6 Applicants must enclose with their applications their cheque for Sh 1,000 drawn on the applicant's own banking account (no other cheques will be accepted), made payable to the Commissioner of Lands as a deposit, which will be dealt with as follows—

- (a) If the applicant is offered and takes up and pays for a plot within a period of 14 days, as required in paragraph 7 below, the deposit will be credited to him.

- (c) If the application is successful and the applicant fails to take up and pay for the plot offered to him within a period of 14 days, as required in paragraph 7 below, the Commissioner of Lands may declare the deposit forfeited and the applicant shall have no further claim thereto.

3 The grantee shall at his own expense suitably connect the said drainage system and also the water supply system with any town drainage and/or town water supply system when in the opinion of the local authority the latter systems are so far completed as to enable the grantee to do so.

4 The grantee shall maintain in good and substantial repair and condition all buildings at any time erected on the land.

5 Should the grantee give notice in writing to the Commissioner of Lands that it is unable to complete the buildings within the period aforesaid, the Commissioner of Lands shall (at the grantee's expense) accept a surrender of the land comprised herein, provided further that if such notice as aforesaid shall be given (1) within 12 months of the commencement of the term the Commissioner of Lands shall refund to the grantee 50 per centum of the stand premium paid in respect of the land or (2) at any subsequent time prior to the expiration of the said building period the Commissioner of Lands shall refund to the grantee 25 per centum of the said stand premium. 11 The grantee shall not sell, transfer, sublet or charge the land or any part thereof except with the prior consent in writing of the Governor, no application for such consent (except in respect of a loan required for building purposes) will be considered until Special Condition No 2 has been performed.

12 The grantee shall not erect on the land any hoarding, placard, poster, sign or advertisement except a notice advertising the presence and products of the grantee's business.

13 The grantee shall at his own expense construct acceleration and deceleration lanes in accordance with plans and specifications previously approved by the Commissioner of Lands.

14 The grantee shall pay to the Commissioner of Lands on demand such sum as the Commissioner may estimate to be the proportionate cost of constructing all roads and drains and sewers serving or adjoining the land and shall on completion of such construction and the ascertainment of the actual proportionate cost either pay (within seven days of demand) or be refunded the amount by which the actual proportionate cost exceeds or falls short of the amount paid as aforesaid.

15 The grantee shall from time to time pay to the Commissioner of Lands on demand such proportion of the cost of maintaining all roads and drains serving or adjoining the land as the Commissioner may assess.
