The following conditions will govern the sale of ivory:—

- (1) The highest bidder to be the purchaser subject to the reserve price being obtained or exceeded, and should any dispute arise between the bidders before the ensuing lot is put up, the lot in dispute may be put up again and re-sold.
- (2) The bidding shall be in shillings and by the pound avoirdupois. The auctioneer shall regulate the amount to be advanced at each bidding and no person may retract his bidding.
- (3) Immediately after the fall of the hammer the lots shall be at the absolute risk of the purchaser or purchasers.
- (4) The auctioneer may, without assigning any reason, refuse to accept any bid.
- (5) The purchaser of each lot shall, if required, give his name and address to the auctioneer and shall, if required by the auctioneer, deposit in cash 5 per cent of the purchase price immediately after the fall of the hammer. If any purchaser fails to comply with either of these conditions the lot or lots concerned may at the discretion of the auctioneer be re-sold. If upon such re-sale the price obtained is less than that originally accepted the difference shall be payable by the original purchaser.
- (6) No lot or lots may be removed from the premises on which the sale is held until fully paid for. Five per cent of the purchase price must be paid by the buyer not later than noon on the day after the sale and the full payment completed within ten days after the sale.
- (7) Free storage will be allowed for a period of fourteen days from the date of sale, after which date each lot undelivered will be subject to a rental of Sh. 2 per week or part thereof.
- (8) Upon failure to comply with the above conditions, the deposit shall be forfeited, lots unpaid for as aforesaid may be re-sold, either by public sale or private contract, and the deficiency, if any, upon such second sale, and all charges attending the same shall be made good by the defaulter at the present sale and be recoverable by the Regional Commissioner of Customs, as and for liquidated damages; but any surplus that may arise therefrom shall belong solely to the Regional Commissioner of Customs.
- (9) The purchaser shall not be entitled to claim in respect of short weight, which would appear to have been caused through natural shrinkage or drying out unless the short weight exceeds 5 per cent of the published weight; and in which case the purchaser shall only be entitled to reimbursement in excess of 5 per cent. Any claim shall be made prior to delivery.
- (10) The auctioneer shall be sole arbitrator in every matter of dispute.
- (11) Skins and other trophies shall be sold in such manner as the auctioneer may determine.
