## THE INDUSTRIAL COURT

CAUSE No. 50 OF 1968

## Parties:—

Kenya Local Government Workers' Union  
and  
Kisumu Municipal Council

## Issues in Dispute:—

- (1) Council's refusal to pay Pratt Salaries to Senior Health Assistant and Health Assistant Grade I.
- (2) Council's refusal to pay Pratt Salaries to Plant Operators.

1. The Kenya Local Government Workers' Union shall hereinafter be referred to as the Claimants and the Kisumu Municipal Council shall hereinafter be referred to as the Respondents.

2. The parties were heard in Nairobi on the 30th day of January 1969 and 14th March 1969 and relied on their written and verbal submissions.

## AWARD

The Respondents accepted to use Pratt salary scales as a basis for making adjustments to the salary structure of their employees in October 1965 as a result of negotiations which had been initiated by the Claimants.

The relevant health assistant designations in Pratt scales on page 24 were:—

Health Assistant (a) G.8: £460 by 20 to £580.

Health Assistant (b) G.9: £236 by 16 and £380 by 20 to £440.

Health Assistant (c) G.10: £163 by 7½ to £227.

The Respondents had created the post of Senior Health Assistant in March 1961 when the local authorities in Kenya had agreed that "the designation of posts be a matter for individual authorities" and would depend entirely upon local circumstances. The post of Health Assistant Grade I was created in 1965. The two officers holding these posts were placed in scales (a) and (b) quoted hereinabove and the Senior Health Assistant at present is at £552 and Health Assistant Grade I is at £330 p.a.

On 1st July 1966, the Ministry of Health created a post of Senior Health Assistant and soon thereafter the Claimants made representations to the Respondents on behalf of their two members to be upgraded and brought on the same scale as their counterparts in the Government service. Protracted negotiations took place coupled with an exchange of numerous letters and sometime in September 1966 the Respondents decided to refer this matter to a subcommittee for further consideration. This committee made no report and eventually the Claimants had to bring this matter to the Industrial Court.

The two officers concerned were promoted in January 1965 to the post of Senior Health Assistant and Health Assistant Grade I which has resulted in their being on their present salary scales.

After the first hearing on 30th January 1969, the Court requested the parties to furnish it with job descriptions of Senior Health Assistant and Health Assistant Grade I in the Government service and in the Respondents' establishment. The Claimants forwarded documents to the Court in which an attempt had been made by the Respondents' Medical Officer of Health to give the job description of the two posts. The Respondents on the other hand were not able to produce any such document from the Government and instead obtained information from a number of other local authorities in the country on the question of designation of these two posts and their salary scales. In view of this, the Court decided to give the parties a further opportunity of addressing it which the parties did on 14th March 1969. At this hearing the Claimants referred the Court to a letter dated 8th March 1969 which had been written by the Permanent Secretary, Ministry of Health to the Organizing Secretary of Kenya Health Assistants' Association in which it was stated as follows:—

"I am also aware that the Secretary of the Association of Local Government Employers knows these facts and he will no doubt endeavour to draw the attention of his Association to them. It is hoped therefore that no anomalies will be allowed to exist between the various local authorities in these scales and grades, and that genuine attempts will be made to provide adequate promotion posts in accordance with the existing establishments. This is essential as an incentive for harmony in service."

There is one feature in this dispute which remained unexplained during the hearing and that is the inordinate delay between the time Claimants took up this matter and the time the parties decided to refer this matter to the Industrial Court on 19th November 1968.

The Respondents conceded that they accepted the principle of equal payment for Senior Health Assistants and Health Assistants in local authorities and the Government but reiterated their argument that this should be so only if the occupants of these posts did the same work. They maintained strongly that the Kisumu job description did not fall in the same category as that of the Government Senior Health Assistant.

After a careful consideration of all the submissions and documentary evidence produced, the Court finds that the post of Senior Health Assistant was created in 1961 by the Respondents whereas the Government post of similar designation came into being in 1966. Further that this post is not uniform to all county councils and municipal councils, i.e. some have this designation and pay at the Government scales and others have not got it and pay at the old Pratt scales. The Court finds that the parties failed, particularly the Respondents, to produce adequate job descriptions of Senior Health Assistant and Health Assistant Grade I in Government services but the fact remains that the burden is on the Claimants to prove their case since they are seeking upgrading on behalf of their members. The Respondents have done as much as they could to help the Court in this matter and because there is no job description in existence in Government they were unable to produce one to the Court. Further Claimants called no witnesses to give evidence on this matter. Keeping all these points in view and the fact that such a long delay has taken place before the matter was brought to the Court and in view of what is stated hereinabove in the letter from the Permanent Secretary, Ministry of Health to the Organizing Secretary of Kenya Health Assistants' Association, the Court does not deem it proper to make an award at this stage as demanded by the Claimants. The Court has no doubt that this matter will be sorted out in due course as the trend in most of the local authorities is to catch up with the Government scales.

