## EXECUTIVE ORDER NO. 1 OF 2024

WHEREAS, the Constitution Kenya in Chapter eleven outlines as fundamental objects of Devolution in Article 174 (c) assigning of powers of self-governance to the people and enhancing the participation of the people in the exercise of the powers of the State and in making decisions affecting them; and in (d) recognizing the right of communities to manage their own affairs and to further their development;

WHEREAS, additionally, the Constitution of Kenya, 2010 Chapter One Article 1 (1) provides that all sovereign power belongs to the people of Kenya and shall be exercised only in accordance with this Constitution, and Article 1 (2) notes that the people may exercise

their sovereign power either directly or through their democratically elected representatives;

WHEREAS, the Fourth Schedule of the Constitution of Kenya, 2010 at Part 2 outlines the functions and powers of County Governments;

WHEREAS, under Article 179 of the Constitution of Kenya 2010, the County Governor exercises Executive Authority;

WHEREAS, under Part 2 of the Fourth Schedule at section 7 of the Constitution of Kenya, 2010, County Governments exercise the function and power to regulate trade licensing;

WHEREAS, pursuant to section 13 of the Fourth Schedule at Part 2, it is the responsibility of the County Government to control drugs and substance abuse;

WHEREAS, as the duly elected Governor of the County of Mombasa having considered public sentiment and the greater public good through continuous and widespread public participation;

WHEREAS I have consulted the National Authority for the Campaign Against Drug Abuse (NACADA) which is empowered *vide* section 5 (g) of the National Authority for the Campaign Against Alcohol and Drug Abuse Act (Revised), 2012 to co-ordinate and facilitate, in collaboration with other lead agencies and non-State actors, the formulation of national policies, laws and plans of action on control of alcohol and drug abuse and facilitate their implementation, enforcement, continuous review, monitoring, and evaluation;

WHEREAS, the County Government of Mombasa is alive to its constitutional responsibility to promote the right to health of the people and instill health consciousness among them;

WHEREAS, scientific evidence has unequivocally established that *muguka* consumption causes mental health disease and disability, leads to devastating health, social, economic, and environmental consequences, and places burdens on minors, families, the poor, and County health systems;

WHEREAS, all the above takes precedence over any commercial or business interest;

NOW, THEREFORE, I, Abdullswamad Sherrif Nassir, Governor, Mombasa County, by the Authority vested in me by the Constitution and existing laws, do hereby order and direct:

- (i) THAT, there be a total prohibition on the entry, transportation, distribution, sale and use of *muguka* and its products within Mombasa County.
- (ii) THAT, all outlets, whether in the form of retail or wholesale, selling and/or distributing *muguka* within Mombasa County be closed immediately and/or stop the sale of *Muguka* and its products.
- (iii) THAT, motor vehicles transporting *muguka* shall not be allowed entry into Mombasa County.
- (iv) THAT, the County Departments are directed to enforce this order without exception.

Dated the 22nd May, 2024.

#### *Application*

These Regulations shall be applicable to the importation, exportation, generation, transmission, distribution and retail supply of electrical energy including grid connected and off grid systems.

### **PART II: RELIABILITY AND QUALITY OF SUPPLY PERFORMANCE STANDARDS**

#### *Guaranteed Performance Standards*

(i) A Licensee and/or System Operator shall meet the Guaranteed Performance Standards set out in the Grid Code or as prescribed by the Authority.

(ii) A Licensee who fails to meet Guaranteed Performance Standards commits an offence and shall be liable to the penalties set out under these Regulations.

(iii) A Licensee and/or System Operator is exempted from the application of sub regulation (1) if the cause of poor performance is directly due to Force Majeure or third-party interference, provided that the Licensee has used reasonable efforts to comply with the Guaranteed Performance Standards.

### **PART III: QUALITY OF SERVICE STANDARDS FOR DISTRIBUTION/RETAIL SUPPLY LICENSEES**

#### *Customer Service Charter and Supply Contract*

(i) A Licensee shall develop and submit a Customer Service Charter and a Supply Contract to the Authority for approval at least once every three years.

