## GAZETTE NOTICE No. 1179

**THE INDUSTRIAL COURT**

CAUSE No. 8 OF 1968

*Parties:—*

Kenya Chemical Workers' Union  
and  
Refractories Limited

*Issues in dispute:—*

- (1) Wages.
- (2) Annual Leave.
- (3) Gratuity.
- (4) Effective Date and Duration.

1. The Kenya Chemical Workers' Union shall hereinafter be referred to as the Claimants and Refractories Limited shall hereinafter be referred to as the Respondents.

2. The Parties were heard in Nairobi on the 16th day of March 1968, and relied on their written and verbal submissions.

**AWARD**

The Court has very carefully considered the submissions made by the Parties in this dispute before making its findings.

(1) *Wages.*—The Court appreciates the delicate trading position of the Respondents and that they are engaged in a diminishing industry. Furthermore the Court cannot overlook the fact that the number of employees engaged by the Respondents has been reduced from 65 in 1965 to 38 at present. Considering all the circumstances and the forceful arguments put forward by the Claimants the Court feels that the Respondents' offer of Sh. 20 increase for the first 12 months and another Sh. 20 increase for the next 12 months should be slightly increased. The Court, therefore, awards a wage increase of Sh. 25 per month to all unionizable employees on their present wages for the first 12 months and another Sh. 20 increase for the next 12 months.

(2) *Annual Leave.*—The Court rejected the Claimants' demand on this benefit in 1965 and can find no reason in the present dispute to award otherwise. The demand for varying the current entitlement is, therefore, rejected.

(3) *Gratuity.*—The Court rejects the amendments sought by the Claimants on this issue as no strong and exceptional reasons were put forward. The Court has repeatedly stressed that such benefits should not come up for annual revision in the absence of any strong and exceptional circumstances.

(4) *Effective Date and Duration.*—The Court rules that the effective date of this award should be 1st November 1967, and that it should remain in force for a period of two years from that date.

In arriving at this effective date the Court was considerably influenced by the fact that the Respondents had insisted on the 1966 agreement being signed before embarking on fresh negotiations and that this agreement was not signed until June 1967, mainly due to the reluctance of the Claimants to do so. The Court would like to state that it is most desirable that Parties' obligations should be recorded in writing so that there is no room for any doubt.

Given in Nairobi this 5th day of April 1968.

GAZETTE NOTICE No. 1182

## THE TRADE MARKS ACT

(Cap. 506)

NOTICE is hereby given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge notice of opposition on Form T.M. No. 6 (in duplicate) together with a fee of Sh. 50.

Notice is also hereby given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him an opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Offices, Nairobi.

Applications for registration in Part A of the Register are shown with the official number unaccompanied by any letter. Applications for Part B are distinguished by the letter B prefixed to the official number.
