enrolment data. Investigations also established that the said employee inserted the non-existent Mundeku Secondary School into the funds distribution schedule, and linked his Equity Bank account number as the Mundeku Secondary School's bank account. He later received KSh. 11,131,305.53 from the Ministry out of this arrangement. An Inquiry into Allegations of Abuse of Office and Embezzlement of Funds by the county Government of Homa Bay in Respect of the Proposed Agri-City Project in the Amount of KSh. 200 Million

The Commission commenced investigations following report from a complainant alleging that the county Government of Homa Bay had irregularly paid KSh. 200 million to an investor in respect to a proposed Agri City Project, without conducting a feasibility study, as a ploy to embezzle funds from the stalled project. It was alleged that the investors disappeared after receiving the said funds.

Investigations established that around June 2013, the county Government of Homa Bay entered into a Memorandum of Understanding with Good Earth Power Limited to develop 1,000 acres of land in Homa Bay into an Agri-City. In the MOU, the Investor would develop modern housing, clean power generation, clean water purification, sewerage treatment, waste management, modern communication and modern roads at its own cost; while the county Government would avail 50% of the land required for a 30-year lease at no charge, ensure that all the necessary licenses and government approvals would be issued.

The project was launched, and the county Government availed 1000 acres of land that was donated by two communities for use in the project. However, the two communities later rejected the said project on their land, and therefore the said project did not take off. Investigations revealed that no money was paid out by the county Government of Homa Bay in the project.

On 21st February, 2022, a report was compiled and forwarded to the DPP with recommendations for closure of the inquiry file for insufficient evidence to support criminal proceedings. It was also recommended that an advisory be issued to the county Government of Homa Bay to adhere to the law set out in the Public Private Partnership Act, 2013 (PPPA) for similar future projects.

The Commission commenced investigations following a report of procurement irregularities allegations by the Makeni county Chief officer for Health Services in the award of a tender for the supply and delivery of 8 power sprays and 300 hand sprays to help in combatting the spread of COVID 19 disease.

method of 'request for quotation' was sent out through e-procurement method. Investigations established that the process of procurement from requisition to the point of payment was done in accordance to public procurement laws. The allegations of irregular procurement by Makueni county Government were therefore unfounded.

On 21st February, 2022, a report was compiled and forwarded to the DPP with recommendations that the inquiry file be closed for insufficient evidence to prove the allegations of procurement irregularities against the Chief, Officer Health Services at Makueni county Government.

Inquiry into Allegations of Irregular Procurement of Prefabricated Staff Houses at Lake Nakuru National Park at a Cost of KSh. 34,980,001/= by Senior Kenya Wildlife Service Officers

The Commission commenced investigations following complaints that there was irregular procurement of pre-fabricated staff houses at Lake Nakuru National Park at a cost of KSh. 34,980,001/= by Senior Kenya Wildlife Service (KWS) Officers.

Investigations established that the procurement of the pre-fabricated staff houses was necessary because heavy rains had caused flooding in the KWS staff houses at Lake Nakuru National Park. Therefore, the procurement was not planned under the 2012/2013 procurement plan and budget. However due to the situation, the requisition for 10 pre-fabricated houses made by the user department was approved for direct procurement. The Tender Committee was requested to approve Wood Products Limited as the supplier of the pre-fabricated houses, and this was done. Wood Products Limited was awarded the contract, supplied the said houses and raised an LPO of KSh. 34,980,000/= which was paid to them. Investigations revealed that the required documentation for direct procurement was obtained, save for the report to Public Procurement Oversight Authority (PPOA).

However, a valuation of the houses established that the amount quoted by Wood Products Limited was overpriced by the quantity surveyor, the engineer and the Architect in the project, leading to KWS not getting value for money. Further, the direct procurement was also not reported to the PPOA. In spite of these issues, financial investigations did not indicate irregular flow of funds between Wood Products Limited and KWS officers.

On 21st February, 2022, a report was compiled and forwarded to the DPP with recommendations that administrative action be taken against the quantity surveyor, the engineer and the architect in the project for failing to undertake due diligence, and issuing certificates without considering the value of the project, thereby causing KWS to incur wasteful expenditure. It was also recommended that an advisory be issued to KWS on following procurement laws and procedures.

Awaiting DPP's response.

On 21st February, 2022, a report was compiled and forwarded to the DPP, with recommendations for closure of the inquiry file due to insufficient evidence to prove the bribery and abuse of office allegation against the said chief. However, the Commission referred the matter to the National Registration Bureau to determine whether or not the said ID was issued in accordance with the laid down procedures, and depending in their inquiry, take appropriate action.

Despite the explanations investigations established that BOM members were irregularly paid sitting allowances and Per Diems amounting to KSh. 81,000/=, which ought to be recovered. On 21st February, 2022, a report was compiled and forwarded to the DPP with recommendations for closure of the inquiry file for lack of sufficient evidence to sustain criminal charges against the former principal. The Commission will however recover KSh. 81,000/=, being irregularly acquired allowances by the BOM Members. Allegations of Demanding a bribe of KSh. 260,000 by a Private Surveyor, for Purposes of Fast Tracking the Processing of Issuance of Title Deeds for Various Parcels of Land

The Commission commenced investigations following a report from a complainant alleging that a private surveyor was demanding a bribe of KSh. 260,000/= from him, on behalf of officials from the Nairobi Lands Registry at Ardhi House, in order to bribe the said land officials to fast track the process of subdivision of her land parcel.

Investigations established that the private surveyor, who was an employee at Jomo Kenyatta University of Agriculture and Technology (JKUAT), was not a registered surveyor with the Land Surveyor's Board. The private surveyor solicited for KSh. 260,000/= from the complainant, for the purpose of bribing a Land Administrator working at the Nairobi Lands Registry. The purpose for the bribe solicited was to fast-track the process of subdivision of the complainant's private land located in Narok, and to also fast track the release of title deeds.

The private surveyor received a bribe of KSh. 100,000/= from the complainant, and the money was recovered from him when he was arrested. There was however insufficient evidence to show that the land administrator at Ardhi House had solicited to receive the bribe amount.

On 21st February, 2022, a report was compiled and forwarded to the DPP with recommendations to charge the surveyor with two (2) counts of receiving a bribe contrary to section 6 (1) (a) as read with section 18 of the bribery Act.

On 5th April, 2022, the DPP returned the inquiry file recommending further investigations
