THE OFFICIAL GAZETTE

TABLE

# Reuter's Telegrams.

DECEMBER 1ST.—The St. Petersburg newspaper "Slovo" states that there was a battle lasting two hours and-a-half at Sevastopol last Tuesday. The Rebel ships opened fire on the forts, the Cruiser "Oshakoff" was pierced by shells and burst into flames the Cruiser "Dnieper" and another vessel besides Torpedo Destroyers were sunk. Lieutenant Schmidt commanding the rebels was mortally wounded after which the Squadron surrendered.

Another account of the battle at Sevastopol states that the mutineers lost heart when a Rebel Torpedo Destroyer was sunk and the two cruisers were damaged, they endeavoured to make for the shore in the ships boats but were intercepted by loyal Torpedo Destroyers.

DECEMBER 2ND.—Reuter's Agent at St. Petersburg states that the present line of policy adopted by the Russian Government is regarded as suicidal and is playing into the hands of the Revolutionaries. In Financial and Business circles the feeling is one of consternation and on Thursday there was another heavy fall in prices on the St. Petersburg and Moscow Bourses.

At the Paris Assizes the Englishman Harvey, together with Vallina and Caursanel charged with the attempt on the lives of M. Loubet and King Alfonso in June last were acquitted, the jury apparently accepting the declarations made by respectable Spanish witnesses to the effect that the charges brought against them were the result of a Barcelona Police plot.

A Cabinet Council was held yesterday when it is believed it was decided to resign without dissolving. Martial Law has been abolished in Poland.

It is understood that Mr. Balfour will see the King early next week.

Radical papers now intimate that Sir Henry Campbell Bannerman is prepared to accept Office if His Majesty desires him to do so.

DECEMBER 4TH.—A number of Officers of the Guards have been arrested at Tsarskoeselo. The general feeling with regard to a Coup d'Etat is increasing.

Lord Roberts has resigned the Defence Committee in order to prosecute a campaign in favour of universal military training.

New Zealand beat England on Saturday by 15 points to nothing at the Crystal Palace.

Telegraphic communication with St. Petersburg is completely interrupted.

The situation in Russia is being reflected on the Paris Bourse where a heavy drop has occurred in all Russian securities.

A private wire over the Railway Telegraph received at Warsaw from Moscow reports that the huge incendiary fires are raging there. This is the only message that has been received from Moscow since Saturday.

The German Ambassador speaking at the Lyceum Club in London said that the shadow of enmity between Great Britain and Germany was due to artificially created illfeeling, and that the German Government would welcome any movement to promote good relations between the two countries.

There have been two days rioting in Georgetown British Guiana in connection with the strike of Dockers there. The Governor and other Officials were besieged in a public building but were rescued by Police. The conduct of the Black the troops was splendid. Twenty seven rioters were killed or injured.

The Dockers at Lorient have struck work for an increase of wages.

M. Jaluzot Proprietor of the Magasine Printemps has been committed for trial charged with a breach of trust in connection with the saving Bank.

Serious rioting has occurred at Kieff where fighting arose between Cossacks and the Mutinous Sappers scores of casualties.

DECEMBER 5TH.—The most elaborate precaution are being taken in St Petersburg in view of a feared outbreak amongst the troops. The Sailors are being disarmed owing to their sympathy with the revolutionaries. Quick firing guns have been trained on the Horse Guards Barracks. All who can leave Russia are doing so, finance and commerce are paralysed.

Sir Henry Campbell Bannerman has arrived in London and it is understood that he will accept the Premiership today.

Saturdays despatches from St Petersburg present a calamitous picture of turmoil and public alarm. There is much talk of a military dictatorship, but the loyalty of the troops is questioned and any attempt at a dictatorship is likely to lead civil war.

The British Cruisers "Sappho" and "Diamond" have arrived at Georgetown and have landed a force which has relieved the local troops who have been on duty for the last three days. Order has been restored and there have been no white casualties the Strikers are mostly half civilised amazons and ruffians.

Mr Balfour yesterday had an audience with the King and it is understood he has placed his resignation in His Majesty's hands.

The Government have resigned and Sir Henry Campbell Bannerman has been summoned by His Majesty.

Further heavy falls in all Russian securities have caused a collapse on the Paris Bourse verging on a panic.

Sir Henry Campbell Bannerman will have an audience with the King at 10-15 A. M. today.

DECEMBER 8TH.—The French Senate have finally passed by 181 to 102 Votes the Bill for the separation of Church and State.

The Correspondent of the Daily Telegraph at St Petersburg wires that General Sakharoff ex Minister of War has been killed by a female revolutionist who fired three shots at him.

In view of the number of candidates for Office the forecasts of the coming Cabinet are of the most varied nature and wholly conjectural, but there is a growing belief that Sir Henry Campbell Bannerman will eventually go to the House of Lords leaving Mr Asquith to lead the House of Commons. Mr. Asquith and Mr Morley are both mentioned for the post of Chancellor of the Exchequer and the latter is also talked

DECEMBER 11TH.—The "Times" states that Sir Edward Grey will become Foreign Secretary.
