THE INDUSTRIAL COURT

CAUSE No 22 OF 1975

Parties —

Kenya Local Government Workers' Union
and
Masaku County Council

Issues in dispute —

- 1 Council has not implemented correct salaries to Salaries Officer, Social Workers, C D A s, Revenue Clerks, Youth Leaders and Assistant Accountant
- 2 Improper deductions of house rent by the Council

1 The Kenya Local Government Workers' Union shall hereinafter be referred to as the Claimants and the Masaku County Council shall hereinafter be referred to as the Respondents

2 The parties were heard in Nairobi on 23rd July and 9th September, 1975, and relied on their written and verbal submissions

AWARD

3 The Notification of Dispute Form "A" dated 18th February, 1975, was received by the Court on 18th April, 1975, along with the statutory certificate signed by the Labour Commissioner

The parties through the National Joint Negotiating Council Committee Nos 3 and 4 entered into a collective agreement applicable from 1st March, 1970, in respect of all County Councils and is therefore binding on the Respondents. A copy of this agreement which includes the new salary scales and the various job categories was produced to the Court during the hearing. This agreement will be referred to from time to time hereinafter in the award as the March 1970 Collective Agreement

This dispute relates to claims by 87 workers employed by the Respondents who are claiming arrears in respect of their salaries arising out of alleged wrong grading after the March 1970 Agreement came into force. The total amount demanded by the Claimants is about £39,000 in respect of all these workers. The Claimants maintained that the March 1970 Agreement was wrongly applied in respect of the employees involved in this dispute

On 27th October, 1971, the Claimants reported a trade dispute to the Minister for Labour on the following six issues —

- (a) Wrong designation of the Salaries Officer
- (b) Anomalies of salaries of the Community Development Assistants

(c) Anomalies of salaries of the Social Workers

(d) Refusal by the Council to implement salary increases agreed for Committee Nos 3 and 4 to some staff

(e) Anomalies of salaries of the Animal Health Assistants

(f) Refusal by the Council to negotiate with the Union on Items (a) to (e)

On 17th October, 1972, the parties entered into an agreement in the presence of the Conciliator appointed by the Ministry of Labour and the contents of this agreement will be referred to hereinafter as and when necessary

After the parties had made their opening submissions to the Court on 23rd July, 1975, the Court in view of the enormity of the dispute and the intricate and complex nature of the various claims directed the Claimants and the Respondents to submit further itemized details with full mathematical calculations in respect of each claim and the parties accordingly put in further comprehensive submissions on the issues in dispute

It is apparent that the March 1970 Agreement containing the new salary scales and the job classifications and their subsequent application to the existing employees has resulted in this major dispute. The Respondents at one stage informed the Court that unfortunately one of their senior officials had wrongly shown the names of many of these employees in higher grades than their proper grades in order to get approval to the estimates and thereby authority to spend that much more money. This official, however, after receiving the approval to the estimates utilized the excess money for some other purposes and did not pay the employees the salaries for the grades in which their names appeared in the estimates. The Respondents, however, maintained that the up-grading of these employees as shown in the estimates was not proper. These matters will be gone into by the Court under the various issues

Issue No 1

(a) *Salaries Officer*—Nelson Munyalo was employed as a Salaries Officer in 1969 and was put in Scale G 6 which was in force at that time. His scale was £670 by £30 to £880

At a meeting of the Finance Committee held on 15th September, 1972, it was decided as follows —

"Minute No F 48/72—Review of Salaries"

The Clerk to Council reported that the Terms of Service Committee recommended salary up-grading to the following members of the staff and referred this recommendation to this Committee —

- 1 Nelson Munyalo, Salaries Officer, to be up-graded from the present grade to be G 4—£968 by £48 to £1,160 p a with effect from 1st January, 1973 "

It should be noted in the March 1970 Agreement the post of Salaries Officer does not exist and the Respondents had put him in Grade G starting from £660 by £40 to £840

As a result of the aforesaid resolution of the Finance Committee he was to be placed in Grade G 4 in the post of an Establishment Officer but on 12th February, 1974, the Minister for Local Government rejected the promotion despite the fact that it had been recommended by the various committees and had been adopted by the Respondents' Full Council

