THE PUBLIC OFFICER ETHICS ACT

(No. 4 of 2003)

THE NYERI COUNTY ASSEMBLY POWERS AND PRIVILEGES COMMITTEE PROCEDURES FOR ADMINISTRATION OF PART IV OF THE ACT

THE PUBLIC OFFICER ETHICS ACT

(No. 4 of 2003)

THE NYERI COUNTY ASSEMBLY POWERS AND PRIVILEGES COMMITTEE PROCEDURES FOR ADMINISTRATION OF PART IV OF THE ACT

IN EXERCISE of the powers conferred by section 33 (1) of the Public Officer Ethics Act, 2003, the Nyeri County Assembly Powers and Privileges Committee establishes the following administrative Procedures:

PART I—PRELIMINARY

Citation

1. These Procedures may be cited as the Nyeri County Assembly Powers and Privileges Committee Procedures for Administration of Part IV of the Act

Interpretation

2. In these Procedures, unless the context otherwise requires—

“Act” means the Public Officers Ethics Act, 2003;

“Commission” means the Ethics and Anti-Corruption Commission established under section 3 of the Ethics and Anti-Corruption Commission Act, 2011;

“Committee” means the Nyeri County Assembly Powers and Privileges Committee established in accordance with Standing Order 195;

“Declarant” means a person who has made a declaration under the Act;

“Declaration form” means the form set out in the Schedule to the Act in accordance with section 26(2) of the Act;

“Declaration year” means the year when the two-year declaration under the Act falls due;

“Designated Officer” means A state officer of the Assembly assigned to administer these Procedures or any part thereof in accordance with clause 4(2) of these Procedures;

“Final declaration” means a declaration made in accordance with section 27(5) of the Act;

“Initial declaration” means a declaration made in accordance with section 27(3) of the Act;

“Public Officer” shall take the meaning in Article 260 of the Constitution of Kenya, 2010;

“Regulations” means the Regulations made under the Act;

“Secretary” means the Clerk of the County Assembly or in absence of the Clerk, the person exercising the functions of Secretary to the Committee;

“State Officer” means a Member of County Assembly or other state officer serving in the County Assembly;

“Two-year declaration” means a declaration made in accordance with section 26 (1) of the Act.

Scope of Application

3. These Procedures shall apply to the administration of Part IV of the Act with respect to state officers serving in the County Assembly;

PART II – PROCEDURE IN RELATION TO DECLARATIONS

Administration of the Procedures

4. (1) The Secretary shall administer these Procedures on behalf of the Committee;

(2) The Secretary may designate officer(s) from among the state officers of the County Assembly Service Board to administer the Procedures or any part thereof in respect to any specified category of state officers;

(3) The designation under sub-paragraph (2) shall be in writing and shall outline the specific tasks to be performed by the Designated Officer.

Procedure in Submitting Declarations

5. (1) A state officer shall submit a declaration in the Form set out in the Schedule to the Act.

(2) The Committee may use such measures as may be appropriate to facilitate a state officer to acquire the form referred to in sub-paragraph (1).

(3) The Committee may publish the declaration form in a format that may permit the declaration form—

(a) to be rendered in digital format; or

(b) to be downloaded from a website and printed out in paper format.

(4) Where a state officer is required to make an initial, two-year or final declaration, the Secretary or Designated Officer may issue a notification to the state officer not less than thirty (30) days before the due date for the declaration,

(5) For avoidance of doubt, failure to provide a declaration form or to issue a notification under this paragraph shall not be construed as a waiver of the responsibility of the state officer to submit a declaration under the Act.

Completion and Submission of Declarations

6. (1) A state officer shall complete and submit the declaration form to the Secretary.

Register of Declarations

7. (1) The Committee shall maintain a register containing details of each state officer who is required to make a declaration in accordance with the Act. The register shall include—

(a) Name; personal number; designation; directorate; department or unit

(b) Date the state officer submitted the declaration form;

(c) type of declaration (initial, two-year or final);

(f) Total number of state officers required to submit declarations; and

(g) Any remarks relating to the declarations.

(2) A register under this part may be maintained in separate documents.