(ii) The Supply Contract in sub regulation (1) shall be in the form set out in the First Schedule.

(iii) A Customer Service Charter submitted to the Authority shall, at a minimum, contain the information requirements set out in Second Schedule

(iv) The timelines proposed in the Customer Service Charter shall not exceed timelines set out in the Second Schedule.

(v) The Authority shall review the Customer Service Charter and communicate its decision in writing to the distribution or retail licensee within sixty (60) days.

(vi) Where a distribution or retail supply licensee fails to submit a Customer Service Charter as provided in sub regulation (1), the Authority shall prescribe a Customer Service Charter within sixty (60) days to be adhered to by the Licensee.

(vii) A distribution or retail supply licensee shall publish its Customer Service Charter and display the same in areas that are accessible to its Customers.

(viii) A Licensee who fails to adhere to the Customer Service Charter requirements commits an offence and shall be liable to the penalty set out under Regulation 18.

(ix) A Licensee who fails to publish and display the Customer Service Charter in its website or their commercial offices commits an offence and shall be liable to the penalty set out under Regulation 18.

#### *Interruption of Supply*

(i) A Distribution or Retail Supply Licensee may disconnect supply of electricity to a Consumer, in line with the Grid Code, where;

(a) the Consumer fails to pay the bills for the electrical energy consumed for more than the period specified in the Supply Contract or for more than thirty (30) days or, from the date of demand for payment of undisputed bills.

(b) the Consumer fails or neglects to make good any defects in his installation; provided that those defects and the period within which such defects are to be rectified, have been communicated to the consumer in writing;

(c) the Consumer fails to carry out periodic testing within the stipulated timelines;

(d) the Consumer uses or permits to be used such supply for any purpose other than the one indicated in the Supply Contract or in a manner that endangers public safety;

(e) the Consumer denies the Licensee's authorised officer access to the Electric Supply Lines or any meters on the premises under the control of the Consumer following the Licensee's issuance of a not less than forty-eight (48) hour notice for access;

(f) the premises or part thereof is the subject of an order for demolition made at the instance of a Public or County;

(g) the supply of electrical energy is prohibited by law to such premises or part thereof;

(h) in compliance to an order issued by the Authority;

(i) a Consumer requests for disconnection of supply.

(j) The connection is illegal.

(ii) A Distribution or Retail Supply Licensee may interrupt electricity supply to a Consumer for the purpose of carrying out planned maintenance, including repair and installation of new equipment.

(iii) A Distribution or Retail Supply Licensee shall notify a Consumer(s) of any planned interruption of supply at least forty-eight (48) hours before the time of commencement of the planned interruption.

(iv) The notification of planned interruption in sub-regulation (3) shall be through short message service (SMS) and print media.

(v) In addition to the communication channels in sub-regulation (4), a Distribution or Retail Supply Licensee may use any of the following: consumer registered electronic mail, public notice, radio broadcast, Distribution or Retail Supply Licensee's website and social media, and any other appropriate information technology system.

#### *Emergency Discontinuation of Supply*

(i) A Distribution or Retail Supply Licensee may, in an emergency situation, disconnect or interrupt supply to a Consumer without notice.

(ii) The Licensee shall notify the Consumer through electronic mail, SMS, website and social media or any other appropriate information technology system within two (2) hours after such disconnection, the nature of the emergency and the estimated restoration time.

(iii) An emergency situation under sub regulation (1) may include but is not limited to threats to safety of a person(s), hazard to equipment or threat to power system security.

(iv) A Distribution and Retail Supply Licensee shall submit to the Authority:

- (a) by electronic mail information with preliminary analysis of the incident within eight (8) hours from the beginning of the emergency.
- (b) within five (5) business days after the end of an emergency interruption that affects a significant portion of its undertaking, a detailed report of the event, its consequences and any remedial action to be taken to avoid or mitigate a similar incident in the future.

(v) A Licensee who fails to comply with sub regulation (2) and (4) commits an offence and shall be liable to the penalties set out under Regulation 18.

