GAZETTE NOTICE No. 1240

THE INDUSTRIAL COURT

CAUSE No. 3 OF 1976

Parties:—

Kenya Union of Commercial Food and Allied Workers
and
Laundry, Dry Cleaning and Dyers Group

Issue in dispute.—Wage increase.

1. The Kenya Union of Commercial Food and Allied Workers shall hereinafter be referred to as the Claimants and Laundry, Dry Cleaning and Dyers Group shall hereinafter be referred to as the Respondents.

2. The parties were heard in Nairobi on the 6th day of April, 1976, and relied on their written and verbal submissions.

AWARD

3. The Notification of Dispute Form "A" dated 11th November, 1975, was received by the Court on 16th January, 1976, along with the statutory certificate signed by the Labour Commissioner.

The parties have a valid current collective agreement effective from 1st March, 1974, expiring on 30th June, 1976. Under this agreement workers received two increases of 12½ per cent each on 1st March, 1974, and 1st March, 1975.

Coincidentally to the second increase granted on 1st May, 1975, H.E. the President in his May Day speech stated that in the private sector the parties should negotiate wage increases and the Claimants forwarded their demands first to the Respondents' members individually and later collectively for a wage increase of 25 per cent; they stated that their demands were as a result of H.E. the President's directive.

The parties held a meeting on 7th August, 1975, where the Claimants demanded wage increases ranging from 10½ per cent to 20 per cent but the employers rejected their demands and the matter was referred to the Ministry of Labour where conciliation proceedings were held which ended in a deadlock. The Conciliator reported that the Respondents had made an offer of 1.5 per cent against the Union demand of 25 per cent on the issue of wage increase.

The Claimants have naturally based their case on the rising cost of living and stated that during conciliation the Respondents had offered their members an additional wage increase of Sh. 20 p.m. to 12½ per cent which had already been granted from 1st May, 1975.

The Respondents have vigorously contested this demand mainly on the ground that theirs is a very highly competitive industry and that there are 67 firms in the whole country out of which 18 are in Nairobi who are in serious competition with the six firms who constitute the Respondents' group. Moreover they pleaded that the current collective agreement was going to be revised shortly and they were prepared to commence negotiations immediately on a new agreement which could apply from the first of the month following the agreement and they asked the Court to accordingly direct them to do so rather than make any award.

As far as the question of competition goes the Court notes that the parties briefly touched on a matter which would go a long way in eliminating cut-throat competition in the dry cleaning business and that is that they have had in the past used their collective agreement as a basis for formulating a Wages Council Order for their industry which then applied to all the firms in this business. Unfortunately, however, the current collective agreement was not translated into a Wages Council Order but the Court sees no reason why this cannot be done either now or when a new collective agreement has been negotiated and signed so that workers in this industry will enjoy uniform wage rates and terms and conditions of employment.

In the present dispute the Court would have been inclined to accept the Respondents' offer of directing the parties to commence negotiations immediately without making any award had it not been for the fact that during conciliation they made an offer to increase their employees' wages in addition to 12½ per cent granted on 1st May, 1975, although the offer was a minimal one of 1.5 per cent only.

Regarding the Claimants' allegation that the Respondents had made an offer of Sh. 20 p.m. increase the Court is satisfied that there was no such offer except as recorded by the Conciliator of 1.5 per cent only.

The Court has taken due note of the fact that the existing collective agreement would expire on 30th June, 1976, but in view of the offer made by the Respondents as stated above and because the Court is satisfied that in this particular case the wages paid to the Respondents' employees appear to be slightly on the lower side compared to the other negotiated agreements in the service sector the Court has decided to make an interim award of Sh. 15 p.m. increase to all the unionizable employees working for the Respondents. Such increase is to be effective from 1st January, 1976.

The Court directs the parties that this interim increase should be taken into account when the new agreement is being negotiated. The Court would like to record that the wage earners' index has increased by 35.6 per cent from 1st March, 1974 to February, 1976, and during this period the workers have received a wage increase of 12.5 per cent only. This point will no doubt be adequately tackled when the parties enter into comprehensive negotiations on the new collective agreement.

Given in Nairobi this 13th day of April, 1976.

Judge.

GAZETTE NOTICE No. 1245

THE TRADE MARKS ACT

(Cap. 506)

NOTICE is hereby given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge notice of opposition on Form T.M. No. 6 (in duplicate) together with a fee of Sh. 50.

Notice is also hereby given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Office, Nairobi.

Applications for registration in Part A of the Register are shown with the official number unaccompanied by any letter. Applications for Part B are distinguished by the letter B prefixed to the official number.