Reports on Compliance

8. (1) The Committee shall submit to the Commission a report containing the following information:

(a) In relation to two-year declaration—

(i) The number of state officers on the payroll as at 31st October of the year of declaration;

(ii) A certified copy of the register maintained in accordance with paragraph 6;

(iii) The total number of state officers who have complied with the requirement for declarations;

(iv) The total number of state officers who have not complied with the requirement for declarations;

(v) Action taken by the Committee in relation to any state officer who has not complied;

(vi) Any relevant remarks on the submissions.

(b) In relation to the initial and final declaration—

(i) Number of state officers required to make a declaration;

(ii) The number of state officers who have complied with the requirement for declaration;

(iii) Number of state officers who have not complied with the requirement for declarations;

(iv) Action taken in relation to any state officer who has not complied;

(v) Any relevant remarks on the submissions.

2. The report under this part shall—

(a) In relation to a two-year declaration, be submitted to the Commission, not later than 31st July, of the year following the declaration;

(b) In relation to initial and final declarations, be submitted to the Commission not later than 31st July following the end of the financial year within which the declarations were made.

PART III—PROCEDURE IN RELATION TO CLARIFICATIONS

Requests for Clarification

9. (1) The Secretary or the Designated Officer shall review each declaration to ascertain if any of the following conditions exist—

(a) on the face of the declaration, or in light of any other information the Committee may have, there is reason to suspect the declaration may be false or incomplete;

(b) the assets of the declarant appear disproportionate to his or her known income;

(c) the income, assets or liabilities of the declarant raise concerns of impropriety or conflict of interest.

(2) If it is suspected that any of the conditions in subparagraph (1) exist, the Secretary or Designated Officer shall give the declarant an opportunity to make a clarification in accordance with section 28(1) of the Act.

(3) Request for a clarification shall be made in writing.

(4) The Secretary or Designated Officer shall, in the register of declarations, document the particulars of clarification sought, the mode of communication, the time given to respond, the date and particulars of response, if any.

(5) If no explanation is given, or if after considering any explanation the declarant may give, the Secretary or Designated Officer is of the opinion that the conditions in subparagraph 9(1) still exist, the Secretary or Designated Officer may, in addition to any other action including investigations and commencement of civil proceedings, take disciplinary or other appropriate action against the state officer.

PART IV—PROCEDURE FOR THE ACCESS OR PUBLICATION OF INFORMATION IN A DECLARATION

Access and Publication of Information in a Declaration

10. (1) The Committee or any other person shall not disclose, access, acquire or publish the information in the declaration form except as may be provided in the Act, the Regulations, these Procedures, or any other written law.

(2) A person who wishes to gain access or to publish information in relation to a declaration under the Act shall—

(a) apply to the Committee in the form set out in Appendix I;

(b) demonstrate to the Committee that he or she has a legitimate interest in the information; and

(c) demonstrate to the Committee that the access to or publication of that information shall be for a good cause and in furtherance of the objectives of the Act.

(3) Where the information is intended to be disclosed or publicized, the applicant shall expressly state so in the application.

(4) Where a person has made an application to the Committee in accordance with this paragraph—

- (a) the Committee shall issue the applicant with an acknowledgement in the form set out in Appendix II;
- (b) the Committee shall inform the declarant of the application in writing;
- (c) the Committee shall give the declarant an opportunity to make a representation in writing in relation to the application within 14 days; and
- (d) the Committee shall take into consideration the representation by the public officer while determining the application.

(5) The Committee shall determine an application made in accordance with this paragraph and communicate its decision in writing to the applicant within thirty (30) days of receipt of the application.

(6) For the avoidance of doubt, the Committee shall not release or part with the original declaration made by any state officer in satisfying the requirement of this paragraph, unless required for investigation by a law enforcement agency or by any written law.

PROVIDED that where an original declaration is released under 10(4) above the Committee shall always retain a certified copy of the declaration;

(7) The Committee shall maintain a register of applications and decisions made under this paragraph setting out—

- (a) the name of each applicant;
- (b) the date each application was received;
- (c) the name and personal number of the state officer who is the subject of the application;
- (d) the department or other unit to which the state officer belongs;
- (e) a brief description of the information applied for;
- (f) whether the state officer accepts or opposes to the information applied for;
- (g) a brief description of the decision made in relation to the application including reasons for denial where applicable; and
- (h) date when the decision was communicated to the applicant.

