**PROHIBITION OF MANUFACTURE OF WOODEN
CASES AND CRATES.**

WAR OFFICE,

LONDON, S W

21st April, 1917

Sir,

I am commanded by the Army Council to address you in regard to arrangements for economising the consumption of timber by reducing the use of wood in packing goods for the Far Eastern Markets. The importation of foreign soft wood has almost ceased. The production of home-grown timber is being severely limited by scarcity of labour. In the circumstances it is absolutely necessary to restrict the demands upon existing stocks as narrowly as possible.

I am to enclose copy of an Order which is being issued to limit the use of wood in making new packing cases. It will affect very greatly the packing of cotton goods for the Far Eastern Markets, and I am to suggest that a copy be forwarded to the Governments of Ceylon, the Straits Settlements, and Hong Kong, so that the changes in packing may be notified to importers as resulting, not from any failure on the part of English exporting firms to act up to packing specifications, but from the exigencies imposed upon the country by a state of war.

I am to add that this Order has been drawn up in consultation with, and with the consent of the Export Packers Associations of London and Manchester.

I am, Sir,

Your obedient Servant,

R H BRADE

The Under Secretary of State for the Colonies,
Colonial Office

ORDER

In pursuance of the powers conferred upon them by the Defence of the Realm Regulations, and of every other power enabling them in that behalf, the Army Council hereby prohibit the manufacture of cases and crates, and the use of new cases and crates, for the packing of the goods listed in Schedule A hereto attached. Provided that nothing in this Order shall prohibit (1) the export as now packed of goods already packed for export at the date of this Order (2) the packing in cases of the goods listed in Schedule B (3) the packing in crates of the goods listed in Schedule C.

By order of the Army Council,

(Sd) N F B OSBORN,

Deputy Director of Army Contracts
