GAZETTE NOTICE No. 1758

THE INDUSTRIAL COURT

CAUSE NO. 1 OF 1976

Parties:

Kenya Union of Commercial Food and Allied Workers
and

Credit Finance Corporation

Issue in dispute.—Violation of clause 4 of the parties Collective Agreement in so far as the wages of the following are concerned:—

Messrs. Paulo, Aswani, Thuo, Witore Goche, Ndeti, Alum and Mulaya Mwathe.

1. The Kenya Union of Commercial Food and Allied Workers shall hereinafter be referred to as the Claimants and Credit Finance Corporation Limited shall hereinafter be referred to as the Respondents.

2. The parties were heard in Nairobi on 27th April, 1976, and relied on their written and verbal submissions.

AWARD

3. The Court received the Notification of Dispute Form "A" dated 6th October, 1975, signed by both parties along with the Labour Commissioner's statutory certificate on 2nd January, 1976.

Originally the hearing was fixed for 14th March, but as the Claimants wanted further time for their written submission the hearing took place on 27th April as stated hereinabove.

The parties signed a Collective Agreement on 28th November, 1974, which came into force on the 1st January, 1975, and was registered by the Industrial Court as RCA No. 12 of 1975 on 29th January, 1975.

Under clause 4 of this Collective Agreement the parties agreed as follows:—

"1975 Office Messengers, Drivers, Askari, Office Cleaners and other junior staff not herein provided.—Salary at 1st January, 1973, plus 30 per cent and plus Sh. 30 per month for over ten years' service.

Car Park Watchmen.—Sh. 650 per month.

Clerical staff

To be granted an increment of 20 per cent of salary at 1st January, 1974, to be added to salary at 1st July, 1974, to establish salary for 1975.

1976 All staff

An increment of 10 per cent on salary at 1st January, 1975, but should the cost of living index increase to over 150 (based on August, 1971 = 100) then a further increase will be negotiable."

The Claimants have brought this dispute on behalf of their aforesaid members working for the Respondents alleging that when the said Collective Agreement was drawn up it was clearly understood that although the percentage increase would be based on the 1973 wages any merit, annual or other increments already earned by any employee since then would not be lost but would be added to the accrued new wage.

The Claimants added that as a result of the breach of the Collective Agreement by the Respondents each one of these workers had lost a sum of Sh. 80 per month from the effective date.

The Claimants submitted that they had been hoodwinked by the Respondents into signing the said Collective Agreement.

The Claimants stressed that it was a worker's inalienable right to continue to earn any merit or annual increments granted to him unless otherwise commuted by mutual consent.

The Claimants also pointed out that the aforesaid workers had suffered a further loss because 10 per cent increase awarded to them on 1st January, 1975, was on the rates exclusive of the workers annual and merit increases.

The Claimants asked the Court to order the Respondents to recalculate the workers increases in accordance with the Claimants' interpretation of the aforesaid clause 4.

The Respondents categorically denied the Claimants' allegation that there was an understanding between them that employees' merit, annual or other increments already earned by them would be added on top of the 30 per cent increase.

The Respondents gave all the relevant details in respect of each one of the persons involved in this dispute.

The Court notes that the salary progression of the seven employees was as follows after the implementation of the aforesaid Collective Agreement by the Respondents.

Name of Aggrieved Employees	Salary at 1-1-73 in Sh. p.m.	+ 30% of Salary at 1-1-73	Actual Salary at 1-1-75 when Agreement came into effect in Sh. p.m.
1. Paulo Siling	535	+ 160.00	696
2. Mrs. Amwai	380	+ 114.00	496
3. Mureithi Thuo	560	+ 168	728
4. Witore Goche	515	+ 154.50	675 (699/50)
5. Ndeti Muathe	490	+ 147	637
6. (Alam) Samwel Maina	560	+ 168	728
7. Muonga Mwathe	515	+ 154.50	675 (699/50)

The workers received a further 15 per cent increase on 1st January, 1976.

The Court has carefully gone through the wording of clause 4 of the Collective Agreement and finds that there is no ambiguity therein. The wording is rather unusual but is quite clear and when it is viewed with the resultant wage as set out above it becomes evident why the parties made no reference to annual merit or other increments when agreeing to a 30 per cent wage increase on the wages as at 1st January, 1973.

All these employees are subordinate staff and their wages after the 30 per cent increase puts them among the highest in the country for their level of work. The Claimants as their representatives agreed to this arrangement.

The Court has repeatedly pointed out in the past that the parties should clearly read and understand the contents of the collective agreements before signing them as the Court cannot later on assist them if they say that certain things were understood between them although not recorded in the agreement. Were the Court to allow this type of demand to succeed it would lead to an impossible situation in the country as far as industrial relations are concerned. No one would know what to expect at any given time.

The Court cannot accept the Claimants' contention that they were hoodwinked by the Respondents into signing the aforesaid Collective Agreement as on their own admission the Respondents have had smooth and cordial industrial relations with them over the last so many years. Moreover the Claimants' representative who dealt with the matter is a senior and experienced official.

In the aforesaid circumstances and after a careful consideration of all the submissions the Court finds that the Respondents have not violated clause 4 of the Collective Agreement between the parties regarding the aforesaid seven employees and the Court accordingly rejects the Claimants' demands.

Given in Nairobi this 7th day of June, 1976.

Judge.

GAZETTE NOTICE No. 1761

THE TRADE MARKS ACT

(Cap. 506)

NOTICE is hereby given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge notice of opposition on Form T.M. No. 6 (in duplicate) together with a fee of Sh. 50.

Notice is also hereby given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Office, Nairobi.

Applications for registration in Part A of the Register are shown with the official number unaccompanied by any letter. Applications for Part B are distinguished by the letter B prefixed to the official number.

The undermentioned applications are proceeding in the name of CRANBUX LIMITED, manufacturers of Beecham House, Brentford, Middlesex, England. C/o Messrs. Kaplan & Stratton, advocates, P.O. Box 40111, Nairobi.
