THE INDUSTRIAL COURT

CAUSE No 20 OF 1975

Parties —

Kenya Motor Engineering and Allied Workers' Union
and
Gethin & Dawson Ltd

Issue in dispute—Wrongful dismissal of Daniel Nyaboga Michira

1 The Kenya Motor Engineering and Allied Workers' Union shall hereinafter be referred to as the Claimants and Gethin & Dawson Ltd shall hereinafter be referred to as the Respondents

2 The parties were heard in Nairobi on the 16th day of June, 1975, and relied on their written and verbal submissions. The parties called the following witnesses to give evidence on oath —

Claimants—D N Michira

Respondents—J F D'Souza and E H Horeau

AWARD

3 The Notification of Dispute Form "A" dated 27th January, 1975, was received by the Court on 11th April along with the statutory certificates signed by the Minister for Labour and the Labour Commissioner

The person involved in this dispute, D N Michira, started working for the Respondents on 5th March, 1966, as a trainee mechanic and on 5th July, 1973, the day an incident occurred as a result of which Mr Michira is out of employment, he had become a mechanic at a monthly salary of Sh 530

At the same time he was also the Claimants' branch chairman for their Kisumu branch having been elected to that post in June, 1972

The Claimants submitted that since his election as their branch chairman he received three letters of warning on 30th August, 16th and 18th September, 1972. During the hearing the Respondents did not seriously challenge any of these warning letters but emphasized that they had been issued for legitimate reasons and were not intended to victimize Mr Michira because he had been elected the branch chairman

The parties have a collective agreement in force under which they have a rather unusual clause under the heading of retirement and termination. This clause reads as follows —

"When employees are retired, wrongfully dismissed, resign or die the following payment will be made —

(a) Under five years' service 10 days' basic wage per completed year of service

(b) Over five years' service 15 days' basic wage per completed year of service

On completion of one year's service a part of any subsequent year in excess of six months will count as a completed year of service for the purpose of the above payment. These payments will be only in respect of years of service prior to the employees becoming contributors to the NSSF"

Regarding the incident of 5th July, 1973, the Court is satisfied that Mr Michira's wife had come to visit him with their sick child and it is quite possible that the child was left with Mr Michira for a while during which he was discovered by Mr J F D'Souza, the Respondents' General Manager. It is also quite likely that Mr Michira was at the time stitching a bag of maize

The Court has arrived at the aforesaid conclusion on the evidence of Mr E H Horeau who impressed the Court as a truthful and impartial person. He told the Court that on 5th July he heard at the material time Mr D'Souza telling Mr Michira, "You should be doing your work instead of stitching a bag of maize and having a child sitting next to you—in compressor room". Mr Horeau further told the Court that on hearing this he glanced in the compressor room and found both of them standing and he told Mr Michira that he should not have done that. Mr D'Souza walked away saying that he is going to issue Mr Michira a final letter of warning to which Mr Michira replied, "No need for a final letter of warning, I'm going"

After 5th July, 1973, the Provincial Organizing Secretary of the Claimants wrote a rather vague sort of letter to the Respondents on 27th July, 1973, and the Respondents naturally denied that they had suspended any member of their staff. Then on 27th September, 1973, the Provincial Organizing Secretary wrote to the Labour Officer, Kisumu, stating that Mr Michira had been ordered out of the working place until further notice. He also made certain other allegations which are not quite relevant. Further a meeting took place between the Respondents' and the Claimants' representatives in the presence of the Labour Officer, Kisumu, on 10th October, 1973, and the following was recorded regarding Mr Michira —

"The Management contended that he walked out by himself on 5th July, 1973. The Union maintained that he was ordered out. After a lengthy discussion, Mr D'Souza accepted to speak to Mr Gethin so that he may be reinstated with a condition that he apologizes for what he did and will not be paid for the period he was out. Mr Arara to see Mr D'Souza on Tuesday, 16th October, 1973"

The Court finds it rather difficult to believe that Mr Michira since 5th July, 1973, made repeated attempts by going to the place of work in order to resume duty because he clearly stated that he met Mr Horeau several times but the latter denied it. On the reason given by the Claimants as to why Mr Michira had not apologized, the Court is inclined to accept it which was that it was felt that the apology would serve no purpose as Mr Gethin had already indicated in no uncertain terms that Mr Michira would not under any circumstances be reinstated.

The dispute had also been investigated by an official of the Ministry of Labour and the Chief Industrial Relations Officer had forwarded to the parties the following findings and recommendations —

"There is no proof that Mr Michira was ordered out on the day in question. In any case he should have reported back probably later on in the day to hear further progress about his position.

It was wrong for him to have refused to take the letter of warning. He should have taken it and report the matter to his shopsteward which he failed to do.

