**Kenya Chemical Workers' Union**

and

Kenya Paint Manufacturers Group

### Issues in Dispute

- (1) Wages
- (2) Leave allowance
- (3) Termination of employment/Effective date

1 The Kenya Chemical Workers' Union shall hereinafter be referred to as the Claimants and the Kenya Paint Manufacturers Group shall hereinafter be referred to as the Respondents

2 The parties were heard in Nairobi on the 23rd day of April 1969 and relied on their written and verbal submissions

## AWARD

The agreement dated 13th October 1967 regulating wages and terms and conditions of service in respect of Respondents' unionizable employees came into effect on 1st October 1966 and was to remain in force for a period of 18 months

On 13th October 1967 the Respondents, after signing the above agreement had forwarded it to the Claimants for execution after incorporating in it wages and terms and conditions of service as established by an Industrial Court award and by mutual consent of the parties

The Claimants, however, did not execute this agreement until 24th June 1968 although prior to this date they had forwarded their demands to the Respondents for revising the existing wages and terms and conditions of service. This was on 28th March 1968 and the Respondents received them on 17th April. The Respondents refused to start negotiations for revising an agreement which had not been signed by the Claimants.

The Industrial Court awards take effect from the date they are published in the Gazette or on a date specified in the award. They become part of the terms and conditions of service under section 10 (6) of the Trade Disputes Act 1965 from the date that the award has effect. Nevertheless it is extremely important that parties should have a properly drawn up and executed agreement so that there is no ambiguity on any matter relating to wages and terms and conditions of service of workers. This would go a long way in ensuring smooth industrial relations.

In the circumstances put forward in this dispute the Court finds that there is considerable merit in the Respondents' contention that they are justified in asking for the agreement to be executed before they could commence negotiations to revise it.

The negotiations or the Claimants' demands, having been delayed for the aforesaid reason, did not commence until 4th July 1968. A meeting held on this date ended in a deadlock, and the Claimants wrote a letter to the Respondents on 24th August 1968 which the latter received on 31st August 1968. In this letter the Claimants threatened strike action and the Respondents reported a trade dispute to the Ministry of Labour on 3rd September 1968. A conciliator was appointed who arranged for a meeting for 26th September 1968 which did not take place as the date was not suitable to the Respondents. From then on there is a sad history of an unwarranted delay at conciliation level partly through one party or the other not being available on the dates arranged and partly due to the conciliator's transfer to Machakos. The conciliation did not end until about the end of January 1969.

The Court finds itself in an unhappy position as some five months' delay has taken place at conciliation stage. This is most unfortunate and the Court hopes that the authorities will take note of this so that such delays are not repeated in future.

After a careful consideration of all the submissions made by the parties the Court has decided to award that the effective date of the agreement should be 1st January 1969 and that it should remain in force, as agreed between the parties, for a period of three years

### Wages

The Court awards the following wage increases with effect from 1st January 1969 for a three-year period —

## THE INDUSTRIAL COURT

CAUSE No 10 OF 1969

*Parties —*

Kenya Local Government Workers' Union  
and  
Murang'a County Council

*Issue in Dispute —*

Incorrect payment of terminal benefits to Mr Willie Mwinga

1 The Kenya Local Government Workers' Union shall hereinafter be referred to as the Claimants and Murang'a County Council shall hereinafter be referred to as the Respondents

2 The parties were heard in Nairobi on the 22nd day of April 1969 and relied on their written and verbal submissions

## AWARD

Mr Willie Mwinga was in the employment of the Respondents as a storekeeper and in April 1967 he was on the scale E 2—£435 p a (Sh 725 p m) On 8th April 1967 he was suspended from duty Subsequently he was prosecuted on a criminal charge of theft of corrugated iron sheets to the value of Sh 11,656/90 but was acquitted on 24th April 1967 by the Fort Hall Resident Magistrate due to insufficient proof

On 10th May 1967 he received the following letter from the Respondents' Acting Clerk —

*'Suspension from Duty*

Reference is made to a letter Ref No MCC/WM/702/9 dated 8th April 1967 on the above subject