Access by Declarant

11. An Application for access by A state officer to his or her declaration may be determined by the Secretary.

Proof of Identity

12. The Committee shall not give access to the information in a declaration to—

- (a) the state officer unless the state officer proves his or her identity; or
- (b) a representative of the state officer unless that representative—
 - (i) Provides proof of his or her authority to act as a representative of the state officer; and
 - (ii) Provides proof of identity of the state officer.

Decision to be Final

13. (1) Except as provided under the Act, Regulations and these Procedures, the decisions of the Committee in relation to a declaration by A state officer shall be final.

(2) Any person dissatisfied with the decision may appeal in accordance with the procedures set out in the Public Officer Ethics (Management, Verification, and Access to Financial Declarations) Regulations, 2011.

Regulations to Apply to this Part

14. This part shall be read and construed together with the Public Officer Ethics (Management, Verification, and Access to Financial Declarations) Regulations, 2011.

PART V—PROCEDURE IN RELATION TO STORAGE AND RETENTION OF DECLARATION FORMS

Mechanisms for Storage, Retention and Retrieval

15. (1) The Committee shall ensure that appropriate mechanisms are put in place for the safe and secure storage, retention and easy retrieval of the declarations

(2) The mechanisms established under sub-paragraph (1) may include manual, electronic, microfilm or any other form as the Committee may consider appropriate.

Cessation of Retention of Information

16. (1) Where the period for retaining information obtained in accordance with Part IV of the Act has lapsed, the Committee shall determine the action to be taken in relation to that information.

(2) The Secretary may make a written proposal to the Committee in relation to the action to be taken by the Committee in accordance with sub-paragraph (1).

PART VI—GENERAL PROVISIONS

Powers of the Committee

17. (1) Notwithstanding delegation of any function or power by the Committee for the purposes of these Procedures, the Committee may—

- (a) exercise the delegated power or perform the delegated function; or
- (b) on its own motion or request by any person, revise a decision of the Secretary made for the purposes of these Procedures.

(2) The Committee may from time to time review the operational procedures put in place by the secretary in the application of these procedures.

Matters not covered by these Procedures

18. The Committee may issue written instructions in relation to any matter that has not been provided for in these procedures.

Representations to the Committee

19. The Committee may consider representations from any person in the application of these Procedures.

Review

20. (1) The Committee may from time to time review the operational arrangements put in place by the Secretary in the application of these Procedures.

(2) The Committee may review these Procedures from time to time as may be necessary.

INVITATION OF PUBLIC COMMENTS

PURSUANT to Regulation 21 of the Environmental Management and Co-ordination (Impact Assessment and Audit) Regulations, 2003, the National Environment Management Authority (NEMA) has received an Environmental Impact Assessment Study Report for the above proposed project.

The proponent, Subati Group Limited proposes to set up a variety of hardwood plantation forest comprising of sandalwood, teakwood and rosewood species on approximately 150 Ha for commercial purposes (extraction of oil and other products from seeds, stems and roots). The proposed project sits in an area that has not been cultivated before and is currently covered in grass and shrubs. The water for irrigation will be drawn from abstraction of flood water from adjacent River Athi, earth Dams that exist in the proponent's farm and water harvested from the roofs of the green house.

The following are the anticipated impacts and proposed mitigation measures:

