Mombasa, August 18th, 1903.

Reuter's Telegrams.

AUGUST 15TH.—The Turks have captured Krushevo but fighting still continues outside the town.

The murderer of Consul Rostkovsky and his accomplice were condemned to death by Court Martial; the sentence was immediately carried out.

King Edward in his speech from the Throne trusts that his visits to Portugal, Italy, and France have produced good results, he says that nothing could have exceeded the cordiality of his reception, and he adds that the recent visit of M. Loubet to England has given rise to a striking exhibition of mutual good will.

Mr. Basil Cave has been gazetted Consul-General for Zanzibar.

Lord Salisbury is slightly stronger but there is still great anxiety felt at Hatfield.

The King in his speech from the Throne stated that the resettlement of the Transvaal and Orange River Colonies had made great progress, that the union of the South African Colonies for fiscal purposes is important and that such a step would be in the direction of an ultimate political federation.

AUGUST 17TH.—The Russian Black Sea Squadron has been ordered to proceed to Turkish Waters.

Besides the demands mentioned in Reuter's of the 11th instant, Russia in view of the pacification of Macedonia insists on the punishment of all officers guilty of excesses, also the re-employment of Foreign Officers in the Gendarmerie and Police.

The situation in Macedonia is still very threatening. Macedonian supporters in Sofia are urging the Bulgarian Government to intervene. M. Lontcheff, President of the Macedonian Committee has recently arrived there having escaped from Bulgaria. The importation of arms and ammunition continues. A military train was blown up by dynamite on the Uskub Salonika Line.

The Official Liquidator of the Humbert property has stated in Court that the deficiency is estimated at £468,000.

The Bulgarian Government have sent a memorandum to the Powers in which they accuse Turkey of exasperating, and terrorizing the Christian population by burning, pillaging, violating, arresting and banishment of innocent people, also stating that the schools and Churches are closed. They give the names of villages where atrocities have occurred and the names of victims, and they lay the entire responsibility on the Turkish Government which has in no way fulfilled her undertakings.

Lord Salisbury passed a quiet night and his strength has consequently somewhat increased.

Nothing is known in Constantinople of the despatch of the Russian Fleet and it is considered highly improbable in Government circles there.

AUGUST 18TH.—The Statement that the Russian Squadron has been ordered to Turkish Waters comes from the St. Petersburg "Official Messenger" which states that on Saturday the Russian Ambassador in Constantinople received a telegram from Sebastopol stating that the Squadron had been ordered to proceed thereto.

The Porte has called out 52 fresh Battalions of troops in consequence of the extension of the insurrection movement in Macedonia.

The Russian Black Sea Fleet arrived at Sebastopol on Sunday consisting of four Battleships, four Destroyers, six Torpedo Boats and transports. All was ready for them to leave for Turkish Waters the same evening.

The Colombian Senate have rejected the Panama Canal Treaty with the United States.

The Russian Squadron has left Sebastopol.

AUGUST 19TH.—A party of seven Tourists have been killed while ascending the Aiguille Grise close to Mont Blanc.

Small sanguinary encounters between the Turkish Troops and the Rebels are reported as occurring daily in various Districts in Macedonia.

A report has been received from Sofia that a thousand insurgents repulsed three battalions of Turkish Regulars after six hours' fight near Monastir. The Turkish troops lost 210 men, the insurgents' casualties are unknown.

AUGUST 20TH.—In connection with the reported death of seven Tourists while ascending the Aiguille Grise it now turns out that they fell into a crevasse, were injured, but not killed.

The Reliance and the Shamrock were measured on Tuesday. The Reliance has to allow the Shamrock 105 seconds.

Russia yesterday presented supplementary demands of a political nature to the Porte.

The movement of the Russian Squadron is now producing alarm in Constantinople as it is believed there that same portends further demands on the part of Russia. The Squadron is anchored in Eniada Bay 80 miles northwest of the Bosphorus.

AUGUST 21ST.—An official announcement has been made in Rome that the Italian Government is resolved to act in accordance with the other powers with regard to the situation in Macedonia. The Italian Fleet has been ordered to concentrate at Sicily in order to be nearer Turkish Waters, should the Powers decide to send their Squadrons thither.

The Shamrock has been remeasured and receives a time allowance of 117 seconds.

The first race of the American Cup has been abandoned, the Reliance was leading.

The first race was a fifteen mile course to windward and then back. There was a six knots wind blowing at the start. The Shamrock got off 36 seconds in front of the Reliance, an hour later the Reliance passed her before reaching the outer mark, then led by a mile. The wind then dropped.

