GAZETTE NOTICE No. 1391

## THE INDUSTRIAL COURT

CAUSE No. 1 OF 1968

Parties:—

Domestic and Hotel Workers' Union  
and

Kenya Hospital Association (The Nairobi Hospital)

Issues in dispute:—

- (1) Representation of Head Askari by the Union.
- (2) The claim by the Union that only Union members should benefit from the Union/Management negotiated agreement.
- (3) Transportation of deceased employee to his/her home by the Management or for the coffin.
- (4) Duration of the recently negotiated agreement.
- (5) Redundancy payments.
- (6) Housing.
- (7) Hospital treatment for members of the workers families.

1. The Domestic and Hotel Workers' Union shall hereinafter be referred to as the Claimants and The Nairobi Hospital shall hereinafter be referred to as the Respondents.

2. The Parties were heard in Nairobi on the 11th day of March 1968, and relied on their written and verbal submissions.

## AWARD

The Court has very carefully considered the submissions made by the Parties before making its award.

(1) *Representation of the Head Askari by the Claimants.*—The Recognition Agreement between the Parties clearly states that certain categories of staff should be excluded from Union membership. These are (1) members of management and (2) confidential and supervisory staff. The word "Supervisory" is defined as follows in the Recognition Agreement:—

"A person who supervises the work of others, who is responsible for a section of the activities of the Company, who is required by Management as part of his duties to make recommendations in connexion with hiring, firing, promotion, demotion or disciplinary action, and to whom subordinate staff would apply in the first instance for the remedy of grievances."

The Court accepts the Respondents' statement that the Head Askari employed by them supervises the work of other askaris. In view of this the Court must reject the Claimants' demand.

(2) *The Claim by the Claimants that only Union members should benefit from the Union/Management negotiated agreement.*—This demand by the Claimants is tantamount to the enforcement of a closed shop system and is contrary to the current Recognition Agreement where it is provided that "the Association reserves the right to engage and to continue to employ any individual whether or not such individual is a member of the Union, but undertakes not to victimize any employee on account of his Union membership."

The Union recognizes this right and agrees that no employee shall be compelled to become a member of the Union and undertakes not to victimize any employee on account of his non-membership."

The Claimants have, therefore, quite clearly committed themselves in the Recognition Agreement to recognize the right of the individual to join or not to join a Trade Union. This demand is, therefore, rejected.

(3) *Transportation of deceased employee to his/her home by the Respondents or for the coffin.*—The Court finds that there is absolutely no merit in this demand. It is accordingly rejected.

(4) *Duration of the recently negotiated agreement.*—The Court awards that the effective date should be 1st December 1967, and that the agreement should run for 12 months from this date.

(5) *Redundancy payments.*—The Court awards that in addition to the existing agreement on this issue a redundant employee should be paid severance pay at the rate of one half of one month's salary for each completed year of service.

(6) *Housing.*—Nil award.

(7) *Hospital treatment for members of the workers families.*—Nil award.

Given in Nairobi this 26th day of April 1968.

SAEED R. COCKAR,  
President.

S. K. NGOLOMA,  
J. G. MOLLO,  
Members.

GAZETTE NOTICE No. 1392

## THE TRADE MARKS ACT

(Cap. 506)

NOTICE is hereby given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge Notice of Opposition on Form T.M. No. 6 (in duplicate) together with a fee of Sh. 50.

Notice is also hereby given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Offices, Nairobi.

Application for registration in Part A of the Register are shown with the official number unaccompanied by any letter. Applications for Part B are distinguished by the letter B prefixed to the official number.
