NOTES.

CORONATION DAY IN MOMBASA.

Although Mombasa may be "beyond the Seas" the residents of the Capital of Africa, were not wanting in their desire to mark with every manifestation of rejoicing day set apart for the Coronation of Their Imperial Majesties King Edward the VII and Queen Alexandra.

The postponement of the Coronation for six weeks served only to intensify the devotion of all British subjects to Their Royal Highnesses and to show how tenderly the hearts of have felt for them during His Majesty's recent illness.

The decorations which had been prepared for the former occasion received their finishing touches on Friday night, and Saturday the 9th inst. found the principal streets of the town and roads decorated with arches, palms, and gaily ornamented poles, from which streamers, pennants, and festoons of coloured cloth and bearing scutcheons with alternate letters A. and E.

The decorations of the streets had been entrusted to two Committees, one consisting of Officials, the other elected by the residents of the town, and the general effect showed how harmoniously these two had worked together. The town Committee elected Mr. T. as their Secretary, and the skill displayed in the general arrangement of designs, and blend of colours, was largely due to that gentleman's artistic taste and ingenuity.

Appropriate mottoes occupied prominent positions on the arches and various conspicuous houses in town, and for evening illuminations the arches and poles had been ornamented with Chinese lanterns and small lamps.

At 9 o'clock a morning service was held by His Lordship Bishop Peel in the English Church, when a most impressive and appropriate sermon was delivered before a large congregation.

From 10-30 until 12 a reception was held at Government House of different Nationalities and Communities who called to pay their respects to His Majesty's representative, but on to the indisposition of Mr. Jackson Acting Commissioner, Mr. Gilkison Sub-Commissioner and Mr. Hollis Secretary received the visitors.

At noon a royal salute fired from the Fort awoke the distant echoes of the Ribe hills.

A lunch at the Grand Hotel at 1-30, presided over by Mr. Gilkison was given by Mr. Jackson to 50 guests when the health of their Majesties the King and Queen proposed by Mr. Gilkison was received with the greatest enthusiasm, and the telegram which had been despatched to His Majesty that day was read to the assembled company.

The Portuguese Community held a service in the Roman Catholic Church in the afternoon when a Solemn Te-Deum was sung; the congregation being afterwards invited to the refectory to do honour to the toast of their Britannic Majesties proposed by Dr. Lobo, the President of the Community.

Mr. Jackson gave a large dinner in Government House in the evening but unfortunately medical advice was prevented from receiving his guests, who on his behalf were entertained by Mr. Gilkison, and with a large reception afterwards and a display of fireworks the festivities and rejoicings were brought to an end.

Government House and its approaches were all brilliantly and artistically illuminated and reflected the greatest praise on those entrusted with this task.

NAIROBI RACES.

The next Race meeting will be held at Nairobi during Xmas Week. The programme of events will be published in September next.

The present Stewards are Lt.-Col. Hatch, C.M.G., Messrs. J. Ainsworth, C.M.G., C. Farquhar, A. E. Cruickshank, Dr. Radford, Captain Breeding and A. S. Coombe, Secretary.
