Col. A. Dunstan Adams, Nominated by the Group.  
A. A. Ochwada, Esq., M.L.A., Nominated by the Union.

THE Union was represented throughout the proceedings by the General Secretary, G. S. Muhanji, and the Group by the Personnel Officer to Messrs. Unga Ltd., G. A. T. Wise.

The Tribunal was established by the Minister for Labour and Social Services in his letter IR. 1/121/63 dated 20th April 1964 with the following terms of reference:—

- (a) Increased wages.
- (b) Increased annual paid leave.
- (c) Leave allowance.
- (d) Increased sick leave allowance.
- (e) Maternity leave.
- (f) Safari allowance.
- (g) Acting allowance.

The hearing lasted six days and a total of ten witnesses were examined. In addition to this various documents were submitted by both parties in support of their claims.

## FINDINGS AND AWARDS

## (a) Increased Wages

The Union's demand under this head is set out in Appendix "B" of their memorandum. In addition there is a further demand for Sh. 50 above the rate for the job so that no employees may suffer a decrease in salary. It is also claimed by the Union that since the agreement signed on 1st August 1962, expired on 31st July 1963, then that should be the effective date of any award. In support of their argument the Union quotes a cutting from the *East African Standard* which states that Messrs. Unga Limited made a profit of £208,000 for the year ending 31st July 1963. The Union alleged that the Group lagged behind other employers in the country in regard to their wage offers and the present salary structure was inadequate to meet the workers expenses. Witnesses were called to show that they were always short of money each month after meeting their minimum expenses, housing alone accounted for Sh. 102 of their salary. The Union contended that the Group had been very difficult and the poor response to the workers demands had led to stoppages of work in the past. The Union suggested that if the Group acceded to the Union's present demand they would be coming into line with the rates paid by other employers.

The Group said in reply that the Union's demand could not be accepted as it represented nearly 100 per cent increase on the current rates. During the past three years the Group has given increases of between 31 and 35 per cent according to the job done, but during the same period there had been no increase in the price of wheat products which formed 70 per cent of the Group's business. The Group maintained that the cost of living index did not substantiate the Union's demand for such a large increase as nearly 100 per cent and went on to say that during the 1962-1963 increments of Sh. 30 and Sh. 20 respectively had been given their employees.

The Group proposed that although there are four categories of workers, (a) manual workers, (b) non-manual workers, (c) laboratory workers and (d) artisans, categories (b) and (c) should be amalgamated and that there should be three wage scales, these are detailed in the Group's memorandum.

*Award.*—After careful consideration of all the points to the notice of the Tribunal I award the following wage scales:—

GRADES	MANUAL WORKERS		NON-MANUAL AND LABORATORY	
	Nairobi Mombasa	All Other Areas	Nairobi Mombasa	All Other Areas
I ..	188 00	178 50		
II ..	198 00	188 00		
III ..	209 00	198 50	200 00	190 00
IV ..	221 00	200 00	230 00	220 00
V ..	229 00	217 50	270 00	255 00
VI ..	243 00	231 00	320 00	305 00
VII ..	258 00	245 50	380 00	360 00
VIII ..	333 00	318 00	450 00	425 00
IX ..	488 00	463 00	560 00	530 00

## GRADES

## ARTISANS

		Nairobi Mombasa	All Other Areas
A/I ..	270 00	255 00	
A/II ..	320 00	305 00	
A/III ..	575 00	545 00	
A/IV ..	825 00	780 00	

The Group has given an undertaking, which I accept, that there will be no reduction in salary to those employees who are classified as "Red Circle".

The effective date of these salary scales is 1st August 1963.

There is no element of annual increment in my award.

Differing rates for male and female workers to continue as at present.

## (b) Increased Annual Paid Leave

The Union demanded that the present rate of annual paid leave be increased to 30 days and that a portion of it should be accumable so that at the end of three years the employee could go on long leave. The Group resisted any suggestion that annual leave should be increased and regarded unfavourably the idea of accumulation.

*Award.*—In consideration of the arguments produced by the parties I award no increase in the current 18 working days, but an employee may, at his own election, accumulate seven days per year for two years and add the 14 days so accumulated to his entitlement on completion of the third year.