The Court is satisfied that the Minister for Local Government has over-riding powers over matters of finance of local authorities as provided for in the Local Government Regulations, 1963 (Legal Notice No 256 of 1963), and the Respondents therefore could not act in contravention of the Minister's decision

After careful consideration of all the submissions the Court finds that the claim in respect of Mr Munyalo's arrears is not valid under the circumstances and is therefore rejected. The Court notes that currently Mr Munyalo is on Scale G 5—£720 by £30 to £930 p a, with effect from 1st January, 1975

(b) *Social Workers*—Five employees are affected under this issue and they are —

Mrs Rose Benjamin
Phutlisah Muema
Josephin Nzule
Grace Ndiku
Maratina Nzioka

These workers are employed as Divisional Social Workers which classification was omitted from the March 1970 Agreement. However, this matter was discussed and it was agreed that they should be placed in Salary Scales G 9—£330 by £50 to £570 p a as is evident from the following Minute —

Minute No TS 24/72—Implementation of Social Workers Salaries

The Committee were informed that the Minister for Local Government had recently approved salary scales for Social Workers in the Salary Scale of G 9—£330 by £30 to £570 p a but had not given the effective date for implementation of their salaries

The Committee recommended that the salaries be implemented with effect from 1st March, 1970, and that the staff in question be subjected to the same terms and conditions applying to other members of the staff in the salaried grades "

The Court notes that this agreement was confirmed at the aforesaid conciliation meeting in October, 1972, under the following entry —

"(c) *Anomalies of Salaries of Social Workers*—There was no anomaly as the Council had corrected the wages as K£330 by £30 to K£570 with effect from 1st March, 1970 "

In view of the aforesaid very clear evidence on this issue the Court awards that these employees are entitled to the following payments being the arrears due to them —

	Sh	cts
Rose Benjamin	3,970	60
Phitilsah Muema	11,669	85
Joseph Nzule	11,669	85
Grace Ndiku	22,162	50

The Court further awards that the Respondents should pay these arrears to the aforesaid workers within three years from the date of the Court award in 12 equal quarterly instalments provided that if any one of these employees leaves the service of the Respondents before the arrears are cleared in full, then the Respondents should pay the outstanding arrears at the time of the termination of the service of such employee in full on the date of the termination

In the case of Mrs Maratma Nzioka, since she failed to qualify in the training undertaken by social workers, she is not entitled to be placed in Scale G 9—£330 by £30 to £570 p a and therefore is not entitled to any arrears

(c) *Community Development Assistants*—The employees involved under this issue are five Divisional C D A s and 21 Locational C D A s Their names appear in the parties' submissions

In the March 1970 Agreement Locational C D A s are in Scale G 10—£210 by £30 to £390 and Divisional C D A s are in Scale G 9—£330 by £30 to £570 p a

At the October, 1972, conciliation meeting the following is recorded in the agreement on this issue —

"Both parties agreed that we should go through records and see how they were converted "

The dispute here is whether or not these 26 employees at the material time in respect of which arrears are claimed were doing the work and performing the duties of Locational C D A s and Divisional C D A s

In view of this the Court has decided that the Chief Industrial Relations Officer, Ministry of Labour, should go into the case of each one of these employees involved to ascertain and confirm whether or not they perform the work as claimed by the Claimants The C I R O should make his inquiries by visiting the Respondents' offices and making on the spot checks His inquiries should be conducted in consultation with the parties' representatives

The Court awards that all these workers are clearly entitled to the salaries laid down in Scales G 9 and G 10 if they were doing the work as specified in these categories and depending on the investigation of the Chief Industrial Relations Officer these workers would be entitled to their respective salary scales from the date they started performing these duties

The Chief Industrial Relations Officer will also make sure that there are no fictitious names amongst the 26 employees under this issue

The Court accepts the calculations as shown in the Respondents' submission No 2 in respect of the arrears due to these employees

The Respondents conceded that if the Claimants succeed on this issue they would be entitled to arrears amounting to about Sh 246,180

The Court awards that depending on the result of the Chief Industrial Relations Officer's findings, the Respondents should pay and clear all the arrears due to these workers in 12 equal quarterly instalments from the date their accounts are finalized by the Chief Industrial Relations Officer and in the event of any one of these employees leaving the Respondents' service, the balance of arrears outstanding at that time should be paid to each employee immediately