#### *Reconnection of Supply*

(i) Where a Distribution or Retail Supply Licensee disconnects service to a Consumer for non-payment, the Licensee shall reconnect the service of the Consumer within twenty-four (24) hours of payment of;

- (a) the full amount owed or execution of a payment agreement;
- (b) reconnection charges; and
- (c) any other lawful charges related to the service

(ii) Subject to sub regulation (1), service disconnected by a Licensee shall be restored as follows—

- (a) where the service was disconnected due to violation of any regulation by the Consumer, the Consumer shall be reconnected within twenty-four (24) hours from the time the Licensee receives evidence that the violation has been remedied; or
- (b) where the supply is disconnected due to planned outage the supply shall be restored within twelve (12) hours from the time of interruption; or
- (c) where the supply is interrupted under sub regulation 8(2) the Licensee shall reconnect the service within twenty-four (24) hours of the defect being remedied and confirmatory tests carried out; or
- (d) where the supply is disconnected due to an unplanned outage caused by a minor fault, the supply shall be restored within twelve (12) hours for urban areas and twenty-four (24) hours for rural areas from the time of interruption; or

- (e) where the supply is disconnected due to an unplanned outage caused by a major fault that would require capital intensive equipment replacement, the supply shall be restored within one hundred and twenty (120) hours for urban areas and two hundred and forty (240) hours for rural areas from the time of interruption.

#### *Disputes on Electricity Bills*

(i) Disputes on electricity bills between a Licensee and a Consumer may be resolved amicably between the licensee and the consumer within a reasonable time.

(ii) Where a dispute is not resolved under sub-section (1), disputes on electricity bills between a Licensee and a Consumer may be referred to the Authority, which shall determine the matter within sixty (60) days from the date the matter is referred to the Authority.

(iii) Where a dispute on electricity bills between a Licensee and a Consumer has been referred to the Authority for determination, the Consumer shall remain connected until the dispute is determined.

(iv) The Consumer shall pay any undisputed portion of the electricity bill pending final determination of the matter by the Authority.

#### *Provision of Information to Consumers by the Licensee*

(i) A Distribution or Retail Supply Licensee shall provide the information and carry out the following activities -

- (a) maintain a current set of maps showing the physical locations of its service centres;
  - (b) notify Consumers affected by a change in Tariff or schedule classification;
  - (c) post a notice in a visible place in its business offices where applications for service are received, informing the public that copies of the Tariff schedules and rules relating to the service of the Distribution Licensee as filed with the Authority are available for inspection;
  - (d) inform its Consumers as to the method of reading meters;
  - (e) provide a telephone service that operates twenty-four (24) hours a day, seven days a week, to receive notice of, and give information concerning service interruptions, complaints and queries. A Licensee shall undertake to answer all telephone calls and attend all emergencies within timelines as prescribed in the approved Customer Service Charter;
  - (f) provide Consumers with a Customer Service Charter in the form set out in Second Schedule to share information on the services provided to the Consumer.
- (ii) A Distribution or Retail Supply Licensee shall on request, provide a Consumer with information on: -
- (a) meter readings for electricity supply to the Consumer's premises;
  - (b) bill or payment history; and
  - (c) load profiles and power factors, where applicable.

#### *Handling of Complaints by the Licensee*

- (i) A Distribution or Retail Supply Licensee shall:
  - (a) develop procedures, to be approved by the Authority, for handling complaints relating to electricity reliability, quality of supply, billing and quality of service;
  - (b) maintain a record of information about the identity of the complainant, contact details, type of malfunction or complaint and the location of the Consumer premises. In case of interruptions, the licensee shall provide information on the outage time and the time taken to reconnect the complainant, and all such matters established in the Grid Code; and
  - (c) whenever requested to do so by the Authority, review the complaint resolution procedures with a view to effect improvements.

(ii) A Distribution or Retail Supply Licence shall within forty-eight (48) hours from receipt of a complaint, investigate the matter and advise the complainant in writing either through SMS, electronic mail or letter on the findings of the investigation.