## (c) Leave Allowance

*Award.*—I have considered the Sh. 2 per month mentioned by the Group as being part of the salary in making my award on wages, and so, I award the following leave allowances—

	Sh. cts.
Grades I to IV .. .. .	40 00
Grades V to IX .. .. .	80 00

in respect of manual, non-manual and laboratory workers; and for artisans—

	Sh. cts.
Grades A/I and A/II .. .. .	80 00
Grades A/III and A/IV .. .. .	100 00

## (d) Increased Sick Leave Allowance

The Union claimed that the present allowance is not sufficient and claimed, further, that an employee who does not use his entitlement in one year should be able to carry it forward to the next year. The Group maintained that the current arrangements are generous and could not accede to sick leave having a continuing effect.

*Award.*—I award that those employees in the employ of the Group for their first year shall be entitled to 15 days sick leave on full pay and 15 days sick leave on half pay, thereafter employees shall be entitled to 30 days sick leave on full pay and 30 days sick leave on half pay. These rates shall apply in any 12 consecutive months of service.

## (e) Maternity Leave

The Union's claim that female workers should get paid maternity leave for a period of six weeks prior to and six weeks subsequent to child birth is based on a submission that an increasing number of employers are granting this. In addition it is claimed that the Group should be liable for payment of medical expenses. The Group, on the other hand, said that it was not in favour of an employer being responsible for paid maternity leave and submitted that, if granted, it might mitigate against employment of female workers.

*Award.*—In consideration of the various arguments offered to the Tribunal I award that absence for the purpose of child birth shall be deemed to be sickness and shall qualify for a period of paid sick leave of 30 days on full pay but the Group shall not be required to meet any costs, medical or otherwise, incurred thereon. Any further period of absence from the total of 12 weeks shall be without pay. Further, only those married female employees who have completed 12 months unbroken service prior to claiming this sick leave shall be eligible for this award. Provided that a married female employee may only use the unexpired portion of sick leave granted under paragraph (d) of this award. I recommend, also, that female employees, at their own election, should be allowed to accumulate their local leave for a period of three years thereby they can take most of their absence for child birth with pay.

This award should be revised when female workers start getting the same pay as male workers.

## FINDINGS AND AWARDS—(Contd.)

(f) *Safari Allowance*

*Award.*—I award safari allowance to be payable as under:—

	Shs.	cts.
Full 24 hours .. .. .	20	00
Breakfast .. .. .	3	00
Lunch .. .. .	4	00
Dinner .. .. .	5	00

(g) *Acting Allowance*

Under existing arrangements an employee who acts in a grade higher than his own is paid an acting allowance only when he has completed 18 days in the acting capacity. The Union claims that this should be altered to allow payment for the whole time an employee acts.

*Award.*—In consideration of the submission made to the Tribunal I award as under:—

(i) An employee who acts in a grade higher than his own for a period of only 18 consecutive working days shall be entitled to an allowance equal to half the difference between his own basic salary and rate for the grade of the man being relieved.

(ii) An employee who acts for more than 18 consecutive working days shall be entitled to an allowance equal to the difference between his own basic salary and the rate for the grade of the man being relieved.

In conclusion I wish to record my appreciation of the help and guidance received from the two Assessors, Mr. Ochwada and Col. Dunstan Adams. Also I wish to thank Mr. Wise and Mr. Muhanji for putting forward their respective points of view so ably.

Dated this 30th day of July 1964.

THE TRADE DISPUTES (ARBITRATION AND  
INQUIRY) ACT  
(Cap. 234)

*In the matter of a trade dispute between the Kenya Chemical Workers Union representing the employees of Messrs. E.A. Match Co. of Mombasa and their employers, the E.A. Match Co. Ltd.*

IN his letters Reference Nos. ARB.2/8/64 of 2/5/64, ARB.2/8/64 of 21/5/64 and No. ARB.2/8/64 of 8/6/64 respectively, the Hon. Minister for Labour and Social Services appointed me as a sole arbitrator in accordance with section 8 (3) (a) of the Trade Disputes Act, 1964, to constitute a Tribunal to settle the issues in dispute between the Kenya Chemical Workers Union and the East African Match Co. Ltd. of Mombasa.

The matters in dispute being the following:—

- Hours of work.
- Overtime rates.
- Annual leave.
- Sick leave.
- Maternity leave and maternity benefits.
- Leave travelling allowances.
- Injury by accident, claim for increased benefits during incapacity.
- Wages.