(d) *Revenue Clerks*—There are 17 employees affected by this issue

In the March 1970 Agreement there is no mention of Revenue Clerks and the Respondents submitted that what the Claimants referred to as Revenue Clerks are in fact appointed either as Clerical Officers Grade G 9 or Junior Clerical Officers Grade G 10

There is no evidence before the Court as to what work each one of these 17 persons did from March, 1970, onwards

The Claimants are demanding that all these 17 employees should have been placed in Grade G 9—£330 by £30 to £570 with effect from 1st March, 1970, and they are claiming all the arrears arising therefrom The total arrears which the Claimants are claiming amount to Sh 148,800 whereas the Respondents stated that if the Claimants succeed on this issue the arrears due to these people would amount to Sh 203,757/50

Due to the lack of evidence as to the duties which these people perform the Court again requests the Chief Industrial Relations Officer to carry out investigations to find out the duties these people perform and then to equate them with the duties of either a junior clerk or a clerical officer The Chief Industrial Relations Officer should determine the matter on the basis of job classification or rely on his own assessment His inquiries should be conducted in the manner stated hereinbefore

It is obvious that depending on the findings of the Chief Industrial Relations Officer, some of these persons will be either in Grade G 10 or G 9 and the Court awards that they should be paid their arrears, if any, from the date the Chief Industrial Relations Officer certifies they started performing the work which is equivalent to that of a clerical officer and which would entitle them to be placed in Grade G 9

In view of the magnitude of the arrears that might be due to these persons the Court again awards that the Respondents should pay the arrears due to them in 12 equal instalments from the date the Chief Industrial Relations Officer completes his findings and again if the services of an employee are terminated before all the arrears due to him are paid, then all the arrears outstanding at the date of his termination should be paid to him forthwith

(e) *Youth Leaders*—Five persons are employed as Youth Leaders by the Respondents and it is claimed that with effect from 1st March, 1970, they should have been placed in G 10—£210 by £30 to £390 It is alleged that the Respondents, however, put them in a scale of Sh 120 p m which does not appear anywhere in the agreed terms and conditions of service for Committee No 3 salaried grades

The Court finds that if these four persons did the job of Youth Leaders then they are clearly entitled to be placed in G 10—£210 by £30 to £390

The Claimants claim a total of Sh 69,770 arrears in respect of Youth Leaders and the Respondents have put forward a figure of Sh 66,870/10 for the arrears due to them if the Court upheld the Claimants' submission

The Court directs the Chief Industrial Relations Officer to make on the spot inquiries to ascertain and confirm if these five persons did the work of Youth Leaders and the date from which they started doing such work

Depending on the findings of the Chief Industrial Relations Officer being in favour of the Claimants, the Court awards that these employees should be paid their arrears in 12 equal instalments from the date the Chief Industrial Relations Officer completes his findings with the proviso stated hereinabove under Issue No (d)

(f) *Assistant Accountant* (Noah Musyoki)—Mr Musyoki was employed as an Assistant Accountant by the Respondents in Scale G 5—£670 by £30 to £880 p a in 1969

In the March 1970 Agreement the post of Assistant Accountant does not appear

The Respondents placed this officer in Scale G 6—£660 by £30 to £840 p a

Mr Musyoki attained the maximum of this scale in 1972 and since then he has stagnated at that point

It is obvious that the Respondents by placing him in G 6 with a maximum of £840 had reduced his expectations as he would have gone up to £880 under the terms of his appointment

After careful consideration of all the submissions the Court awards that from 1st January, 1973, Mr Musyoki should be placed at £870—Scale G 5—and from 1st January, 1974, his salary should go up to £900 and from 1st January, 1975, it should go up to £930

The Court awards that he should be paid arrears on the above basis

Issue No 2

This issue is fairly simple because it is not disputed that the non-salaried staff, i.e. the manual workers, are entitled under rule 10 (a) and (b) as follows —

- “(a) Employees shall, where possible, be housed by the Council in accordance with the existing principles of allocation
- (b) Where an employee is not housed by the Council and he is living in an urban area, he shall receive a housing allowance equivalent to that prescribed in the current Minimum Wages Order. Provided that any employee refusing to accept the offer of accommodation, shall not be entitled to any allowance. Married women living with their husbands shall not be entitled to a housing allowance”

The Respondents conceded this point and the Claimants put in a list showing deductions in respect of 33 employees amounting to Sh 5,494/95

