GAZETTE NOTICE No. 2754

THE INDUSTRIAL COURT

CAUSE No. 44 OF 1976

Parties:—

Amalgamated Union of Kenya Metal Workers
and
Joginder's Auto Service Ltd.

Issues in dispute:—

1. Minimum wage of Sh. 400 p.m.
 2. Wage increase to all those unionizable employees who are earning above Sh. 400 p.m.
 3. Effective date.
 4. Duration of the agreement.
1. The Amalgamated Union of Kenya Metal Workers shall hereinafter be referred to as the Claimants and Joginder's Auto Service Ltd. shall hereinafter be referred to as the Respondents.
2. The parties were heard in Nairobi on the 28th day of July, 1976 and relied on their written and verbal submissions.

AWARD

3. The Notification of Dispute Form "A" dated 25th February, 1976 duly signed by the parties was received by the Court on 9th June along with the statutory certificate signed by the Labour Commissioner.

The parties had entered into a recognition and collective agreement dated 10th September, 1974 wherein it was agreed that all the unionizable employees shall get increase of 25 per cent wage increase on their basic salaries effective from 1st September, 1974 and that the basic minimum wage shall be Sh. 300 p.m. for all artisans.

The whole agreement is effective from 1st September, 1974 and except wages for which there was a duration period of 12 months, it continues in force until amended by mutual agreement by both parties.

On 28th May, 1975 the Claimants forwarded a wage demand to the Respondents as follows:—

1. A minimum wage of Sh. 400 p.m.
2. 20 per cent flat increase to all unionizable employees who are earning more than Sh. 400 p.m.
3. Effective date be 1st January, 1975 and to remain in force for 12 months.

They followed this up by reporting a trade dispute to the Minister for Labour on 2nd July, 1975. This resulted in conciliation proceedings by the Minister for Labour.

On 23rd February, 1976, the parties recorded their respective positions at conciliation and decided to forward the matter to the Industrial Court for adjudication.

The Court was told that after conciliation had ended in a deadlock the Federation of Kenya Employers representative, the Conciliator and Mr. J. N. Adoyo who represented the Claimants had a further meeting in a motor-car when they went for a drive as a result of which Mr. Adoyo had proposed that the Claimants would accept two year contract with general increases of Sh. 50 p.m. with effect from 1st September, 1975 and a similar increase with effect from 1st September, 1976.

The Claimants disowned such a proposal and during the hearing increased their original demand to Sh. 450 basic minimum wage and an overall increase of Sh. 100 p.m. to all those unionizable employees who are earning over and above the basic minimum wage to be effective from 1st January, 1976.

The Claimants have based their demand on the increase in the cost of living and their assertion that the Respondents enjoyed a booming business in their repair of Mercedes Benz motor-cars in direct competition with D.T. Dobie & Co. Ltd.

The Respondents maintained that they were a small family business and that from August 1974 to June 1976 they had given their employees wage increases ranging from approximately 25 per cent to 38 per cent.

The Court notes that at a conciliation meeting between the parties held on 3rd February, 1976 their respective position on the issues in dispute was as follows—

"Minimum wage

Union: First proposed Sh. 400 p.m.
Final proposal Sh. 375 p.m.

Management: First proposed Sh. 300 p.m.
Final proposal Sh. 325 p.m.

Wage increases

Union: Less than Sh. 700 15%
From Sh. 700 onwards 10%

Management: 5% flat

Result: Deadlock

Effective date

Union: 1-1-75

Management: The date an agreement will be signed.

Duration

Union: Twelve months from 1-1-75

Management: 24 months from the date agreement is signed."

The Employment Promotion Division report reveals that since the effective date of the aforesaid collective agreement the wage earners cost of living index had gone up by 30.2 per cent up to June 1976. Under the Guidelines this forms the maximum ceiling for price compensation subject to the requirements of the Guideline (iv).

The E.P.D. further states that in accordance with Guideline (iv) (a) which states that overall wage increases should average about two-thirds of the cost of living would in this case amount to 20.1 per cent to be applicable to the relevant groups.

The parties have agreed that every employee who is not provided with free housing accommodation by the employer shall be entitled to a housing allowance equivalent to the Government statutory minimum housing allowance. The Court was told that no housing is provided by the Respondents and they pay the workers a monthly house allowance of Sh. 45.

After careful consideration of all the submissions and taking into account the Guidelines which have been issued by the Minister for Finance to the Industrial Court the Court makes the following award—

1. Minimum wage of Sh. 400 p.m.

The Court awards a basic minimum wage of Sh. 375 p.m. in addition to which the workers are entitled to a house allowance of Sh. 45 p.m. making a total of Sh. 420 p.m.

2. Wages increase to all those unionizable employees who are earning above Sh. 400 p.m.

The Court awards that all the unionizable employees who are earning above the aforesaid minimum shall get an increase of 10 per cent for the first year on the consolidated rates and 12 per cent on the resultant wage for the second year provided that those employees whose wages are brought up to the new basic minimum shall not get an increase of less than 10 per cent for the first year.

3. and 4. Effective date and duration of the agreement

The Court awards that the effective date shall be 1st April, 1976 and the duration period of the agreement shall be two years from that date.

Given in Nairobi this 31st day of August, 1976.

Judge.

GAZETTE NOTICE No. 2756

THE TRADE MARKS ACT

(Cap. 506)

NOTICE is hereby given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge notice of opposition on Form T.M. No. 6 (in duplicate) together with a fee of Sh. 50.

Notice is also hereby given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Office, Nairobi.