<i>Possible Impacts</i>	<i>Mitigation Measures</i>
Flora and fauna	<ul style="list-style-type: none"> • Undertake selective vegetation clearing that allows regeneration. • Undertake routine monitoring/clearance of invasive species. • Give provisions for wildlife corridors and buffer zones.
Water quality and demand	<ul style="list-style-type: none"> • Install construction water storage facilities at the site. • Minimize disposal wastewater disposal at the project site.
Noise and vibrations	<ul style="list-style-type: none"> • Provide PPE to workers and persons visiting the site. • Ensure the machineries do not exceed acceptable noise limits. • Inform local residents of activities that are likely to generate excessive noise. • Truck drivers to switch off engines during offloading materials avoid unnecessary hooting.
Soil erosion	<ul style="list-style-type: none"> • Allow minimal vegetation clearing and disturbance at the site. • Undertake proper planning of site clearing of vegetation during project Implementation.
Air quality	<ul style="list-style-type: none"> • Provide personnel with Personal Protective Equipment and Clothing (PPE & C) such as dust masks. • Palliate stockpiles of earth generated with water regularly to suppress evolution of particles.
Occupational health and safety	<ul style="list-style-type: none"> • Ensure all equipment are inspected before use for appropriate safeguards. • Ensure controlled working hours and that employees do not extend working hours unnecessarily. • Ensure appropriate road safety signage are strategically placed in and round the plantation.
Solid wastes	<ul style="list-style-type: none"> • Encourage wastes segregation at source into different wastes categories before disposal. • Contract licensed waste management firm for disposal of large quantities of solid wastes. • Domestic solid wastes to be temporarily stored in refuse bins before disposal by licensed contractor.
Liquid wastes	<ul style="list-style-type: none"> • Provide workers with appropriate and adequate sanitary facilities i.e. toilets. • Wastewater from concrete/aggregates to be disposed into sedimentation pools & reuse clean water.
Increased pressure on water resources	<ul style="list-style-type: none"> • Investigate options for water efficient measures to reduce pressure on existing water resources. • Undertake water treatment of potable standard for reuse in production processes. • Incorporate relevant and practical wastewater reuse options into the operational procedures. • Ensure compliance with Water Resources Management Rules, 2007 on groundwater abstraction.

<i>Possible Impacts</i>	<i>Mitigation Measures</i>	<i>Possible Impacts</i>	<i>Mitigation Measures</i>
	<ul style="list-style-type: none"> Undertake regular groundwater monitoring, especially of boreholes supplying water to the facility. 		<ul style="list-style-type: none"> Ensure compliance with Occupational Safety & Health Act (Part XI).
Increased storm water	<ul style="list-style-type: none"> Undertake regular surface water monitoring in the downstream. Ensure storm water drainage system is in good functional condition. Develop and implement contingencies for groundwater and downstream wetlands. 		<ul style="list-style-type: none"> regulations on construction activities. Undertake regular occupational health and safety audits and submit reports to DOHS. Provide first aid kit at the facility.
Wastewater effluents	<ul style="list-style-type: none"> Apply best available technologies and adopt cleaner wastewater management techniques. Install grease traps in the drains to remove solidified fat from the restaurant wastewater. Install a functional biological treatment (aerobic/anaerobic processes) for wastewater treatment. Apply for waste discharge permits from NEMA. Undertake annual environmental audits and submit findings to NEMA. 	Noise pollution	<ul style="list-style-type: none"> Schedule noisy activities during the day time period. Use silencers on machines where possible. Ensure machinery is well maintained to reduce noise emitted.
		Air/dust pollution	<ul style="list-style-type: none"> Practice dust management techniques, including watering down dust. Set up dust barriers/ screens at strategic locations. Provide and enforce the appropriate use of PPE against dust for staff.
Solid wastes	<ul style="list-style-type: none"> Contract licensed waste management firm for disposal of large quantities of solid wastes. Domestic solid wastes to be temporarily stored in refuse bins before disposal by licensed contractor. Concrete, asphalt and other waste aggregate should be stored and reused. All reusable materials should be reused to minimize on quantity of solid waste generated. Undertake annual environmental audits and submit report to NEMA. 	Liquid wastes	<ul style="list-style-type: none"> Adhere to EMCA 2006 water quality regulations. Adhere to WRMA 2007 guidelines for effluent discharge into surface water resources. FOR THE PROPOSED PROPOSED NZOIA (II) 20MW SMALL
HYDROPOWER PLANT ON PLOT L.R NO.
NDIVISI/MIHUU/4886 IN WEBUYE TOWN, BUNGOMA
COUNTY**

INVITATION OF PUBLIC COMMENTS

PURSUANT to Regulation 21 of the Environmental Management and Co-ordination (Impact Assessment and Audit) Regulations, 2003, the National Environment Management Authority (NEMA) has received an Environmental Impact Assessment Study Report for the above proposed project.

The proponent, Jiatian (Kenya) Company Limited proposes to construct a 20 MW small hydropower project (SHP) on River Nzoia. The power will be evacuated through a 3.3 km long 33kV transmission line connect to Webuye 132/33 kV substation of national grid with associated facilities and amenities.