The Claimants will be at liberty to bring this matter again before the Court as a fresh dispute if it is not settled within six months.

On the question of Plant Operators, the Court finds that two of them should have been converted to a Plant Operator II scale of £230 to £332 and so awards. These two, who are a Compressor Operator and Tar Boiler Operator, are earning Sh. 387 and Sh. 330 p.m. respectively. On the question of backdating their conversion the Court, as stated earlier, finds itself in difficulty in view of the long delay before the matter was brought to a head and feels that to grant them conversion as from 1st January 1965 as claimed by the Claimants would be very unfair. The Court has, therefore decided that these two operators should be placed on the scale £236 to £332 with effect from 1st January 1968 or from the date they took up such duties provided that it is not earlier than 1st January 1968. The third Plant Operator involved in this dispute should remain on his present wage as the Court is not satisfied that he is entitled to be converted to the scale of a Plant Operator.

Given in Nairobi this 26th day of March 1969.

##### THE INDUSTRIAL COURT

CAUSE No. 4 OF 1969

*Parties:—*

Tailors and Textiles Workers' Union  
and

Mombasa and Coast Tailors' Employers' Association

*Issues in Dispute:—*

- (1) General wage increase.
- (2) Effective date.

1. The Tailors and Textiles Workers' Union shall hereinafter be referred to as the Claimants and Mombasa and Coast Tailors' Employers' Association shall hereinafter be referred to as the Respondents.

2. The parties were heard in Mombasa on the 11th day of March 1969 and relied on their writtend and verbal submissions.

#### AWARD

The Respondents entered into a Recognition Agreement with the Claimants on 26th September 1966 but no agreement regulating wages and terms and conditions of service in respect of employees of Respondents' members was negotiated. They were paid the statutory rates as laid down in the Regulation of Wages (Tailoring, Garment Making and Associated Trades) Orders from time to time.

The Respondents' counterparts in Nairobi, on the other hand, with effect from 1st February 1966, had entered into an agreement regulating wages, etc., of their employees. This agreement was subsequently revised with effect from April 1967 and again with effect from 1st August 1968, the last effective date being the result of the Industrial Court award in Cause No. 37/68. The agreement for the Nairobi group provides as follows on the question of wages:—

"Any employee who is already earning the new minimum set or above shall be given on overall increase of fifteen shillings 15/-."

This is what the Claimants are demanding in the present dispute on the issue of wages: to establish a uniformity of rates between the Nairobi and Mombasa groups. The Nairobi group has always bitterly complained about their competitors in Mombasa paying lower rates than them.

The Claimants made their demands, the subject matter of this dispute, to the Respondents on 28th August 1968 and pursued them vigorously, both during negotiations and conciliation. The Claimants offered to accept the effective date of any wage increase finally to be agreed between the parties to be 1st October 1968.

The Court has very carefully considered all the submissions made by the parties and finds that there are no justifiable reasons for the Mombasa group to pay lower rates than their counterparts in Nairobi.

The Court therefore awards that the Respondents should grant an overall wage increase of Sh. 15 to all employees who are on the present statutory rates or above. This award shall apply to all the firms who were members of the Respondents' group at the commencement of the negotiations that is 17th October 1968. This will bring them in line with the Nairobi group.

On the question of effective date the Court awards that it should be 1st October 1968 but rules that it should expire at the same date as the Nairobi agreement, i.e. on 31st July 1970.

## GAZETTE NOTICE No. 1051

THE TRADE MARKS ACT  
(Cap. 506)

NOTICE is hereby given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge notice of opposition on Form T.M. No. 6 (in duplicate) together with a fee of Sh. 50.

Notice is also hereby given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Office, Nairobi.

Applications for registration in Part A of the Register are shown with the official number unaccompanied by any letter. Applications for Part B are distinguished by the letter B prefixed to the official number.

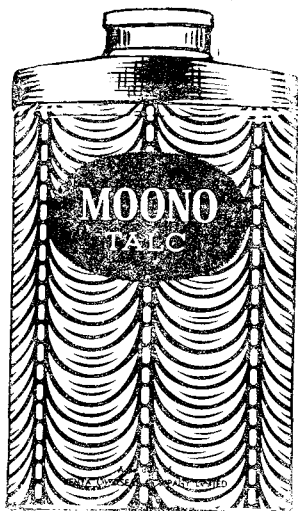

The undermentioned applications are proceeding in the name of KENYA OVERSEAS COMPANY LIMITED, a company duly organized and existing under the laws of the Republic of Kenya, manufacturing chemists, of Burton Road, Industrial Area, P.O. Box 2569, Nairobi, and c/o Messrs. Kaplan & Stratton, advocates, P.O. Box 111, Nairobi. 29th November 1968.