Memorandas were received and exchanged by the Secretary to the Tribunal with my consent. The Tribunal sat on 6/7/64 at 9.30 a.m. at the office of the Senior Labour Officer, Mombasa.

Present at the Tribunal:—

Salim Mohamed Muhashamy—Arbitrator.  
Mr. W. W. Kidusu—Secretary of the Tribunal.  
Mr. John Ogwang—Acting General Secretary, Kenya Chemical Workers Union.  
Mr. Nelson Mwaura—Steward, The Kenya Chemical Workers Union.  
Mr. P. Khimasia—representing The East African Match Co. Ltd.

(a) *Hours of Work*

According to verbal evidence which was not disputed the present hours of work are as follows:—

No. 1 shift—7 a.m. to 12 noon and from 12.30 p.m. to 3 p.m.

No. 2 shift—3 p.m. to 8 p.m. and from 8.30 p.m. to 11 p.m.

I do not consider that the above arrangement is out of tune with the demand of the Union for a total of 43 hours a week and therefore my award is that a worker should not be required to work more than 43 hours per week and if so required he should be paid overtime.

(b) *Overtime Rates*

The Union demanded that workers should be granted time and a half on work performed on week-days, time and a half on Saturdays and double time on Sundays and Public Holidays. According to evidence the Company now grants to its employees one and a quarter time for work performed on week-days, one and half time for Saturdays and double time for Sundays and Public Holidays. I do not consider that the Company's arrangement falls short of the demand of the Union and my award is that workers be paid one and half time on week-days instead of one and a quarter time.

(c) *Annual Leave*

At present the company grants an annual leave at the rate of 18 days per annum with full pay to all its employees. I believe this to be the practice obtained in other firms employing similar workers and my award is that the employees of E.A. Match Co. Ltd. be granted 18 days with full pay annually provided Sundays and Public Holidays are added to the leave earned.

(d) *Sick Leave*

At present the Company grants to its employees 16 days sick leave with full pay and 16 days leave with half pay. On the other hand the Union demands 30 days sick leave with full pay and 30 days leave with half pay. I consider 16 days not adequate to enable a sick person to recover fully from natural sicknesses and therefore my award is that workers should be granted at least three weeks sick leave with full pay in the first instance and two weeks with half pay on production of medical certificate that such worker is still unable to follow his occupation.

(e) *Maternity Leave and Maternity Benefits*

The Company already grants to its employees at present two months maternity leave without pay. I consider two months leave to be adequate in cases of maternity and my award is that workers be granted two months maternity leave and be given the same benefits as are granted to sick employees of the company, e.g. three weeks leave with full pay and two weeks leave with half pay.

(f) *Leave Travelling Allowances*

The company does not at present grant to its employees leave travelling allowances. I believe it is the practice of other firms and Government Departments to grant leave passages to their employees and my award is leave with third class rail or road transport should be granted to the employees of the company when they proceed to their homes on annual leave.

(g) *Injury by Accident, Claim for Increased Benefits*

The company has always complied with assessment made by the Labour Department in cases of compensation arising out of accidents involving their employees in accordance with Workmen's Compensation Act. My award therefore is that cases of accidents and their assessment should be dealt with by the Labour Department.

(h) *Wages*

The present scale of pay for machine feeders employed at the company's match factory at Kwa Jomvu is for a male worker Sh. 120 per month and for a female worker Sh. 95 per month. The Acting Manager admitted in his evidence that that there was no classification in these workers, they all perform the same task yet they receive different scale of pay.

It is also admitted in evidence that workers are not provided with housing or housing allowances in lieu of houses.

On these facts I consider that since all the workers, I mean machine feeders who are doing the same kind of work, should receive equal pay regardless of being male or female and my award is that all workers male or female doing the work of machine feeding and receiving no house allowances should be given the salary of Sh. 140 per month inclusive of their house allowances.

All my awards should take effect from 1st July 1964.

I have been informed that there are other workers employed by the Company who are in receipt of higher remuneration than the machine feeders but since they are not members of the Union and they come under the direct control of the management, I did not consider myself or the Tribunal competent to arbitrate in their case.

I would like to take this opportunity here to place my appreciation of the invaluable help given to me by Mr. W. W. Kidusu of the Labour Department who acted as Secretary for the Tribunal.

S. M. MUHASHAMY,  
*Arbitrator.*