(iii) For the purposes of sub-regulation (2), the Licensee shall resolve the Consumer's complaint in accordance with its complaints handling and dispute resolution procedures to the extent that the Licensee's procedures are not inconsistent with these regulations or the Act—

- (a) technical complaints within seven (7) working days; and
- (b) non-technical complaints within thirty (30) working days.

#### PART IV: QUALITY OF SERVICE STANDARDS FOR SYSTEM OPERATOR, GENERATION AND TRANSMISSION LICENSEES

##### *Quality of Service Standards for System Operator*

(i) A System Operator shall develop and submit a Service Level Agreement, and Dispatch and Operations Guidelines to the Authority for approval.

(ii) The Service Level Agreement shall be submitted to the Authority within thirty (30) days of the start of the System Operator's financial year. It shall include:

- (a) outage management;
- (b) demand and generation forecasting;
- (c) system availability; and
- (d) contingency management.

(iii) The Dispatch and Operations Guidelines shall be submitted to the Authority within thirty (30) days of the start of the System Operator's financial year. It shall include:

- (a) backup procedures;
- (b) management of system imbalances;
- (c) economic dispatch;
- (d) grid stability and reliability;
- (e) emergency response and contingency planning;
- (f) communication and coordination procedures among stakeholders; and
- (g) compliance with the procedures and regulations in the Grid Code.

(iv) A System Operator who fails to submit to the Authority a Service Level Agreement, and Dispatch and Operations Guidelines commits an offence and shall be liable to the penalties set out under Regulation 18.

##### *Quality of Service Standards for Generation and Transmission Licensees*

(i) A generation or transmission Licensee shall conduct its undertaking in a manner that complies with the Grid Code, their Power Purchase Agreement, conditions in their generation or transmission licence, network service contract and any other applicable laws and standards.

(ii) A generation or transmission Licensee shall submit a schedule of planned outages to the System Operator as per provisions of the Grid Code.

(iii) A generation or transmission Licensee shall notify the Authority in writing of any unplanned interruption affecting a generating unit or transformer exceeding 20 MVA, substation or transmission line not later than forty-eight (48) hours after their occurrence.

(iv) A generation or transmission Licensee who fails to submit to the System Operator planned outages schedule commits an offence and shall be liable to the penalties set out under Regulation 18.

(v) A generation or transmission Licensee who fails to notify the Authority and the System Operator of any unplanned interruption within the timelines prescribed under these Regulations commits an offence and shall be liable to the penalties set out under Regulation 18.

#### PART V: DATA AND REPORTING REQUIREMENTS

##### *Provision of Information to the Authority*

(i) A Licensee shall collect, analyse and maintain such data, information and statistics relating to its undertaking to enable it monitor and report to the Authority on the reliability and quality of supply as well as quality of service.

(ii) Data and information collected by a licensee shall be kept for a period of at least seven (7) years.

(iii) A Licensee shall provide reports to the Authority on their performance with the information and timelines as set out in the Second Schedule.

(iv) A Licensee shall establish methods and measurement systems and submit annually to the Authority for approval.

(v) The Authority may request, notwithstanding sub regulation (2), the Licensee to furnish it with any information relating to their operations under their Licence.

(vi) A Licensee shall provide the System Operator and/or other Licensees with such information as may be reasonably required to ensure secure and efficient operation, coordinated development and inter-operability of the electricity network.

##### *Reporting Obligations*

(i) The System Operator shall consolidate planned outages of generators and transmission systems and report annually to the Authority in the form and manner prescribed in the Third Schedule.

(ii) A Distribution or Retail Supply Licensee shall report monthly and annually to the Authority on the reliability and quality of supply as well as the quality-of-service performance indicators prescribed in the Fourth Schedule. The report shall be as per the format prescribed in the Third Schedule.

(iii) A Distribution Licensee shall submit to the Authority biannual reports on Consumer Complaints.

(iv) A Distribution Licensee shall submit to the Authority biannual reports on Distribution Energy Losses with aggregated information on losses in the format and manner prescribed by the Authority.