After careful consideration of all the circumstances surrounding this case, there are conflicting statements, one party maintaining that Mr Michira was ordered out of his place of work while the other party maintains that he walked out on his own. These statements have not been sufficiently supported by evidence submitted by both parties. In view of the above I recommend that Mr Michira should be paid in full all his terminal benefits if this was not done at the time of his leaving the employment as laid down in the parties' collective agreement"

The Court finds this dispute to be rather interesting but one which developed rather unfortunately due to very petty and unreasonable attitude on the part of both Mr Michira who at the time was the Claimants' branch chairman at Kisumu and Mr D'Souza who is the Respondents' General Manager. The fact, however, remains that Mr Michira was not ordered out of his place of work by Mr D'Souza and neither did he wait to see Mr D'Souza's next step after he walked away saying that he would issue a final letter of warning to Mr Michira.

The Court finds on the evidence of one of the Respondents' own witnesses that this is clearly a case of resignation on the part of Mr Michira. There is no evidence to show that Mr Michira deserted his employment and under these circumstances and taking all the submissions and evidence into consideration the Court has come to the conclusion that Mr Michira resigned from his employment on 5th July, 1973, and as such he is entitled to retirement benefits as stated in clause 19 of the parties' collective agreement which is reproduced hereinbefore in the award. The Court further rules that provisions of clause 16 of the collective agreement do not apply to this case.

The Court accordingly awards that Mr Michira should be paid his retirement benefits as he had resigned from his employment.

THE INDUSTRIAL COURT

CAUSE No 28 OF 1975

Parties —

Kenya Union of Commercial Food and Allied Workers
and

United India Fire and General Insurance Co Ltd

Issues in dispute —

- 1 Salaries with compensation for inflation
- 2 Leave allowance
- 3 House and house allowance
- 4 Job analysis, job title and job description
- 5 Termination of employment after warning
- 6 Medical benefits

1 The Kenya Union of Commercial Food and Allied Workers shall hereinafter be referred to as the Claimants and United India Fire and General Insurance Co Ltd shall hereinafter be referred to as the Respondents

2 The parties were heard in Nairobi on the 24th day of June, 1975, and relied on their written and verbal submissions

AWARD

3 The Notification of Dispute Form "A" dated 7th April, 1975, was received by the Court on 29th April, along with the statutory certificate signed by the Labour Commissioner

At the commencement of the hearing the parties informed the Court that the Respondents had decided to adopt the collective agreement which the Claimants have with the Insurance Employers' Group of the Federation of Kenya Employers. Copies of an agreement dated 19th June, 1975, relating to the Group were handed in

As a result, issues 2, 4 and 5 are settled in that provisions relating to these items contained in the Group agreement shall be applicable to the Respondents' employees as well

As far as issues 1 and 3 are concerned, there is no dispute that the parties have adopted the new salary scales in respect of the various grades as contained in the Group agreement. The dispute, however, remains on the grading of the Respondents' eight employees involved in this dispute

The Claimants are also seeking deconsolidation of the consolidated rates of the Group agreement as far as it applies to the Respondents' employees to reflect a housing allowance of Sh 75 p m for all clerical employees and Sh 50 p m for a messenger

The Court was given detailed information regarding the qualifications of the employees involved in the dispute and a description of the jobs they performed

The Court is satisfied that any wage increases that follow from the Respondents joining the Group agreement are not to be regarded as in any way conflicting with the Guidelines

After a careful consideration of all the submissions the Court makes the following award in respect of the eight employees involved in this dispute —

Name	Grades	Wef 1-1-74	Wef 1-1-75	Wef 1-1-76
	<i>Clerical</i>			
	<i>Grade</i>	<i>Sh</i>	<i>Sh</i>	<i>Sh</i>
Burton Sammy	I	935	1,085	1,150
Kioko Ngu	II	695	800	860
Juma James Mbanj	II	775	860	920
Abiero Odongo Jastus	I	735	1,020	1,085
Vitalis Paul O Odhiambo	II	695	800	860
Mrs Virginia N Njeri	II	815	860	920
Mrs Isaack Kibiru	II	735	800	860
Mama Robert	Mes- senger I	410	550	500

Note—The above salaries are consolidated but it should be clearly understood that they contain a housing element of Sh 75 in respect of the clerical grades and Sh 50 in respect of the messenger grade

6 *Medical benefits*—The current arrangement on this issue is as below —

"All confirmed assistants and sub-staff shall participate in the Aga Khan Hospital Scheme for which the company shall pay up to Sh 60 per year per head to the scheme authorities"

The Court was informed that the contribution which in any case is made by the Respondents only has already gone up to Sh 80 per year per head and was soon again likely to go up to Sh 100

The Court is satisfied that this arrangement for the time being is satisfactory and therefore awards that it should continue for the duration of the current collective agreement

GAZETTE NOTICE No 2273

THE TRADE MARKS ACT
(Cap 506)

NOTICE is hereby given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge notice of opposition on Form T M No 6 (in duplicate) together with a fee of Sh 50

Notice is also hereby given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Office, Nairobi

Applications for registration in Part A of the Register are shown with the official number unaccompanied by any letter. Applications for Part B are distinguished by the letter B prefixed to the official number
