INVESTIGATION REPORTS COVERING THE PERIOD 1ST JULY, 2020 TO 30TH SEPTEMBER, 2020

1. EACC/AT/INQ/25/2020

Inquiry into Allegations of Irregular Procurement and Fraudulent Payments in Relation to the Purchase and Supply of Covid-19 Emergency Commodities at Kenya Medical Supplies Authority (KEMSA) by Public Officials that led to Irregular Expenditure of Public Funds Amounting to KSh. 7.8 Billion.

The Commission commenced investigations following a report on irregularities on procurement of Covid-19 items by the Kenya Medical Supplies Authority (KEMSA).

Investigations established that KEMSA did indeed procure COVID 19 items necessitated by the outbreak of the pandemic in the Country. Investigations established that KEMSA flouted the procurement laws and procedures as well as the public finance management procedures in the procurement of the Covid 19 items.

Investigations revealed that KEMSA exceeded its available budget by about KSh.3.2 billion. Further investigations established that KEMSA had no real justification for use of the direct procurement method as much as it justified the same citing an urgent need for the

stocks in question because suppliers who were issued with commitment letters to supply the items did not deliver within the stipulated period. Investigations revealed that much of the stocks delivered to KEMSA are still lying in the KEMSA stores

Investigations further established that KEMSA did not get value for money in this procurement. It purchased the COVID 19 items at exorbitant prices and not within the prevailing market prices.

On 11th September, 2020, a report was compiled and forwarded to the DPP with recommendations to charge the Chief Executive Officer (CEO) KEMSA, Director Procurement, Director Commercial Services, Director Finance and Strategy, Finance Manager, the Personal Assistant to the CEO with the following offences; 4 counts wilful failure to comply with the law relating to procurement contrary to section 45 (2) (b) and 7 counts of abuse of office contrary to section 46 as read with section 48 ACECA, 1 count of unauthorised use of public money contrary to section 196 (1) as read with section 196 (6) of the Public Finance Management Act (PFMA), 1 count of entering into an obligation that has a financial implication for the National Government budget without authority contrary to section 196 (3) as read with section 196 (6) of PFMA, 1 count of assisting, facilitating, contributing to and being a party to the failure to comply with the obligations imposed by the PFMA, 2012 contrary to section 196 (7) of PFMA, 1 count of financial misconduct contrary to section 197 (1) (h), 1 count of financial misconduct contrary to section 197 (1) (i) and 1 count of financial misconduct contrary to section 197 (1) (o) (i) as read with section 199 of PFMA, 2 counts of neglect of official duty by a public officer contrary to section 128 of the Penal Code and 1 count of making a document without authority contrary to section 357 of the Penal Code.

Inquiry into Allegations of Gross Misappropriation of Public Funds by the Governor, Migori County Government through his Designated Proxies and Employees of the County Government.

Investigations by the Commission commenced following reports of gross misappropriation of public funds by the Governor, Migori County Government through his designated proxies and employees of the County Government.

Investigations revealed that several companies run by the Governor's proxies and County employees received a total of KSh. 1,293,003,349.29 from Migori County Government for various supplies and services rendered. It could not be determined whether the tenders were lawfully awarded to these companies since the documents in support of the same were not available as they were allegedly burnt in a fire incident at the Migori County Offices.

Financial investigations and mutual legal assistance requests further revealed that the companies after receiving the payments from the County Government, wired part of the same to the Governor's children's bank accounts. The monies were eventually used to pay for the Governor's children's school fees, upkeep and medical bills in Scotland, United Kingdom and Australia. Some of the monies were expended for the purchase of two Land Cruiser V8 motor vehicles.

The Commission commenced the investigation after receiving an allegation of procurement irregularities and bribery in the supply and delivery of a fire engine at the County Government of Isiolo (CGI) by Drescoll Limited at a cost of KSh. 58,560,000/=.

Investigations established that the recommended bidder (Drescoll Limited) did not meet the minimum mandatory requirements as stipulated in the blank bid document issued to bidders. Investigations further established that under the criterion on experience and supply of goods of similar nature, Drescoll Limited did not have the requisite experience of supplying firefighting equipment yet it was awarded full marks by the Evaluation Committee members. Investigations also revealed that Drescoll Limited in submitting their bid had attached a falsified notification of award purporting that the said notification of award had been issued by the County Government of Samburu County.

Investigations further established that the Accounting Officer failed to issue regret letters to the losing bidders as per the provisions of section 87 (3) of Public Procurement and Disposal of Assets Act (PPADA), 2015. Investigations revealed that the award contract signed between CGI and Drescoll Ltd made a provision of a 50% advance payment of the contract sum which was contrary to Section 147 of the PPADA, 2015. Furthermore, the provision of a 50% advance payment had not been stipulated in the blank bid document.

A report was prepared and forwarded to the DPP on 28th September, 2020, recommending that the Director of Drescoll Limited, Drescoll Limited and Isiolo County Government Officials be charged with six counts of wilful failure to comply with the law relating to procurement contrary to section 45 (2) (b) as read with section 48 of the ACECA, one count of fraudulent practice in procurement proceedings contrary to section 66 (1) as read with section 177 of the PPADA, 2015, one count of uttering a false document contrary to section 353 of the Penal Code, one count of fraudulent acquisition of public property contrary to section 45 (1) (a) as read with section 48 (1) of the ACECA, one count of receiving a bribe contrary to section 6 (1) (a) as read together with section 18 (1) of the bribery Act, 2016, one count of abuse of office contrary to Section 46 as read with section 48 of the ACECA and one count of wilful failure to comply with the law relating to management of funds and incurring of expenditure contrary to section 45 (2) (b) as read together with section 48 of the ACECA.

Investigations revealed that the properties were allocated to the beneficiary through misrepresentation of facts to the Office of the Commissioner of Lands. However, the evidence gathered was not sufficient to support a criminal case. This is due to the fact that file reference no. 243943 which would have helped establish the officers culpable for the illegal allocation could not be traced from the Ministry of Lands, Lands Registry.

The Commission has filed a recovery suit for the said properties at the Mombasa High Court and that the same was pending hearing and determination.

Possible Impacts	Mitigation Measures
Loss of biodiversity	<ul style="list-style-type: none"> Only minimal bush clearance should be allowed. Re-vegetate exposed areas to minimize soil erosion. Minimal disturbance especially of the indigenous vegetation within the proposed site. Maintain and enhance vegetation buffers around the site during operation.
Air quality management	<ul style="list-style-type: none"> Install signs limiting vehicle speed at the site. Train site workers on dust minimization techniques, and removal and handling of asbestos. Provide a wash down area for all trucks leaving the disposal site. Cover trucks carrying materials with canvas sheet. Fence off/barricade the site with stone wall.

<i>Possible Impacts</i>	<i>Mitigation Measures</i>
	<ul style="list-style-type: none"> Securely cover skips containing dusty wastes where possible. Develop dust management plan.

Cover asbestos pit with 500 gauges double wrapped polythene sheet and fill the pit with layer of soil up to the ground level. First 25 m of access from main road to be sealed. Vehicle speeds on the access roads will be limited to 10 km/h to minimise the possibility of wheel generated dust.
Noise and excessive vibration	<ul style="list-style-type: none"> Normal hours of operation to be maintained.