(v) A Distribution Licensee shall undertake Distribution System studies at least once every three (3) years to determine the technical and non-technical losses, adherence to Guaranteed Performance Standards and any other relevant studies that may be prescribed by the Authority.

(vi) The Generation Licensee shall provide the Authority and/or System Operator with monthly and annual performance indicators for each Generating Plant in the format and manner prescribed by the Authority and/or the System Operator.

(vii) The Transmission Licensee shall provide the Authority and/or System Operator with monthly and annual performance indicators for its Transmission network in the format and manner prescribed by the Authority and/or the System Operator.

(viii) The Transmission Licensee shall submit to the Authority biannual reports on Transmission Energy Losses with aggregated information on losses in the format and manner prescribed by the Authority.

#### PART VI: COMPLIANCE MONITORING AND ENFORCEMENT ACTIONS

##### *Monitoring of Compliance and Data Audit by the Authority*

(i) The Authority may audit the reliability and quality of supply, quality of service data and information maintained by a Licensee. The Authority shall give seven (7) days written notice to the Licensee prior to the planned audit.

(ii) A Licensee shall give officers of the Authority or its agents access to the Licensee's undertakings for the purposes of conducting data audit or inspections for ascertaining if the provisions of these Regulations and the Act are complied with.

(iii) Any Licensee who, without reasonable cause, resists, hinders or obstructs the Authority or the Authority's agent from carrying out an audit or inspection shall be liable to a penalty.

*Offences and Penalties*

(i) A person who fails to submit the monthly report by the 14th day of the subsequent month commits an offence and shall be liable to a fine of KSh. 30,000/-.

(ii) A person who fails to submit the biannual report by the 20th day of the subsequent month commits an offence and shall be liable to a fine of KSh. 50,000/-.

(iii) A person who fails to submit an annual report within 120 days after the end of the financial year commits an offence and shall be liable to a fine of KSh. 100,000/-.

(iv) A System Operator who fails to submit to the Authority a Service Level Agreement and Dispatch Operations Guidelines commits an offence and is liable to a fine of KSh. 100,000.

(v) A generation licensee who fails to submit to the System Operator a 52-weeks-ahead outage plan per generating plant showing planned outages schedule by the 31st December of each year commits an offence and is liable to a fine of KSh. 100,000 per month for each of the months that the breach continues.

(vi) A person who delays in communicating meter testing results to Consumer as per the Customer Service Charter commits an offence and is liable to a fine of KSh. 1,000/= for each day of the delay.

(vii) A person who delays in responding to Consumer complaints as per the customer service charter commits an offence and is liable to a fine of KSh. 1,000/- per month for the total delays.

(viii) A person who fails to give Consumers 48 hours prior notice for planned interruption commits an offence and is liable to a fine of KSh. 1,000 per interruption.

(ix) A person who delays or hinders or obstructs the Authority from carrying out audit or inspection without reasonable cause commits an offence and is liable to a fine of KSh. 1,000 for each day that the incident persists.

(x) A Generation Licensee who fails to achieve the Grid Code Guaranteed Performance Standards in terms of frequency, terminal voltage or power factor commits an offence and is liable to a fine of KSh. 1,000/- per month for each violation.

(xi) A Transmission Licensee who fails to achieve the Grid Code transmission licensee Guaranteed Performance Standards in terms of voltage deviations, harmonic distortion, voltage flicker, and transmission line annual Availability commits an offence and is liable to a fine of KSh. 1,000/- per month for each violation.

(xii) A Distribution Licensee who fails to achieve the Grid Code Guaranteed Performance Standards in terms of voltage limits, harmonic distortion, voltage flicker, and Forced Interruptions tolerances approved by the Authority commits an offence and is liable to a fine of KSh. 20,000/- per year.

(xiii) A Retail Supply Licensee who fails to achieve the Grid Code Guaranteed Performance Standards in terms of voltage limits and Forced Interruptions tolerances approved by the Authority commits an offence and is liable to a fine of KSh. 20,000/- per year.

(xiv) Where no such fines are prescribed, the person shall be liable to a fine of KSh. 20,000 per month for each breach in accordance with these Regulations.

