THE Commissioner of Lands on behalf of the President of the Republic of Kenya gives notice that the plots in Kisumu Municipality as described in the Schedule hereto are available for alienation and applications are invited for the direct grants of the individual plots.

2. A plan of the plots may be seen at the Public Map Office situated in the Lands Department Building, City Square, Nairobi, or at the Office of the Town Clerk, P.O. Box 105, Kisumu, or may be obtained from the Public Map Office, P.O. Box 30089, Nairobi, on payment of Sh. 3 post free.

3. Applications should be submitted to the Commissioner of Lands, Nairobi, through the Town Clerk, P.O. Box 105, Kisumu, stating the plot required in order of preference.

4. Applications must be sent so as to reach the Town Clerk, Kisumu, not later than noon on the 17th January 1970.

5. Applications must not be sent direct to the Commissioner of Lands.

6. Applicants must enclose with their applications their cheque for Sh. 1,000 as a deposit, which will be dealt with as follows:—

- (a) If the applicant is offered and takes up and pays for a plot within a period of 14 days as required in paragraph 5 below, the deposit will be credited to him.
- (b) If the application is unsuccessful the applicant's deposit will be returned to him.
- (c) If the application is successful and the applicant fails to take up and pay for the plot offered to him within a period of 14 days as required in paragraph 5 of the General Conditions, the Commissioner of Lands may declare the deposit forfeited and the applicant shall have no further claim thereto.

General Conditions

1. The ordinary conditions applicable to township grants of this nature except as varied hereby shall apply to this grant.

2. The grant will be made under the provisions of the Government Lands Act (Cap. 280 of the Laws of Kenya) and title will be issued under the Registration of Titles Act (Cap. 281).

3. The grant will be issued in the name of the allottee as stated in the letter of application.

4. The term of the grant will be for 99 years from the 1st day of the month following the notification of the approval of the grant.

5. Each allottee of a plot shall pay to the Commissioner of Lands within 14 days of notification that his application has been approved, the initial estimated amount for the construction of roads and drains to serve the plot, the assessed stand premium and proportion of annual rent, together with the legal fees payable in respect of the preparation and registration of the grant (Sh. 225) and the stamp duty in respect of the grant (approximately 2 per cent of the stand premium and annual rent). In default of payment within the specified time the Commissioner of Lands may cancel the allocation and the applicant shall have no further claim to the grant of the plot.

Special Conditions

1. No buildings shall be erected on the land nor shall additions or external alterations be made to any buildings otherwise than in conformity with plans and specifications previously approved in writing by the Commissioner of Lands and the local authority. The Commissioner shall not give his approval unless he is satisfied that the proposals are such as to develop the land adequately and satisfactorily.

2. The grantee shall within six months of the commencement of the term submit in triplicate to the local authority and the Commissioner of Lands plans (including block plans showing the positions of the buildings and a system of drainage for the disposal of sewage, surface and sullage water), drawings, elevations and specifications of the buildings the grantee proposes to erect on the land and shall within 24 months of the commencement of the term complete the erection of such building and the construction of the drainage system in conformity with such plans, drawings, elevations and specifications as amended (if such be the case) by the Commissioner:

Provided that if default shall be made in the performance or observance of any of the requirements of this condition it shall be lawful for the Commissioner of Lands or any person authorized by him on behalf of the President of the Republic of Kenya to re-enter into and upon the land or any part thereof in the name of the whole and thereupon the term hereby created shall cease but without prejudice to any right of action or remedy of the President or the Commissioner in respect of any antecedent breach of any condition herein contained.

3. The grantee shall maintain in good and substantial repair and condition all buildings at any time erected on the land.

4. Should the grantee give notice in writing to the Commissioner of Lands that he/she/they is/are unable to complete the buildings within the period aforesaid the Commissioner of Lands shall (at the grantee's expense) accept a surrender of land comprised herein:

Provided further that if such notice as aforesaid shall be given (1) within 12 months of the commencement of the term the Commissioner of Lands shall refund to the grantee 50 per centum of the stand premium paid in respect of the land or (2) at any subsequent time prior to the expiration of the said building period the Commissioner of Lands shall refund to the grantee 25 per centum of the said stand premium. In the event of notice being given after the expiration of the said building period no refund shall be made.

5. The land and buildings shall only be used for private residential purposes and not more than one private dwelling-house with the necessary offices and outbuildings appurtenant thereto will be erected on the land. No guest-house will be permitted.

6. The buildings shall not cover more than 50 per centum of the area of the land.

7. The grantee shall not subdivide the land without prior written consent of the Commissioner of Lands.

8. The grantee shall not sell, transfer, sublet, charge or part with the possession of the land or any part thereof or any building thereon except with the prior consent in writing of the Commissioner of Lands: no application for such consent (except in respect of a loan required for building purposes) will be considered until Special Condition No. 2 has been performed.

9. The grantee shall pay to the Commissioner of Lands on demand such sum as the Commissioner may estimate to be the proportionate cost of constructing all roads and drains and sewers serving or adjoining the land and shall on completion of such construction and the ascertainment of the actual proportionate cost either pay (within seven days of demand) or be refunded the amount by which the actual proportionate cost exceeds or falls short of the amount paid as aforesaid.

10. The grantee shall from time to time pay to the Commissioner of Lands on demand such proportion of the cost of maintaining all roads and drains serving or adjoining the land as the Commissioner of Lands may assess.

11. Should the Commissioner of Lands at any time require the said roads to be constructed to a higher standard the grantee shall pay to the Commissioner on demand such proportion of the cost of such construction as the Commissioner may assess.

12. The grantee shall pay such rates, taxes, charges, duties, assessments or outgoings of whatever description as may be imposed, charged or assessed by any Government or local authority upon the land or the buildings erected thereon, including any contribution or other sum paid by the President of the Republic of Kenya in lieu thereof.

13. The President of Kenya or such person or authority as may be appointed for the purpose shall have the right to enter upon the land and lay and have access to water mains, service pipes and drains, telephone or telegraph wires and electric mains of all descriptions whether overhead or underground, and the grantee shall not erect any buildings in such a way as to cover or interfere within any existing alignments of main or services pipes or telephone or telegraph wires and electric mains.

14. The Commissioner of Lands reserves the right to revise the annual ground rental payable hereunder after the expiration of the thirty-third and sixty-sixth year of the term hereby granted. Such rental will be at a rate of 4 per cent of the unimproved freehold value of the land as assessed by the Commissioner of Lands.

GAZETTE NOTICE NO. 21

THE TRADE MARKS ACT (Cap. 506)

NOTICE is hereby given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge notice of opposition on Form T.M. No. 6 (in duplicate) together with a fee of Sh. 50.

Notice is also hereby given that official objection will be taken under rule 21 (3) of all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Offices, Nairobi.

Applications for registration in Part A of the Register are shown with the official number unaccompanied by any letter. Applications for Part B are distinguished by the letter B prefixed to the official number.
