REGULATIONS RESPECTING PASSPORTS.

1. APPLICATIONS for Protectorate Passports must be made in the form printed on the back of these Regulations, and inclosed in a cover addressed to "THE SECRETARY TO THE ADMINISTRATION, MOMBASA."

2. The Charge for a Passport, whatever number of persons may be named in it is 5/- (Rs. 3-12-0.) Passports are issued at the Commissioner's Office between the hours of 10 and 12 (noon) ON THE DAY FOLLOWING that on which the application for the Passport has been received (or as soon afterwards as possible if the Commissioner is absent from Mombasa) except on Sundays and Public Holidays, when the Passport Office is closed. If the applicant does not reside in Mombasa, the Passport may be sent by post, and a Postal Order for the amount due should in that case accompany the application. POSTAGE STAMPS WILL NOT BE RECEIVED IN PAYMENT.

3. Protectorate Passports are granted only—

(1) To natural-born British subjects, *viz*, persons born within His Majesty's allegiance, and to persons born abroad who derive British nationality from a father or paternal grandfather born within His Majesty's Dominions, and who, under the provisions of the Acts 4 George II., cap. 21, and 13 George III., cap. 21, are to be adjudged and taken to be natural-born British subjects.

(2.) To the wives and widows of such persons; and

(3.) To persons naturalized in the United Kingdom, in the British Colonies, or in India.

(4.) To Natives of British Protectorates.

A married woman is deemed to be a subject of the State of which her husband is for the time being a subject.

4. Passports are granted to such persons as are known to the Commissioner, or recommended to him by some person who is known to him; —or

Upon the production of a declaration by the applicant in the form printed at the back of these Regulations, verified by a declaration made by any *Resident British Merchant, Banker, Minister of Religion, Doctor, Lawyer, or Public Official of the Protectorate*. The applicant's Certificate of Birth may also be required, especially when his name is of foreign origin.

5. If the applicant for a Passport be a Naturalized British subject, the Certificate of Naturalization must be produced with the Declaration or Letter of Recommendation.

Naturalized British subjects will be described as such in their Passports, which will be issued subject to the necessary qualifications.

6. Passports may be renewed on personal application, on payment of a fee of 5/- (Rs. 3-12-0,) and on returning the Passport previously issued.

7. THE BEARER OF EVERY PASSPORT MUST SIGN HIS PASSPORT AS SOON AS HE RECEIVES IT; WITHOUT SUCH SIGNATURE EITHER THE *visa* MAY BE REFUSED, OR THE VALIDITY OF THE PASSPORT QUESTIONED ABROAD.

8. Travellers who intend to visit the Russian Empire, the Turkish Dominions, the Kingdom of Roumania, Persia, Venezuela, Hayti, or Eritrea, in the course of their travels, should have their Passport *visés*, if possible, at the nearest Consulate of that Power. Travellers about to proceed to any other country need not obtain the *visa* of the Diplomatic or Consular Agents of such country, except as an additional precaution, which is recommended in the case of Passports of old date.

9. Although travellers are now permitted to enter most Foreign Countries without Passports, and the rules respecting Passports have been generally relaxed, nevertheless, British subjects travelling abroad are recommended to furnish themselves with Passports, for even in those countries where they are no longer obligatory, they are found to be useful as affording a ready means of identification in case of need. British subjects intending to *reside* in Germany or in Switzerland should provide themselves with Passports.

10. The notice issued under the Passports Ordinance 1904, published in the "Official Gazette" of January 1st 1905 and dated December 29th 1904 is hereby repealed.

OBITUARY.

It is with deep regret that the death is announced of Mr. Philip De la Cherois, Collector of the Elgon District in the Province of Kisumu, who died from the effects of a severe attack of Haematuric fever after an illness of 11 days, on Monday the 5th June.

Mr. De la Cherois was appointed to the service of the East Africa Protectorate as an Assistant Collector on January 31st 1901 and got his promotion on April 9th 1904. His first term of service was spent in the Tanaland District, and on returning from leave of absence, he was appointed on promotion to the Elgon Collectorate. During his tenure of that office, the District underwent marked improvements and he was successful in gaining both the allegiance and respect of the surrounding natives, who found in him a sympathetic friend as well as ruler. His funeral took place at 9 a.m. on the 6th inst., and large numbers of natives were present at the grave side, the route to which was lined by the Police Force. A detachment presented arms as the coffin was lowered into grave. The burial service was read by Dr. F. Henderson the Medical Officer.

Mr. De la Cherois' death deprives the Protectorate of an able energetic and conscientious Official.