(xv) The fines or penalties in these Regulations are without prejudice to the Authority's right to suspend or revoke the licensee's licence or certificate in accordance with the Act.

(xvi) Any fines or penalties which are not paid shall be a civil debt recoverable summarily.

*Enforcement Proceedings*

(i) When it is proved that a Distribution or Retail Supply Licensee is in violation of performance standards or their reporting obligations:

(a) The Authority may issue an order requiring the Distribution or Retail Supply Licensee to take specific actions in order to rectify the violation; and

(b) Where the Distribution or Retail Supply Licensee does not address the non-compliance as ordered by the Authority, the Authority may commence enforcement proceedings, which may consist of monetary sanctions set out in Regulation 18, licence suspension or revocation.

(ii) Before commencing the enforcement proceedings;

(a) The Authority shall give a notice in writing of not less than Thirty (30) days to the Licensee requiring them to show cause why they should not be penalized.

(b) The notice shall state clearly the default(s).

(c) The Distribution or Retail Supply Licensee shall within the timelines stated in the Notice respond in writing to the Authority.

(iii) The penalties for the breach of performance standards or reporting obligations are as specified in Regulation 18.

(iv) Any penalty imposed by the Authority under these Regulations shall be paid not later than One Hundred and Twenty (120) days from the date of such demand.

(v) Where a penalty under these Regulations remains unpaid, the Authority may consider, during a tariff review process, the penalties accrued by a licensee in the period immediately preceding tariff control period and subtract these penalties from the licensee's revenue requirements to determine the licensee's applicable tariff.

*Compensation by Licensees*

(i) A Licensee shall be liable to pay appropriate compensation to a person if there is breach in quality of supply or irregularity of electricity supply by the Licensee, provided that the breach is reported to the Licensee in writing within thirty (30) days of occurrence of the breach.

(ii) A claim for compensation shall be lodged in writing within twelve (12) months of the breach in respect of which the claim is made.

(iii) All payments for compensation under these Regulations shall be made by the Licensee within ninety (90) days after determination of the claim.

(iv) The Licensee may elect to make payment for compensation in the form of:

(a) credit on the next monthly bill for customers who receive a bill; or

(b) prepaid electricity token;

(v) A person may apply for compensation following the application process set out in the Fifth Schedule and making the application on Form 1 set out in the Seventh Schedule.

(vi) Claims for compensation shall be computed as set out in the Sixth Schedule.

(vii) The Licensee shall keep a record of all claims compensated through any mode for a period of seven (7) years from the date of reporting.

*Exceptions to Penalties and Compensation Payment*

(i) A Licensee shall not be liable to pay any penalty or compensation under these Regulations if the failure, poor quality or irregularity of electricity supply was:

(a) Caused by;

(i) third party interference to the Licensee's Electric Supply Lines;

(ii) an inevitable accident;

(iii) force majeure;

(iv) an electrical fault on the Consumer's side beyond the Consumer Metering Point;

(v) illegal activities and unauthorized access to the Licensee's infrastructure;

(vi) the Consumer's own fault.

(b) so slight as not to materially affect the quality or value of the supply in accordance with the Grid Code;

(c) not reported within thirty (30) days of the breach in accordance with Regulation 22(1);

(d) claim for compensation not lodged in writing within twelve (12) months of the breach.

(ii) Third party interference to the Licensee's Electric Supply Lines includes but not limited to:

(a) Substantial loss of generation affecting major parts of the country;

(b) Faults on transmission grid not owned by the Licensee;

(c) Excavation of Licensee's infrastructure during road constructions;

(d) Inability to gain access to the Consumer's premises;

(e) Vandalism of Electric Supply Lines of the Licensee;

(f) Interference of Electric Supply Lines by vehicles, animals, and aircrafts;

(g) Falling trees and buildings outside the wayleave trace area; and

(h) Interference of wayleave trace area.

The burden of proof on the inevitability of an accident lies with a Licensee.