The Court awards that such deductions are improper and the workers should be refunded the amounts that have been so improperly deducted from their wages

Apart from the above point the other allegation is that the Respondents have collected from their salaried staff in addition to the full economic rent 4 per cent of their salaries by way of deduction for the house rent

On 2nd October, 1972, the Permanent Secretary, Ministry of Local Government, wrote the following letter to all the County Councils —

“Several inquiries have been made in this office in connexion with the amount of rent payable by Council employees who live in Council houses

When revised salary scales came into effect in 1970, there was a general salary rise of 15 per cent which was to compensate for the loss of subsidy on housing. As a result of this, all Council employees had to pay the standard rent payable by any member of the public occupying Council house

It has however been found out that certain local authorities are still subsidizing housing for their staff. All the Councils affected should therefore stop charging subsidized rent to members of their staff and to recover any underpayment from all the staff affected with effect from the time the unified salary scales came into effect”

It is obvious that if the Respondents have made any deductions in excess of the economic rent from the salaried employees then such deduction is improper

The Court directs the Chief Industrial Relations Officer to check the figures and deductions in respect of the salaried staff and he should certify if there had been any improper deductions contrary to the Court award. In the event of there being improper deductions as certified by the Chief Industrial Relations Officer then the Respondents should refund such monies to the employees involved forthwith

3 The Notification of Dispute Form “A” dated 27th February, 1975, was received by the Court on 22nd August, along with the statutory certificate signed by the Labour Commissioner

There is no dispute that both the Respondents at the material time were engaged in transport business and that some time in the beginning of 1974 they were approached by the Claimants for recognition

The parties, however, were in dispute on whether the majority of the employees of both the Respondents had joined the Claimants or not, the Respondents stating that only a minority had done so while the Claimants maintained that the majority were their members

Be that as it may, the fact remains that the parties on 28th August, 1974, entered into an agreement in the presence of the Industrial Relations Officer, Mombasa, where the following three clauses were agreed upon —

- “(a) That the check-off system will start on 30th September, 1974
- (b) That parties to the dispute have agreed in principle on recognition, i.e. that the companies have agreed to recognize the Union pending the meeting of Board of Directors to consider the proposed agreement
- (c) That Shah Dharamshi Virji and Mohamed Mumin & Co are partners under one Manager”

The Respondents, however, did not sign any recognition agreement with the Claimants and the parties signed the Notification of Dispute Form “A” as stated above

During the hearing the Respondents stated that they could not recognize the Claimants on the following grounds —

- “(a) A very small minority of the employees of the Respondents before and at the termination of their employment in July, 1975, were members of the Union
- (b) The employment of the employees was terminated by due notice terminating the employment of all employees at the end of July, 1975
- (c) The businesses of the Respondents were sold on 1st August, 1975, and the Respondents had made it clear to the Conciliator, Mwangi Thuo, at the meeting held on 20th February, 1975, between the parties that they intend to sell their business”

The Claimants have very vigorously pleaded that notwithstanding the alleged sale by the Respondents of their business to another party called Mbuni Transport Co Ltd, they should be awarded recognition so that they could, if nothing more, at least negotiate with the Respondents benefits on behalf of their members who had served them for long periods and who otherwise might not be compensated at all

The Court has very carefully considered the merits of this dispute and the legal implications arising from the sale of the Respondents' business to another party but the Court has come to the conclusion that the Respondents having played about with the Claimants' demand and having delayed recognition after clearly agreeing to do so on principle on 28th August, 1974, should formally recognize the Claimants from that date and the Court so awards. The Court directs the parties to enter into a recognition agreement backdated to 28th August, 1974, so that the Claimants are clearly given the right to represent the interest of the Respondents' employees as from that date

Regarding the relationship between the Claimants and Mbuni Transport Co Ltd, it is a matter between the Claimants and that company and the Claimants no doubt know what to do under the circumstances

GAZETTE NOTICE No 3772

THE TRADE MARKS ACT

(Cap 506)

NOTICE is hereby given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge notice of opposition on Form TM No 6 (in duplicate) together with a fee of Sh 50

Notice is also hereby given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Office, Nairobi

Applications for registration in Part A of the Register are shown with the official number unaccompanied by any letter. Applications for Part B are distinguished by the letter B prefixed to the official number