The Russian Squadron consisting of 4 Ironclads, 2 Torpedo Boats, 3 Destroyers and transports has arrived at Eniada. Yesterday Turkey accepted all Russian demands and requested the withdrawal of the Squadron. The Russian demands include the dismissal of various officials in Macedonia, reinstatement of others and the immediate appointment of European Officers to command the Gendarmerie.

A force consisting of 30 Whites and 500 Blacks stormed Burmi in Northern Nigeria on the 27th ultimo killing 700 including the Emir of Sokoto and most of his chiefs. Major Marsh and four others were killed and 3 Officers and 62 men wounded.

AUGUST 22ND.—A Bulletin was issued at 10 P.M. on the 20th instant in which Lord Salisbury's condition was reported as critical and stating that there is a little hope of his recovery.

The Russian Embassy in Constantinople has explained to the Porte that the despatch of their squadron was not an hostile act but was simply a demonstration with a view to hastening the acceptance and application of Russian demands.

The Greek Premier has appealed to the Powers to put an end to the excesses in Macedonia as the Greeks are the greatest sufferers thereby.

Lord Salisbury is slowly sinking, he has received the last Sacrament. Oxygen is being continuously administered.

AUGUST 24TH.—A revolution has broken out in Eastern Adrianople close to the Bulgarian Frontier. This is a most alarming development as the Turks are certain to send a large force to suppress same which will necessitate Bulgaria strengthening her forces on the Frontier.

The Reliance won the race.

Madame Lambert and her husband have been sentenced to 5 years solitary confinement. Romain and Emile Daurignac to three and two years imprisonment respectively.

For the first race for the American Cup a fifteen knot breeze was blowing and the weather was splendid. The Race was fifteen miles to windward and then back. Shamrock started 4 seconds ahead of the Reliance. After eight minutes close racing the latter passed her, at the turning at the outer mark the Reliance was three minutes ahead, this lead she steadily increased on the run home.

The Marquis of Salisbury is dead.

Three villages near Florina were bombarded by the Turks and the insurgent garrisons exterminated. In Bonfi alone 500 Bulgarians were killed and 217 were killed in the fight near Ochrida. An important action is now proceeding around Ucar near Florina.

The Bulgarian and Greek subjects residing in Roumania have received orders from their respective Governments to return to their homes without delay for mobilisation.

The Sultan of Turkey has ordered immediate compliance to all Russia's demands.

The Russian Squadron now in Eniada has been ordered to return to Sebastopol.

The question of the Constantinople Quays threatens once more to become acute and produce serious difficulties between France and Turkey. The Porte have not paid the indemnity due for the last two years, nor have they delivered to the Quay Company the Deeds of the property.

AUGUST 25TH.—It has been announced at the Zionist Congress at Basle that the Imperial Government have offered a portion of British East Africa for the purpose of Jewish colonization.

The Russian Squadron has sailed from Eniada and is now at Sebastopol. Russia's demands mentioned in Reuter's of the 11th, 17th and 21st inst., have already been executed.

Bourne the present Bishop of Southwark has been nominated Archbishop of Westminster in succession to the late Archbishop Vaughan.

AUGUST 26TH.—The remains of the Marquis of Salisbury will be interred on the 31st inst. privately in the family burial at Hatfield. A memorial service will be held in Westminster Abbey.

The second race for the American Cup has been won by the Reliance.

The course was a thirty miles triangular one. At the start the wind was blowing seven knots but was variable. The Reliance crossed 84 seconds ahead of the Shamrock and led by a quarter of a mile which lead was gradually increased. After passing the second mark the Reliance led by a mile and a half. On the run home the Shamrock gained considerably, but ultimately the Reliance won by 79 seconds after deducting the time allowance.

AUGUST 27TH.—Continuous heavy rains have caused widespread damage to the coming harvest in England. The prospects now are of the gloomiest.

Turkey has called out all Redifs in European Turkey, also Second, and Third Army Corps, Sixteen Battalions Redifs belonging to the Asiatic Division, 36 Battalions Haves belonging to the Second Army Corps. The total number of troops placed on a War footing on the Macedonian Frontier is 350 Battalions, being double the force employed by the Turks in their War against Greece.

Lord Lamington has been appointed Governor of Bombay.

The Zionist Congress have accepted the offer of the British Government of territory in British East Africa. The tract chosen lies between Nairobi and Mau on the Uganda Railway and is about 200 miles long.

August 28TH.—At Kulell Burgas, in South Adrianople, last night a bomb was thrown in the Dining Car of the through train from Budapest to Constantinople. Two carriages were wrecked, seven passengers killed and eighteen injured.