#### *Complaint and Dispute Resolution*

(i) Complaints may be lodged by:

(a) A Consumer who is not satisfied with or is affected by the electrical energy supplied;

(b) Any person who experiences breach in quality of supply or irregularity of electricity supply.

(ii) Complaints lodged under sub regulation (1) may be submitted to the Licensee either verbally, or in writing using the template set out in Form 2 of the Eighth Schedule.

(iii) Where a complaint is lodged verbally, the Licensee shall record it in writing.

(iv) Where the Consumer is dissatisfied with the Distribution Licensee's resolution or response to the complaint, the Consumer may refer the complaint to the Authority for resolution.

(v) Any Consumer who is aggrieved with a decision of the Authority under this Regulation may prefer an appeal to the Tribunal in accordance with section 197 of the Act.

### PART VII: TRANSITIONAL PROVISIONS AND COMMENCEMENT

#### *Transitional Provisions*

The reliability Performance Indicator tolerance requirements shall not be enforced during Phase 1 as outlined in the Distribution Grid Code.

#### *Commencement*

These regulations shall come into effect immediately upon gazettelement by the Cabinet Secretary.

## THE ENVIRONMENTAL MANAGEMENT AND CO-ORDINATION ACT

(No. 8 of 1999)

## NATIONAL ENVIRONMENT MANAGEMENT AUTHORITY

ENVIRONMENTAL IMPACT ASSESSMENT STUDY REPORT  
FOR THE PROPOSED KISAUNI RESIDENTIAL DEVELOPMENT  
ON PLOT L.R. NO. MN/II/257 IN KISAUNI, MOMBASA  
COUNTY.

## INVITATION OF PUBLIC COMMENTS

PURSUANT to section 59 of the Environmental Management and Co-ordination Act, 1999, the National Environment Management Authority (NEMA) has received an Environmental Impact Assessment Study Report for the above proposed project.

The proponent, Mysha Investment Limited proposes to construct 34 No. blocks of residential apartments each comprising of 6No. floors with a total of 816 No. residential units (144 No. one bedroom units, 336 No. two bedroom units and 336 No. three bedroom units) 2No. waste water treatment plants, swimming pool, parking spaces, retail shops, sports pitch, associated facilities and amenities, on plot L.R. No. MN/II/257 in Kisauni, Mombasa County.

The following are the anticipated impacts and proposed mitigation measures:

<i>Impacts</i>	<i>Mitigation Measures</i>
Solid waste management	<ul style="list-style-type: none"> <li>Installation of waste segregation bins in each of the 34 blocks to collect waste from the housing units.</li> <li>Contract NEMA registered waste contractors to handle waste from housing development.</li> <li>Encourage residents to segregate waste at source to improve material recovery from waste fractions.</li> </ul>
Traffic disruption	<ul style="list-style-type: none"> <li>Warning signs to be placed to advise pedestrians and manage their safety when walking internal roads in the housing development.</li> <li>Implement traffic management plan developed for the project.</li> <li>The timing of the truck arrivals and departures should largely be outside of the commuter peak periods.</li> <li>During the construction stages, all trucks are to enter the construction site and not occupy the nearby roads with a traffic control plan.</li> <li>Warning signs are to be placed to advise pedestrians and manage their safety when walking across the construction driveways.</li> <li>All material handling is to be done within the site boundaries.</li> </ul>
Sewage and waste water	<ul style="list-style-type: none"> <li>Routine inspection, maintenance of the sewer treatment plants.</li> <li>Disposal of sludge per Hazardous waste regulations.</li> <li>Reuse of waste water in landscaping.</li> </ul>
Noise and vibration pollution	<ul style="list-style-type: none"> <li>Schedule noisy activities during the normal working hours of between 8 a.m. to 5 p.m.</li> <li>No work should be undertaken at night or very early in the morning.</li> <li>Switch off idle machines and equipment.</li> <li>Ensure machinery is well serviced to reduce the noise emitted.</li> <li>The contractor should adhere to the provision in the Environmental Management and Co-ordination (Noise and Excessive Vibration Pollution) (Control) Regulations, 2009.</li> <li>Provide workers with appropriate PPEs when working in noisy environments example ear plugs.</li> </ul>

