6.0 Challenges experienced by the board in the year 2015

The year 2015 has been quite challenging for the Board. Two Board members resigned to take up other responsibilities with their parent employers. This affected Board meetings and activities as the remaining Board members were left to handle the assignments left by the two.

Board facilitation, especially members serving on part time was also greatly affected. The budget allocated to the Board was so small that Board operations almost became difficult. The Board could not pay sitting allowances for members serving on part time, nor attend national Board meetings and trainings.

Pending bills also accumulated, especially for consumable materials for day to day operations of the Board.

7.0 Conclusion

The Board is committed to building the public service of the county and ultimately have a diverse, effective and strong workforce that will serve the interest of the county. With the support of stakeholders and goodwill, the Board will achieve most of its strategic objectives.
