspect indicated in the said form that she had completed a degree course at the University of Nairobi. The investigations established that the suspect despite having registered at the said university for a degree course, she never completed her studies and therefore was never awarded with any degree certificate. Further the Advocate said to have commissioned the self-declaration form denied having done so.

Investigations revealed that the suspect used this forged form to secure the said employment with the Bungoma County Government.

A report was compiled and forwarded to the DPP on 27th February, 2017, recommending the suspect be charged with offences of providing false information to EACC contrary to section 46 (1) as read with section 46 (2) of the Leadership and Integrity Act and in the alternative the offence of deceiving EACC contrary to section 46 (1) as read with section 46 (2) of the Leadership and Integrity Act; making a false statutory declaration contrary to section 11 of the Oaths and Statutory Declarations Act; making a document without authority contrary to section 347 (a) of the Penal Code and uttering a document without authority contrary to section 353 of the Penal Code. A further recommendation was made for the removal of the suspect from the said public office for breach of Chapter Six of the Constitution of Kenya, 2010.

On 24th March, 2017, the DPP accepted the recommendation for prosecution.

EACC/FI/INQ/94/2015

Inquiry into Allegation of Fraudulent Transfer of a Private Land to the Suspect from the alleged Registered Owners, one of whom is Deceased

Investigations revealed that the suspect filed a civil suit in the High Court of Kenya praying to be declared the rightful owner of the subject property of fraud. That the suspect then, based on those proceedings, forged a vesting order, purporting to have been properly issued by the Court. The suspect thereafter registered the said forged vesting order at the Lands office and was issued with the provisional title for the land.

Investigations further revealed that the suspect using that title, fraudulently sold the said land to an unsuspecting buyer for KSh. 3.65 million.

A report was compiled and forwarded to the DPP on 2nd May, 2017 recommending that this matter be referred to the Directorate of

Criminal Investigations (DCI) for their necessary action. This is because the investigations disclosed offenses that are within DCI's mandate, namely, obtaining by false pretenses contrary to section 313 of the Penal Code, uttering false documents contrary to section 353 of the Penal Code and making a false document contrary to section 347 (a) of the Penal Code.

On 6th April, 2017, the Director of Public Prosecutions accepted the recommendation that the file be referred to DCI for further necessary action.

EACC/GSA/FI/07/20142016

Inquiry into Allegations of theft of Relief Food by Deputy Commissioner of Bura-Sub-County and his Clerk

Investigations established that the Ministry of Devolution and Planning supplied relief food to Bura Sub-County for the benefit of the most vulnerable persons. The Deputy Commissioner of the Bura Sub-County was the one to oversee the distribution of the said relief food. Investigation revealed that the Deputy Commissioner and his clerk however in the course of the said distribution failed to properly account for that exercise and the Clerk even forged some accounting documents, including a Relief Food Letter (permit) purportedly in support of the subject distribution exercise.

A report was compiled and forwarded to the DPP on 26th January, 2017, recommending that the Deputy Commissioner of the Bura Sub-County be charged with two counts of neglect of official duties contrary to section 128 as read with section 36 of the Penal Code; the Clerk be charged with a count of neglect of official duties contrary to section 128 as read with section 36 of the Penal Code and four counts forgery contrary to section 347 (a) as read with section 347 (d) (i) of the Penal Code.

On 27th March, 2017, the DPP accepted the recommendation for prosecution.

EACC/KIS/EL/INQ/1/2016

Inquiry into Allegations of Unethical Conduct by a Member of Kisii County Assembly (MCA) for Basi Bogetaoria Ward who Assaulted, Insulted and Harassed a Nursing Officer at a Health Centre

Investigations revealed that the MCA took a patient to the Health Centre for medical attention. That the suspect found the complainant, a nursing officer, whom he physically and verbally abused on the grounds that she was slow in attending to the patient.

Investigations further revealed that the MCA was later on charged for causing grievous harm contrary to section 234 of the Penal Code and the criminal proceedings are still ongoing. Investigations established the conduct on the part of the MCA was in breach of Chapter Six of the Constitution of Kenya, 2010.

A report was compiled and forwarded to the DPP on 30th March, 2017 recommending that, in addition to the criminal proceedings against the MCA, the County Assembly should institute disciplinary proceedings against the MCA as envisaged under section 42 (9) of Leadership and Integrity Act.

On 6th April, 2017, the Director of Public Prosecutions accepted the recommendation for administrative action.

EACC/KSM/FI/INQ/27/2015