- Air pollution
- Construction waste is not to enter the biophysical or socio-economic environment and Contractors to have waste management plans to mitigate potential impacts.
  - Practice dust management techniques, including watering and spraying to suppress dust.
  - Move earth and sand in covered vehicles/transport to avoid it being blown by wind increasing suspended particulate matter in the atmosphere.
  - All power plants are to be of good condition with acceptable smoke emissions.
  - Set up dust barriers/screens at strategic locations; and Provide and enforce the use of Personal Protective Equipment (PPE) for staff.
- Water shortages
- The contractor should sensitize construction workers on the importance of proper water management through clerks of works by having talks with them when doing their rounds around the site.
  - Replace or repair leaking pipes supplying water to the construction sites to minimize wastage.
  - The Contractor should ensure the provision of adequate water storage facilities on the construction site to meet project needs during periods of high demand externally and refill storage tanks during periods of low demand.
- Pollution/contamination of ground surface water
- Appropriate containment structures are to be provided to store contaminated water from the construction site.
  - The concrete batching area should be bounded to prevent contamination of soils and surface water features.
  - All fuel storage to be appropriately banded and provided with a canopy.
  - Ablutions for construction workers to enable proper disposal of faecal matter and avoid contamination of surface water features which could be a cause of waterborne diseases.
- Occupational health and safety
- The contractor should ensure registration of all construction works by the Directorate of Occupational Safety and Health services (DOSHS) in compliance with the Buildings and Works of Construction Engineering Rules.
  - The contractor should contract a qualified Health and Safety advisor to conduct training and monitoring of construction works.
  - The contractor should provide a standard First Aid Kit on site.
  - The Contractor should train several workers in First Aid depending on the number of workers on site.

The full report of the proposed project is available for inspection during working hours at:

- (a) Principal Secretary, Ministry of Environment, Climate Change and Forestry, NHIF Building, 12th Floor, Ragati Road, Upper Hill, P.O. Box 30126-00100, Nairobi.
- (b) Director-General, NEMA, Popo Road, off Mombasa Road, P.O. Box 67839-00200, Nairobi.
- (c) County Director of Environment, Mombasa County.

**IMPORTANT NOTICE TO SUBSCRIBERS TO THE KENYA GAZETTE**

THE following notes are for the guidance of persons submitting "copy" for inclusion in the *Kenya Gazette, Supplement*, etc.:

- (1) *The Kenya Gazette* contains Notices of a general nature which do not affect legislation. They are, therefore, submitted to the Government Printer directly.
- (2) *Legislative Supplement* contains Rules and Regulations which are issued by the National or County Governments. Because of this, they must be submitted to the Government Printer through the office of the Attorney-General.
- (3) *Bill Supplement* contains Bills which are for introduction in the National Assembly, Senate or County Assemblies.
- (4) *Act Supplement* contains Acts passed by the National Assembly, Senate or County Assemblies.

All "copy" submitted for publication should be prepared on one side of an A4 sheet no matter how small the Notice is, each page being numbered and should be typed with double spacing. Copy should be Clear, legible and contain no alterations.

Particular attention should be paid to the following points:

- (i) Signature must be supported by rubber-stamping or typing the name of the signatory in capital letters.
- (ii) Must be correct and filled in where necessary.
- (iii) Care should be taken to ensure that all headings to Notices and references to legislation are up to date and conform with the Revised Edition of the Laws of Kenya.

EXTRACT FROM THE HUMAN RESOURCE POLICIES AND PROCEDURES MANUAL FOR THE PUBLIC SERVICE —

*Kenya Gazette*

A.30 (1) All communication for publication in the *Kenya Gazette* should reach the Government Printer not later than Friday of the week before publication is desired.

(2) A State Department will be required to meet the cost of advertising in the *Kenya Gazette*.

It is emphasized that these notes are for guidance only, but it is requested that persons submitting copy for publication first satisfy themselves that such copy is complete in every respect.
