THE INDUSTRIAL COURT

CAUSE No. 57 OF 1975

Parties.—

Kenya Local Government Workers' Union
and
Thika Municipal Council

Issue in dispute.—Refusal by the Council to correct anomalies and adjust salaries of Messrs. Joseph Kiburu, Charles Kiarie Njuguna, Peter Ndungu Gitau, Macharia Mwaniki and Samson Miatu Kimani.

1. The Kenya Local Government Workers' Union shall hereinafter be referred to as the Claimants and the Thika Municipal Council shall hereinafter be referred to as the Respondents.

2. The parties were heard in Nairobi on the 7th day of November, 1975, and relied on their written and verbal submissions.

AWARD

3. The Notification of Dispute Form "A" dated 28th May, 1975, was received by the Court on 22nd August, 1975, along with the statutory certificate signed by the Labour Commissioner.

In this dispute the Claimants are demanding arrears in respect of the employees concerned which they claim are due to them because the Respondents had wrongly graded them after the collective agreement between the parties was implemented from 1st January, 1970. The amounts claimed are as follows:—

"Joseph Kiburu Arrears from 1st March, 1970
to 31st October = Sh. 33,940.

Charles Kiarie Njuguna } Arrears from 1st March, 1970 to
Peter Ndungu Gitau } to 31st October, 1973, at
Macharia Mwaniki } Sh. 16,390 for each one of
Samson Miatu Kimani } them = Sh. 65,560."

It is not disputed that prior to 1st January, 1970, all the municipal councils comprising Committee No. 2 had their own distinct and separate job structures; the municipal councils involved are five and they all had their own gradings.

Prior to the January, 1970, collective agreement a completely unified grading structure was brought into force although the Claimants maintained that they did not agree to it as it was not a joint exercise while the Respondents maintained that it was agreed. The parties, however, are agreed on one point and that is that as a result of this unification of grades certain anomalies did arise and as a result this matter was tabled at a meeting between the parties on 17th November, 1971, when the following was agreed on the question of up-grading:—

"Various proposals on grading anomalies were raised but it was agreed that they should be discussed at the level of the Council concerned and the branch of the Kenya Local Government Workers' Union provided that they were within the job categories contained in the book of conditions of service."

The Court is satisfied from the documentary evidence produced during the hearing that the Claimants had actively pursued the claims in respect of these five workers.

Messrs. Njuguna, Gitau, Mwaniki and Kimani were all in Clerical Grade 4 starting at £275 by £24 to £396 by £36 to £576 with effect from 1st May, 1969.

Then comes the 1970 collective agreement in which new Grades 12 and 14 comprise the following job categories:—

- "12. Assistant Foreman Mechanic.
- Building Foreman.
- Clerk Grade 4.
- Copy Typist Grade 1—40 w.p.m.
- Enforcement Officer (not gazetted).
- Estates Superintendent.
- Homecraft Supervisor.
- Licensing Officer.
- M/c Operator Grade 2.
- Medical Assistant.
- Water Operator.

14. Assistant Water Operator.

Bar Manager.

Clerk Grade 6.

Copy Typist Grade III—25 w.p.m.

Headmistress.

Housing Assistant.

Main Switchboard Operator (over 10 lines).

M/c Operator Grade 4.

School Fees Collector.

Sub-Officer 1—Fire Brigade."

Grade 12 carries a salary of £540 by £24 to £732.

Grade 14 carries a salary of £420 by £24 to £588.

The Claimants rely on Clerk Grade 4 appearing under the new Grade 12 in respect of their claims for the above-mentioned persons who were in Clerical Grade 4 with the Respondents prior to the unification of the grading structure.

The Respondents have argued that all these four persons by being graded in the new Grade 14 had received substantial increases and further they did as a matter of fact the same work as Clerk Grade 6 stated under the new Grade 14.

The job classification covering Clerk Grade 6 is as follows:—

"This classification covers clerks employed in the following type of employment: general accounting duties requiring supervision; also general clerical work in stores with ability to keep proper records; preparation of invoices and accounts, storekeeping of office stationery, etc.; should be able to write out cheques and receipts and operating adding and calculating machines. Assisting in preparation of salaries and wages.

The qualifications would be Cambridge Overseas Certificate or equivalent or previous experience in similar employment."