As you have been acquitted of all the charges, I am directed to inform you to resume work with immediate effect You are transferred to the Administration Department Your work will be typing in the Establishment Section

By copy of this letter, the Treasurer is requested to pay you with immediate effect from 6th April 1967 the date you were suspended "

Prior to the aforesaid criminal case against Mr Mwinga, complaints had been received against him from the County Engineer in 1964, 1965 and 1966 stating that he had been absent on occasions without any permission Further in October 1966, as a result of stock taking which took place on two occasions in the presence of Mr Mwinga, it came to light that a considerable number of items to the value of Sh 1,211/30 and Sh 5,541/59 were missing Details of these items were given to the Court by the Respondents

Mr Mwinga resumed duty as a typist in the establishment section following the aforesaid letter dated 10th May 1967 from the Acting Clerk On 10th June 1967 his services were terminated, the letter terminating his appointment was signed by the Acting Clerk and is reproduced below —

"I am directed to give you a month's notice effective from the date of this letter to terminate your appointment with the County Council of Murang'a Your appointment with the Council is being terminated in accordance with rule 14 (e) of the Staff rules

I take this opportunity on behalf of the Council to thank you for the services you have rendered to the Council "

His 30 days leave was also approved with effect from 12th June 1967 and he was asked to resume duty on 12th July 1967

The Claimants demand that in accordance with the staff rules which apply to all the staff employed by the Respondents, Mr Mwinga should have been given three months' notice when his services were terminated and not one month's They referred the Court to staff rule No 12 (1) (a) where it was stated that the Council may at any time by resolution with the prior concurrence of the Provincial Commissioner, terminate the appointment of an officer serving on the senior salary scales of the Council by giving three months' notice in writing

The Respondents maintained that they had decided to terminate Mr Mwinga's services summarily as a result of his past record of gross negligence and irresponsibility, but their Acting Clerk had made errors in carrying out the instructions given to him in that he had terminated Mr Mwinga's services by giving him a month's notice The Respondents stated that it was pertinent that the Acting Clerk referred to rule 14 (e) of the staff rules in the said letter which was indicative of the fact that Mr Mwinga was being dismissed on disciplinary grounds

The Claimants strongly resisted this on the grounds that the disciplinary procedure and matters arising therefrom had been finalized when Mr Mwinga had been acquitted by the Fort Hall Magistrate on 24th April 1967 and that the complaints against Mr Mwinga which related to a period prior to his prosecution of criminal charge of theft were entirely irrelevant

The Court at one stage expressed doubts whether this dispute should not have been argued in a civil court but in view of the fact that the Respondents have not objected and because technically it is a trade dispute within the definition of a "trade dispute" in the Trade Disputes Act 1965, the Court has decided to deal with this matter

After a careful consideration of all the submissions made by the parties, the Court finds that the Acting Clerk acted as an agent of the Respondents at all material times Therefore, the Respondents are bound by his actions and are stopped from now alleging that Mr Mwinga should have been dismissed summarily The Court must therefore find that Mr Mwinga was not summarily dismissed and it is pertinent to note that no evidence whatsoever was produced showing the resolution which the Respondents' relevant committee had adopted in respect of Mr Mwinga

The Court further finds that disciplinary procedure had been exhausted and completed with the acquittal of Mr Mwinga on 24th April 1967 and that since he was asked to resume duty and in fact worked for a month as a typist in the establishment section clearly entitles him to the requisite notice to which he was entitled under the staff rules The Court further finds that Mr Mwinga was entitled to three months' notice and as he was given only a month's notice he is entitled to two months' salary in lieu of the remaining two months and the Court accordingly so awards

## THE TRADE MARKS ACT

(Cap 506)

NOTICE is hereby given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may within 60 days from the date of this Gazette, lodge notice of opposition on Form T M No 6 (in duplicate) together with a fee of Sh 50

Notice is also hereby given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant

Where it is stated in the advertisement of the applicant that the mark, upon its registration is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Offices, Nairobi

Applications for registration in Part A of the Register are shown with the official number unaccompanied by any letter. Applications for Part B are distinguished by the letter B prefixed to the official number