The following are the anticipated impacts and proposed mitigation measures:

<i>Possible Impacts</i>	<i>Mitigation Measures</i>
Change in land use	<ul style="list-style-type: none"> Obtain a change of user from the County Government of Bungoma.
Land degradation	<ul style="list-style-type: none"> Initialize stabilization of the construction site walls. Rehabilitate decommissioned construction site.
Hydropower plant construction overburden	<ul style="list-style-type: none"> Reuse overburden as backfilling material.
Effects on Landscape And Visual Intrusions	<ul style="list-style-type: none"> Consider the existing landforms and vegetative cover in siting before drilling and excavation. Locate the plant, stockpiles, overburden, construction site waste and haul routes away from sensitive landscape and visual receptors. Backfill the construction site pits using the overburden generated.
Impact on biodiversity	<ul style="list-style-type: none"> Retain vegetation cover where possible within the site. Rehabilitate the hydropower plant site and surroundings.
Soil erosion and sedimentation	<ul style="list-style-type: none"> Take into account the 30m setback as per the Water Resource Management Rules, 2007 and the Shoreline Management Strategy for Kenya, 2010.
Occupational health and safety	<ul style="list-style-type: none"> Register the site as a workplace with DOSHS. Provide adequate training to staff on health and safety. Provide and enforce use of appropriate PPE. Provide first aid services and emergency vehicle at the site. Provide the correct equipment and train employees on their use. Designate a fire assembly point within the facility.

<i>Possible Impacts</i>	<i>Mitigation Measures</i>
	<ul style="list-style-type: none"> Develop a fire safety plan for the facility. Regulate access to the site. Backfill the hydropower site pits. Ensure compliance with the provisions of the OSHA, 2007.
Air pollution	<ul style="list-style-type: none"> Install dust screens around the project site during construction. Provide and enforce use of appropriate PPE. Retain existing vegetation in areas which are not earmarked for hydropower generating to act as dust screens and a buffer zone. Monitor fugitive emissions. Comply with the Air Quality Regulations, 2014.
Noise and excessive vibration pollution	<ul style="list-style-type: none"> Locate the hydropower construction plant as far as practical from neighboring properties. Provide and enforce the use of earmuffs to all workers and visitors accessing noisy areas of the facility. Ensure that the vibration levels do not exceed 0.5 centimeters per second beyond the source property boundary. Conduct noise mapping to inform mitigation measures. Comply with the Noise and Excessive Vibration Pollution (Control) Regulations, 2009.
Thermal pollution	<ul style="list-style-type: none"> Use cooling towers before releasing heat to the environment. Reduce the number of working hours for the employees operating around the kilns and its environs. Provide and enforce use of PPE to workers accessing high heat areas. Shield surfaces where workers 'proximity and close contact with hot equipment is expected. Implement specific personal protection safety procedures to avoid potential exposure to exothermic reactions.
Water quality degradation	<ul style="list-style-type: none"> The reservoir site below the normal water level will be cleaned before the reservoir is filled and remove the floating debris. Strengthening of monitoring of water quality and removing the floating garbage from the reservoir in a timely manner. The Project Proponent will partner with the Bungoma and Kakamega County Governments in strengthening forest protection in the upstream area. Designated domestic disposal site for centralized treatment. Water storage tanks will be installed to store water for use on site so as not to strain local sources. Secure the site with an impermeable boundary wall to ensure that the mining tailings and overburden are contained within the site.

<i>Possible Impacts</i>	<i>Mitigation Measures</i>
	<ul style="list-style-type: none"> Maintain maximum existing vegetation coverage and plant more trees along the boundary wall to act as buffers.
Effluent generation	<ul style="list-style-type: none"> Install a bio-digester and undertake quarterly analysis of the effluent. Comply with Water Quality Regulations, 2006.
Energy demand	<ul style="list-style-type: none"> Maintain machinery and equipment in a serviceable and good working order to maximize their efficiency on fuel.
Solid waste generation	<ul style="list-style-type: none"> Procure and strategically place adequate solid waste collection bins with a capacity for segregation within the site. Create awareness on best solid waste management practices. Procure a sizeable central solid waste collection bin with chambers to accommodate separated waste. Procure the services of a NEMA licensed solid waste handler. Re-use waste and soil materials for backfilling. Comply with the Waste Management Regulations, 2006.
High voltage power lines	<ul style="list-style-type: none"> The proposed high voltage power line will pass along the river riparian way-leave. The power line will pass at least 300 m away from the residential areas.
Traffic and transport	<ul style="list-style-type: none"> All vehicles will comply with axle load limits as set out by National Transport and Safety Authority (NTSA). Well trained and experienced drivers will be used. All special transport will be done in accordance with Kenya Police and Road Regulations, Rules and guidelines.