The Court had the benefit of going through the personal files of each one of these four clerks and the Court is satisfied that they deserve to be slotted in the new Grade 14. Each one of them received a substantial increase as a result of the January, 1970, collective agreement and it would have been totally wrong for the Respondents to have put them in the new Grade 12 which obviously is not consistent with the duties performed by these persons.

The Court has no doubt that these four persons have tried to take advantage of the words "Clerk Grade 4" in the new Grade 12 to press forward their claims for the aforesaid arrears but the Court accepts the Respondents' submission that this Clerk Grade 4 in Grade 12 does not refer to Clerical Grade 4 in the Respondents' grading structure prior to the unified structure appearing in the 1970 collective agreement.

After careful consideration of all the submissions the Court rejects the claim for arrears amounting to Sh. 65,560 put forward by Messrs. Njuguna, Gitau, Mwaniki and Kimani.

Now coming to the claim of J. Kiburu the Court notes that this man is no longer in the service of the Respondents. His successor has been appointed in Grade 9.

Mr. Kiburu was employed as a salaries officer and the Respondents maintained that he was not the officer in charge of salaries section whereas the Claimants strongly maintained that except for the terminology he was the officer in charge of salaries section and he had two persons working under him and he was directly answerable either to the Treasurer and/or to his deputy and the Internal Auditor.

The Respondents maintained that his work tallied with the job description of a Clerk Grade 1 being as follows:—

"This classification covers clerks employed in the following type of employment: senior accounting duties including keeping accounts of all types, ability to take out trial balances; reconciling any type of despatch ledger or monthly statement of accounts; preparing documents for machine and manual accounting; should deal with general correspondence as required; be responsible for checking the work of other clerks and giving them supervision.

Clerks in this category have reached a responsible position and should be capable of undertaking all senior clerical duties.

The qualifications would be Cambridge Overseas Certificate equivalent or previous experience in similar employment."

The Court has carefully studied the relevant minutes regarding Mr. Kiburu and finds that there is no firm commitment as claimed by the Claimants that he was promoted. The relevant minute reads as follows:—

"The Acting Town Treasurer informed the Committee that this matter was discussed during the last Staff Committee as under Min. 106/73. Mr. Kiburu had been doing the job of salaries officer for the last two years. At the moment this Council does not have the post of salaries officer and he requested that it be included in the Council's Establishment.

The Town Clerk informed the Committee that the question of designation of Mr. Kiburu and the salaries conversion should be considered when making the 1974 Estimates."

The Court finds that in the above minute it does not say that Mr. Kiburu was promoted to the job of officer in charge of the salaries section but it states that he was doing the job of a salaries officer and there is nothing more than a request that the post of the salaries officer be included in the 1974 Estimates.

It is common ground that prior to the January, 1970, agreement there was no specific grade of a salaries officer or for that matter that of officer in charge of the salaries section.

He was slotted in new Grade 9: £804 by £24 to £1,092. The Claimants have formulated a claim for arrears on his behalf on the basis that he should have been put in Grade 8 which includes the job category of officer in charge of salaries section carrying with it a salary of £996 by £36 to £1,284.

As stated earlier in the award, Mr. Kiburu was dismissed by the Respondents on 11th July, 1975.

After careful consideration of all the submissions the Court finds that it is unable to accept the Claimants' demand on behalf of Mr. Kiburu. The Court is satisfied that he was slotted properly in the new Grade 9 which is consistent with the duties that he was performing at the time. The Court accepts the Respondents' submission that the mere fact that there is a title of Officer-in-Charge, Salaries Section, in the terms and conditions of employment does not give by itself the right to direct the Respondents to have this post in their establishment. The Court accordingly rejects Mr. Kiburu's claim for arrears amounting to Sh. 33,940.

Given in Nairobi this 19th day of January, 1976.

THE TRADE MARKS ACT

(Cap. 506)

NOTICE is hereby given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge notice of opposition on Form T.M. No. 6 (in duplicate) together with a fee of Sh. 50.

Notice is also hereby given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Office, Nairobi.

Applications for registration in Part A of the Register are shown with the official number unaccompanied by any letter. Applications for Part B are distinguished by the letter B prefixed to the official number.
