## KENYA GOVERNMENT HIGHER CLERICAL EXAMINATION, 1962

TUESDAY 21ST AND WEDNESDAY 22ND AUGUST, 1962

THE examination will be that laid down in Establishment Circular No 52 of 19th December, 1955, and will be held on 21st and 22nd August, 1962, at centres to be arranged in Kisumu, Mombasa, Nairobi, Nakuru and Nyeri only.

The examination is open to all clerks in Government service whose basic salary is not less than £193 4s per annum, except as stated in paragraph 7 of Establishment Circular No 44 of 14th November, 1958. It is also open to clerks in grant-aided institutions, African district councils and the Maize Marketing Board, on payment of a fee of Sh 5. Entry forms from clerks in the above non Government offices will only be accepted if the fee of Sh 5 accompanies the form.

The typewriting examination will be held departmentally on Tuesday 14th August, 1962, at 10 a.m.

Where a head of a department wishes to set a departmental paper in lieu of typewriting for any of his candidates, he should arrange to hold such examination on the same date as the typewriting test, i.e. 14th August, 1962, and communicate the result of such examination to me within one week. If a candidate offers a departmental paper on his entry form it will be assumed that this is done with the sanction of the head of his department.

Clerks in grant-aided institutions must apply for the special paper in lieu of the Code of Regulations paper.

African court clerks who wish to take the special court clerks paper in lieu of the Code of Regulations, accounts and typewriting papers, must state this clearly on the entry form. It must be stressed that this special paper is for African court clerks only.

Entries close on 15th June, 1962. Entry forms may be obtained from the Examinations Section of the Ministry of Education, P.O. Box 12259, Nairobi. Late entries will not be accepted.

If a candidate has already obtained a partial pass, full details must be shown in the space provided at the foot of the entry form.

The Permanent Secretary or his representative should indicate on the entry forms the most suitable centre for his candidates and must certify that the details given on the forms are correct.

S JUDSON  
Examinations Officer

*Tenders*

1 Sealed envelopes marked "Tender for Cinema Plot" must be deposited with the District Commissioner, Nyeri, before noon on 1st June, 1962

2 Each tender should be accompanied by a statement containing a detailed description of the proposal of the tenderer for the development of the site. Proposals must be in accordance with the township by-laws and should be for a cinema on modern lines

4 In the consideration of tenders, regard will be paid to the relative merits of the proposals and the financial sufficiency of the tenderer(s) to undertake them

5 Particular attention will be paid to the tenderer's ability to provide films of good quality

6 The Commissioner does not undertake to accept any of the submitted tenders

7 The tenders shall be deemed to be upon and subject to the conditions herein contained and the provisions of the Crown Lands Ordinance (Cap 155 of the Revised Edition of the Laws of Kenya) and in particular Part VII thereof

8 The grant will be issued in the name of the allottee as stated in the letter of application

9 Grants will be made under the Crown Lands Ordinance (Cap 155 of the Revised Edition of the Laws of Kenya) and title will be issued under the Registration of Titles Ordinance. The term of the grants will be 99 years from the first day of the month following the notification of the approval of the grant

*Special Conditions*

1 No building shall be erected on the land nor shall additions or external alterations be made to any buildings otherwise than in conformity with plans and specifications previously approved in writing by the Commissioner of Lands and the Local Authority. The Commissioner shall not give his approval unless he is satisfied that the proposals are such as to develop the land adequately and satisfactorily

2 The grantee shall within six months of the commencement of the term submit in triplicate to the Local Authority and the Commissioner of Lands plans (including block plans showing the positions of the buildings and a system of drainage for the disposal of sewage, surface and sullage water), drawings, elevations and specifications of the buildings the grantee proposes to erect on the land and shall within 24 months of the commencement of the term complete the erection of such buildings and the construction of the drainage system in conformity with such plans, drawings, elevations and specifications as amended (if such be the case) by the Commissioner

Provided that if default shall be made in the performance or observance of any of the requirements of this condition it shall be lawful for the Commissioner of Lands or any person authorized by him on behalf of Her Majesty to re-enter into and upon the land or any part thereof in the name of the whole and thereupon the term hereby created shall cease but without prejudice to any right of action or remedy of Her Majesty, the Governor or the Commissioner in respect of any antecedent breach of any condition herein contained

Provided further that should the grantee give notice in writing to the Commissioner of Lands that he/she is unable to complete the buildings within the period aforesaid the Commissioner of Lands shall (at the grantee's expense) accept a surrender of the land comprised herein

Provided further that if such notice as aforesaid shall be given (1) within 12 months of the commencement of the term the Commissioner of Lands shall refund to the grantee 50 per centum of the stand premium paid in respect of the land, or (2) at any subsequent time prior to the expiration of the said building period the Commissioner of Lands shall refund to the grantee 25 per centum of the said stand premium. In the event of notice being given after the expiration of the said building period no refund shall be made

3 The land and buildings shall only be used for the purposes of a cinema

4 The buildings shall not cover more than 90 per centum of the area of the land and shall conform to a building line decided upon by the Local Authority

5 The grantee shall not subdivide the land

6 The grantee shall not sell, transfer, sublet or charge the land or any part thereof (except in respect of a loan required for building purposes to be approved by the Commissioner in writing) until Special Condition No 2 has been performed

7 The grantee shall pay to the Commissioner of Lands on demand such sum as the Commissioner may estimate to be the proportionate cost of constructing all roads and drains and sewers serving or adjoining the land

8 The grantee shall from time to time pay to the Commissioner of Lands on demand such proportion of the cost of maintaining all roads and drains serving or adjoining the land as the Commissioner may assess

9 Should the Commissioner of Lands at any time require the said roads to be constructed to a higher standard the grantee shall pay to the Commissioner on demand such proportion of the cost of such construction as the Commissioner may assess

10 The grantee shall pay such rates, taxes, charges, duties, assessments or outgoings of whatever description as may be imposed, charged or assessed by any Government or Local Authority upon the land or the buildings erected thereon including any contribution or other sum paid by the Governor in lieu thereof

11 The Governor or such person or authority as may be appointed for the purpose shall have the right to enter upon the land and lay and have access to water mains, service pipes and drains, telephone or telegraph wires and electric mains of all descriptions, whether overhead or underground, and the grantee shall not erect any building in such a way as to cover or interfere with any existing alignments of main or service pipes or telephone or telegraph wires and electric mains
