GAZETTE NOTICE No. 3234

**THE TRADE MARKS ACT**  
(Cap. 506)

NOTICE is hereby given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge notice of opposition on Form T.M. No. 6 (in duplicate) together with a fee of Sh. 50.

Notice is also hereby given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Offices, Nairobi.

Applications for registration in Part A of the Register are shown with the official number unaccompanied by any letter. Applications for Part B are distinguished by the letter B prefixed to the official number.

##### THE INDUSTRIAL COURT

CAUSE No. 28 OF 1968

Parties:—

Transport and Allied Workers' Union  
and  
Kenya Bus Services Limited (Nairobi and Mombasa)  
and  
Bulwark Transport Limited

Issues in Dispute:—

- (1) Wages.
- (2) Housing Allowance.
- (3) Grading of Inspectorate, Workshop and Ferry Staff.
- (4) Annual Leave.
- (5) Duration of Agreement.
- (6) Date of Implementation.

1. The Transport and Allied Workers' Union shall hereinafter be referred to as the Claimants and Kenya Bus Services Limited (Nairobi and Mombasa) and Bulwark Transport Limited shall hereinafter be referred to as the Respondents.

2. The Parties were heard in Nairobi on the 5th and 6th September 1968 and relied on their written and verbal submission.

##### AWARD

6. After a careful consideration of all the submissions made by the Parties the Court makes the following award:—

(1) *Wages*.—The Court awards a wage increase of Sh. 20 per month to all employees other than those in the workshop, whose rates for the grades will go up by the said amount, with effect from 1st May 1968. The Court awards a further increase of Sh. 10 per month to all employees with the same proviso as above in respect of workshop employees, with effect from 1st May 1969.

(2) *Housing Allowance*.—Nil award.

(3) (a) *Grading of Inspectorate*.—Nil award.

(b) *Workshop Staff*.—The Claimants made allegations of racial discrimination against the Respondents under this issue. Their main complaint being that Asian mechanics were being favoured in that they were paid higher wages than their African counterparts who possessed the same qualifications and were in the same grades as these Asians.

The Court has gone very carefully into this question and the whole set up in the Respondents' workshops. In 1962 the Claimants had signed an agreement with the Respondents agreeing to accept the Respondents' grading system of all workshop staff. A condition to this agreement was that no employee would be placed on a lower wage rate as a result of the introduction of the grading system.

The Respondents submitted that after the grading had been completed they made it a condition that no employee who joined the workshop staff after 6th June 1962 could enter the artisan or skilled grades unless they passed a Kenya Government Trade Test applicable to that class and in addition anyone placed in one of these three classes without a Trade Test Certificate could not get promotion within that class, until he passed a Kenya Government Trade Test applicable to that class. The Court finds no reason to believe that the Respondents have departed from this arrangement. The alleged racial discrimination is the result of the said grading exercise which was carried out with the concurrence and agreement of the Claimants.

The Court feels that unlike in the past when the Claimants had insisted for an increase for every employee the Court's present award restricting the increase in wages in the workshops to the rates for the grades will be a step towards equalizing the wages of Asian and African mechanics in the same grades.

Further if there is any concrete case in which the Claimants feel that the Respondents have departed from their agreement then that case should be processed through the grievance procedure.

(c) *Ferry Staff*.—The Respondents have accepted the equity of granting employees on the ferry services equality in wages where the duties are equal. They are willing to eliminate any existing anomalies and have volunteered to examine the structure to ensure that where equality of duty exists then equality of wage shall apply.

The Court finds this a fair proposal and accordingly awards that the Parties should meet under the chairmanship of the Chief Industrial Relations Officer and go into this question at a mutually convenient date with a view to resolving this matter.

The Court further awards that although there may be transfers from ferry services to bus services there should be no transfers from bus services to ferry services except where equality of jobs has been established.

(4) *Annual Leave*.—As the Respondents' offer of 23 days' annual leave was part of a package deal which has not been accepted by the Claimants and the Court, the Court, therefore, rules that the present arrangement should continue.

(5) *Duration of Agreement and (6) Date of Implementation*.—The Court rules that the agreement should be with effect from 1st May 1968 and should remain in force for a period of two years from that date.

Given in Nairobi this 24th day of September 1968.