ENVIRONMENTAL IMPACT ASSESSMENT STUDY REPORT
FOR THE PROPOSED EXPANSION OF BLENDING FERTILIZER
PLANT AT ATHI RIVER, MAVOKO SUB COUNTY,
MACHAKOS COUNTY

INVITATION OF PUBLIC COMMENTS

PURSUANT to Regulation 21 of the Environmental Management and Co-ordination (Impact Assessment and Audit) Regulations, 2003, the National Environment Management Authority (NEMA) has received an Environmental Impact Assessment Study Report for the above proposed project.

The proponent, Maisha Mineral Fertilizer Limited, proposes an expansion of the fertilizer blending plant for making multiple grades of fertilizer within the existing Fertilizer plant at Athi River, Mavoko Sub County. The production will utilize five different raw materials i.e. Limestone, Gypsum, Urea, DAP and MOP. The project will utilize granulation technology with a zero effluent discharge and no water requirement for the production process

The following are the anticipated impacts and proposed mitigation measures:

<i>Possible Impacts</i>	<i>Mitigation Measures</i>
Occupational health and safety of workers due to project activities	<ul style="list-style-type: none"> The contractor to ensure that during the construction work all relevant provisions of the Building and Other Construction Workers (regulation of employment and conditions of services) Act, are adhered to. All work force to be subjected to an orientation program to familiarize them with work requirements, safety practices at work, safe distances to keep from earth moving equipment, emergency response etc. Contractor to ensure that each worker use the safety equipment's like helmets, Safety shoes, goggles, Protective eye gear, helmets, gumboots and vests when on construction site.
Air quality	<ul style="list-style-type: none"> Cyclone to be installed to control dust. Ash collection system shall be provided to control PM emission. Furnace Ash shall be used in the sister cement company. Cover conveyer system with dust collection system at transfer points. Construction equipment having "Pollution Under Control Certificate" be deployed during the activity to restrict the exhaust emissions. Water sprinkling to be done at regular interval in dust generating areas.
Noise quality	<ul style="list-style-type: none"> The standards for occupational exposures - tolerable level is 90 dB(A) for 8-hour exposure. This level will be achieved inside work area through use of properly maintained machines, pumps, compressors and vehicles. Mufflers, silencers, acoustics treatment of room to be done wherever required. The construction equipment will undergo preventive maintenance test at routine intervals.
Water quality	<ul style="list-style-type: none"> The domestic wastewater generated from the toilets, washrooms and canteen of the plant to be disposed in septic tank and soak pit. The network of storm water drains, and wastewater drains inside the plant to be made separate. The drains to be properly aligned in conformity with the site drainage pattern so that the alteration is kept to the minimum and flooding or soil erosion.
Impact of road transportation	<ul style="list-style-type: none"> Transportation vehicle movement to be scheduled during non-peak hours, i.e., late

Possible Impacts	Mitigation Measures
	evening or early morning hours to prevent traffic congestion.
	<ul style="list-style-type: none"> • Proper parking shall be established for vehicles. • Comply speed limits of the specific road while transportation of material. • All drivers to carry the valid license.
Social impacts	<ul style="list-style-type: none"> • To control the fugitive emission during construction phase adequate water sprinkling system to be developed in dust generating area. • All trucks/machineries used for construction to have PUC. • All the loose construction material will be transported incoved trucks/dumpers. • Regular maintenance of all the construction equipment including dumpers/trucks to prevent leakage and Noise and dust emissions. • Hoarding the area for safety and minimization of dust spread.