The Sultan has now appointed Nasier Pasha to command in Macedonia instead of Ibrahim Pasha who was originally chosen.

The American Vice-Consul at Beirut has been assassinated. The United States have demanded satisfaction and state that if their demands are not satisfied promptly the American European Squadron will sail direct for Beirut.

Sir Gordon Sprigg was defeated in the Cape Assembly owing to his refusal to comply with the demands of the Bond for the revision of Martial Law sentences and for the unpaid war compensation claims. Sir Gordon Sprigg will appeal to the country at an early date. Measures of great urgency are now being passed.

August 29TH.—The Third Race for the American Cup has been abandoned.

Mr. Roosevelt has ordered the American European Squadron now in the Mediterranean to proceed immediately to Beirut.

The revolt is gaining ground in Adrianople where the Insurgents are estimated at 6000 and it is reported that they have defeated the Turkish troops.

Bulgaria has despatched two more regiments to strengthen her Frontier Guards.

The following is the result of the election for Argyllshire :—

Ainsworth Liberal 4,326 Votes.

Stewart Unionist 2,740 Votes.

This is a Liberal gain.

It is reported from Salonika that the Bulgarians on the 25th instant attacked Neveska, 240 of the garrison were killed and two hundred wounded. The Bulgarians have constructed earthworks round the town. On Friday morning seven battalions of Turks arrived on the scene and have commenced to bombard the earthworks.

King Edward and the Tsar will meet at Copenhagen in the middle of September, both being the guests of King Christian.

An attempt to burn the American Mission College at Kharput has increased the excitement in America in connection with the Beirut affair. The American Squadron leaves Villefranche for Beirut to-night.

August 31st.—London 29th inst. The assassination of the American Vice-Consul at Beirut mentioned in Reuter's of the 28th was officially announced in Washington. It now appears that the statement is not correct and occurred owing to an error in the cipher used. The man actually fired at the Vice-Consul but missed him.

The "Times" correspondent at Peking states that we are within measurable distance of events in the Far East which will compel the attention of the world. Japan presented on the 12th instant to St. Petersburg proposals for a *modus vivendi*, also requiring reciprocal recognition of the respective rights of the two Powers in Manchuria and Korea.

London 30th inst. The race for the American Cup was postponed on Monday owing to the gale blowing at the time.

The Turks have recaptured Neveska killing 200 Bulgarians.

A detachment of troops whilst passing the Austrian Consulate at Uskub on Thursday last fired a volley as a threat, nobody was injured but the act is a grave indication of the uncontrollable fanaticism and want of discipline among the troops.

Among the Diplomatic Circles in Constantinople the situation is regarded as of the most serious.

The orders for the American Squadron to proceed to Beirut have not been cancelled.

An unsuccessful attempt was made to blow up the Orient Express bound west near Kubelibugas, only the engine however was derailed.

It would appear that the incident with regard to the Austrian Consulate was not as grave as at first reported. A party of Albanian Reservists who according to their custom fire a volley in the air when joining the colours were doing this at the time and some shots accidentally struck the Consulate.

The news from the Balkan is most conflicting. On one hand the Turkish Authorities would appear to be more optimistic now and express the hope that the insurrection at Monastir will be crushed in the course of the week, while reports from Sofia declare that the situation is growing more acute, that the difficulties of the Bulgarian Government are increasing as the people resent the efforts of the Government to prevent bands of insurgents crossing the Frontier.

A mass meeting was held at Belgrade to urge the Government to intervene on behalf of the Bulgarians.

OBITUARY NOTICE.

It is with great regret that we record the death, on the 23rd August last of the High Court Swahili Interpreter John Edward Jones, after a few days' illness. He was in his thirty-sixth year.

The deceased, who was well known throughout the Protectorate, was the son of the Revd. W. H. Jones who has for so many years been closely identified with the C. M. S. Mission at Rabai. On the recommendation of Bishop Parker, Jones was sent to India and attended the Church Missionary Society's Schools first in Bombay and then in Madras, where one of his teachers was the present Bishop of Mombasa. He returned to Africa in 1887, and entered the service of the Imperial British East Africa Company in 1889 and was for sometime in charge of the Company's station at Tsavo. He was appointed Swahili Interpreter to the Court in 1892, and continued in that office when the administration of the country was taken over by H. M. Government.

Everyone connected with the Courts will deeply regret his death, and the Judges will find it hard to replace him, for not only was he one of the best, if not the best, Swahili Interpreter in the Protectorate, but he was also acquainted with Kinyika, and was a most diligent and useful clerk.
