3.0 *Decisions made by the Board on the violation of the values and principles of public service*

The Board on its own initiative carried out investigations on the violation of the values and principles of public service. Consequently, in the month of May it made a request to the Kenya National Examination Council (KNEC) for verification of certificates for Drivers, Records Management Officers and Ward Administrators.

Consequently, an internal investigation was carried out on one officer working as a driver with the Board. The investigations revealed that the said driver fraudulently used another person's academic certificates for purposes of employment.

Steps taken

The driver was issued with a show cause letter giving him an opportunity to exonerate himself.

The officer was then given a period of twenty one (21) days to give his reply.

The disciplinary committee discussed the response and he was given an opportunity to defend himself.

Further investigations found the driver guilty of the said offence and he was subsequently dismissed.

4.0 *Recommendations to be implemented in the promotion of values and principles*

The Board has faced various challenges in its promotion of the values and principles.

Office Space

The Board lacks adequate office space to cater for its entire staff.

Budget

The Board does not have its own vote; it has been operating within the Governor's office budget vote. For this reason it cannot determine its actual expenditure.

Inadequate funding and insufficient provision of resources have been identified as major challenge.

The Board thus requests to have its own vote in the next financial year.

Vehicles

The board does not have sufficient vehicles to carry out its mandate.

Recommendations

Facilitation of capacity building and civic education.

Provision of adequate resources and funding

Development of relevant policies from the Board that comply with Constitution requirements

Periodic Monitoring and Evaluation of employees to ensure effective and efficient service delivery.

Recruitment of personnel by the Board that have the requisite skills and expertise required in their areas of service.

Dated the 20th January, 2016.

CAROLINE CHEPTOO,
MR/8406372 *Secretary/CEO, County Public Service Board.*
