KENYA PROCLAMATIONS, RULES AND REGULATIONS

The definition of "European officer" in section 2 of the Principal Ordinance which it is proposed to amend :—

"European officer" means any officer both of whose parents were of European descent, but includes also any other officer appointed under the conditions of service ordinarily applicable to Europeans. In case of any question or dispute arising as to whether an officer is to be regarded as an European officer for the purpose of this Ordinance or of any regulations made hereunder the decision of the Governor shall be final;

Colony and Protectorate of Kenya

GOVERNMENT NOTICE No. 1

His Excellency the Governor in Council has approved of the following Bill being introduced into the Legislative Council.

J. F. G. TROUGHTON,
Acting Clerk of the Legislative Council.

A Bill to Amend the European Officers' Pensions Ordinance, 1927.

BE IT ENACTED by the Governor of the Colony of Kenya, with the advice and consent of the Legislative Council thereof, as follows :—

1. This Ordinance may be cited as the European Officers' Pensions (Amendment) Ordinance, 1935, and shall be read as one with the European Officers' Pensions Ordinance, 1927, hereinafter referred to as the Principal Ordinance.

Short title.

2. The definition of "European officer" which appears in section 2 of the Principal Ordinance is hereby amended—

Amendment of section 2 of the Principal Ordinance.

(a) by the substitution of the word "and" for the word "but" which occurs in the second line of the definition;

(b) by the substitution of a comma for the full stop which occurs immediately after the word "Europeans" in the fourth line of the definition and

(c) by the insertion between the word "Europeans" and the word "In" which occur in the fourth line of the definition of the following words—

"but does not include any officer appointed under the conditions of service ordinarily applicable to Asiatics."

OBJECTS AND REASONS.

The object of this Bill is to make it clear that an officer serving under Asiatic terms of service is not a European officer within the meaning of the European Officers' Pensions Ordinance, 1927.

No additional expenditure of public moneys will be involved if the provisions of this Bill become law.

The definition of "non-European" in section 2 of the Principal Ordinance which it is proposed to amend :—

"non-European officer" means any officer who is not within the meaning of the definition of European officer in the European Officers' Pensions Ordinance, 1927, but excludes a native of Africa unless appointed under the conditions of service ordinarily applicable to Asiatics, and also excludes Arabs unless appointed under the conditions of service ordinarily applicable to Asiatics. In case of any question or dispute arising as to whether an officer is to be regarded as a non-European officer for the purpose of this Ordinance or of any regulations made hereunder the decision of the Governor shall be final;

GOVERNMENT NOTICE NO. 2

His Excellency the Governor in Council has approved of the following Bill being introduced into the Legislative Council.

J. F. G. TROUGHTON,
Acting Clerk of the Legislative Council.

A Bill to Amend the Non-European Officers' Pensions Ordinance, 1932.

BE IT ENACTED by the Governor of the Colony of Kenya, with the advice and consent of the Legislative Council thereof, as follows :—

1. This Ordinance may be cited as the Non-European Officers' Pensions (Amendment) Ordinance, 1935, and shall be read as one with the Non-European Officers' Pensions Ordinance, 1932, hereinafter referred to as the Principal Ordinance.

Short title

No. 53 of 1932.

2. The definition of "non-European officer" which appears in section 2 of the Principal Ordinance is hereby amended by the deletion of the words—

Amendment of section 2 of the Principal Ordinance.

"but excludes a native of Africa unless appointed under the conditions of service ordinarily applicable to Asiatics, and also excludes Arabs unless appointed under the conditions of service ordinarily applicable to Asiatics"

and by the substitution therefor of the words—

"and who is appointed under the conditions of service ordinarily applicable to Asiatics."

OBJECTS AND REASONS.

Under the law as it stands it would be possible for a person serving under Asiatic terms of service to claim to be treated for pension purposes under the European Officers' Pensions Ordinance, 1927. This is not the intention, and this Bill is designed to remove any doubts on the question.

No additional expenditure of public moneys will be involved if the provisions of this Bill become law.