The full report of the proposed project is available for inspection during working hours at:

COUNTY

INVITATION OF PUBLIC COMMENTS

PURSUANT to Regulation 21 of the Environmental Management and Co-ordination (Impact Assessment and Audit) Regulations, 2003, the National Environment Management Authority (NEMA) has received an Environmental Impact Assessment Study Report for the above proposed project.

The proponent, National Cement Company Limited-Kaloleni, proposes a twelve month process of upgrading of an existing National Cement Company Limited. The Project is a clinkerization and grinding plant and includes supporting facilities [office blocks, staff colony,

water treatment plant, ponds and warehouses] and 3 quarries. The project is located in Kaloleni, Kilifi County.

The following are the anticipated impacts and proposed mitigation measures:

Possible Impacts	Mitigation Measures
Noise and vibration impacts	<ul style="list-style-type: none"> • Throttle settings to be reduced, and equipment and plant turned off, when not being used. • Equipment to be regularly inspected and maintained to ensure it is in good working order. • Fitting of mufflers or silencers of the type recommended by manufacturers. • Alternatives to diesel and petrol engines and pneumatic units, such as hydraulic or electric-controlled units, to be used, where practicable.
Air pollution impacts	<ul style="list-style-type: none"> • Develop a Dust Management Plan. • Impose speed limits on haul routes and in construction compounds to reduce dust generation. • Minimise drop heights when loading stockpiles or transferring materials. • Undertake watering to attenuate dust near sensitive receptors. • Revegetate exposed areas as soon as feasible. • Where track out is onto paved roads, use wet road cleaning methods to remove dirt and mud build up.
Impact on flora and vegetation	<ul style="list-style-type: none"> • No deviation from the access road position without prior discussions with the authorities. • Alien invasive vegetation to be removed immediately and disposed of properly, at a licensed waste disposal facility as necessary.
Community Health and Safety Impacts	<ul style="list-style-type: none"> • Develop and monitor the implementation of a Community Health and Safety Management Plan. • Develop Emergency Response Plans (ERPs) in cooperation with local emergency authorities and hospitals.
Impact on Fauna	<ul style="list-style-type: none"> • Speed of project vehicles to be controlled at a maximum limit of 40 km/h to minimize roadkill.
Soil erosion and contamination impacts	<ul style="list-style-type: none"> • Vegetation clearing, and topsoil disturbance to be minimized. • Contour temporary and permanent access roads/laydown areas so as to minimize surface water runoff and erosion. • Topsoil shall be evenly spread across the cleared areas when reinstated.

**IMPORTANT NOTICE TO SUBSCRIBERS TO
THE KENYA GAZETTE**

THE following notes are for the guidance of persons submitting "copy" for inclusion in the *Kenya Gazette, Supplement*, etc.:

- (1) *The Kenya Gazette* contains Notices of a general nature which do not affect legislation. They are, therefore, submitted to the Government Printer directly.
- (2) *Legislative Supplement* contains Rules and Regulations which are issued by the National or County Governments. Because of this, they must be submitted to the Government Printer through the office of the Attorney-General.
- (3) *Bill Supplement* contains Bills which are for introduction in the National Assembly, Senate or County Assemblies.
- (4) *Act Supplement* contains Acts passed by the National Assembly, Senate or County Assemblies.

All "copy" submitted for publication should be prepared on one side of an A4 sheet no matter how small the Notice is, each page being numbered and should be typed with double spacing. Copy should be clear, legible and contain no alterations.

Particular attention should be paid to the following points:

- (i) Signature must be supported by rubber-stamping or typing the name of the signatory in capital letters.
- (ii) Must be correct and filled in where necessary.
- (iii) Care should be taken to ensure that all headings to Notices and references to legislation are up to date and conform with the Revised Edition of the Laws of Kenya.

EXTRACT FROM THE HUMAN RESOURCE POLICIES AND PROCEDURES MANUAL FOR THE PUBLIC SERVICE —

Kenya Gazette

A.30 (1) All communication for publication in the *Kenya Gazette* should reach the Government Printer not later than Friday of the week before publication is desired.

(2) A State Department will be required to meet the cost of advertising in the *Kenya Gazette*.

It is emphasized that these notes are for guidance only, but it is requested that persons submitting copy for publication first satisfy themselves that such copy is complete in every respect.
