The main duties of an assessor are to compute the income tax liability of tax payers on the basis of accounts and returns submitted, and to conduct the necessary correspondence and interviews.

Officers designated in the service of other Governments and Administrations cannot be considered unless secondment can be arranged. An officer on permanent and pensionable terms of service transferred from another Government or Administration will not be eligible to benefit under the "Scheme of Benefits for non-designated officers Prematurely Retired". Officers serving on agreement with other Governments or Administrations should not apply unless they are prepared to terminate their present contracts.

Assistant Secretary (Two), (1) Office of the Executive Officer to the Social and Research Services Ministerial Committee; (2) Office of Research Secretary

Salary scale.—"A": £798 to £1,791. PERMANENT and PENSIONABLE.

(Closing date: 23rd August, 1963)

Duties.—The candidate appointed in the office of the Executive officer is intended to understudy the work of that officer. This work includes the preparation of memoranda for Ministerial Committee, taking minutes at meetings, organizing meetings, maintaining records of all meetings held, and taking action as a result of decisions made by the Ministerial Committee.

The subjects which come up for discussion are those related to Natural Resources and Medical Research, the Literature Bureau, Desert Locust Control Organization, and Higher Education. To acquaint the candidate with subjects, it may be necessary for him to obtain first-hand information regarding the running and administration of certain of the Departments.

The candidate appointed in the office of the Research Secretary will be responsible to the Secretary for the general administration and financing of the Medical and Natural Resources Research establishments under the control of the East African Common Services Organization.

The successful candidate will also be expected to organize meetings of the East African Medical and Natural Resources Research Councils and subordinate committees, including preparation of memoranda, maintaining records of all meetings and taking action upon the decisions which have been reached.

Qualifications.—Applicants for both posts should preferably have a University degree and relevant experience. Applications will also be considered from other applicants who do not possess a University degree, but have had at least four years' experience in a responsible position in Government Departments or in similar organizations.

The successful candidates, providing they are found to have the necessary capabilities, have prospects of promotion to super-scale posts either in the Secretariat to the Ministerial Committee of Social and Research Services or other Departments of the Organization.

Statistical Assistant (Trainee), E.A. Statistical Department

Salary scale.—"D", £506.8 to £597 or E4—3, £201 to £394.4. PERMANENT and PENSIONABLE.

(Closing date: 23rd August, 1963)

Candidates must be Africans who have at least a good School Certificate with credits in Mathematics and English Language (or an equivalent G.C.E.) and at least one year's experience of statistical work. A Higher School Certificate Pass at Principal Level in Mathematics would be an advantage. A candidate who can prove good experience in statistical work and sound

knowledge of elementary statistical methods would be considered even if he lacked the Scholastic requirements detailed above.

The candidate would be appointed on E4—3 segment in the first year before going on to Training Grade, unless he is a serving officer with at least one year's previous Government service.

The selected candidate will be required to take the Registered Statistical Assistant Examination of the Institute of Statisticians within two years of appointment and this will entail private study outside working hours.

Box 30121, Nairobi, not later than 24th August, 1963. Applications must be submitted, in triplicate, on Form EAR. 0160. Copies of these forms may be obtained in Kenya from the Secretary; in Uganda from the Regional Representative, P.O. Box 952, Kampala; and in Tanganyika from the Assistant General Manager (Tanganyika), P.O. Box 468, Dar es Salaam; District Traffic Superintendent, P.O. Box 98, Tanga; District Engineer, P.O. Box 214, Dodoma; District Traffic Superintendent, P.O. Box 91, Tabora; Commander in Charge, P.O. Box 49, Kigoma; Road Transport Superintendent, P.O. Box 183, Iringa; District Traffic Superintendent, P.O. Box 875, Mwanza; Officer in Charge, Southern Province Region, Private Bag, Mtwara. Serving employees of the East African Railways and Harbours may obtain copies of the forms from their head of department.

Marine Engineering Trainees, Division IIB, Operating and Port Departments (Up to Twelve Vacancies)

Salary scale.—£213 by £15 to £288 per annum.

Candidates for these vacancies must be under 20 years of age and must have obtained a Cambridge Overseas School Certificate with at least four credits, including one in English, Mathematics and Physics/Chemistry/Physics with Chemistry/General Science, or an equivalent G.C.E. The successful candidates will train to become professionally qualified Marine Engineers. This training will commence with two years' full-time study at a technical college in Britain. The tuition fees and costs of books and kit will be paid by East African Railways and Harbours together with the cost of board and lodging. On successful completion of the technical college course the trainees will be required to undertake 18 months' service in sea-going ships as Apprentice Engineers, during which time sea pay is approximately Sh. 860 per month with food, uniform and accommodation provided. This is followed by 12 months' vocational training in industrial or technical college workshops and a further 18 months' sea service in sea-going ships as Apprentice Engineers, after which the Second Class Engineer's Certificate examination is taken. After obtaining this certificate, the trainees will be required to under sea-going duties as Watchkeeping Engineers for periods totalling 21 months, in order to qualify for the First Class Marine Engineer's Certificate examination. During these periods sea pay will be approximately Sh. 1,100 per month with food, uniform and accommodation provided. Allowing time for examinations, leave and obtaining suitable ships for the sea service required, the total period needed to obtain a first class certificate of competency as a Marine Engineer is approximately ten years. On successful completion of the whole training the trainees are appointed on two years' probation to posts which at present carry the salary scale of £999 by £42 to £1,125; £1,173 by £51 to £1,326 per annum, and are subsequently eligible for appointment to permanent and pensionable terms after satisfactory completion of the probationary period. (2/8/7/1)

*Trainee Tugmates Division IIB, Operating Department
(Three Vacancies)*

Salary scale.—£213 by £15 to £288 per annum.

Candidates for these vacancies must be under 20 years of age and must have obtained a Cambridge Overseas School Certificate with Credits at least in English, Mathematics and Physics/Chemistry/Physics with Chemistry/General Science. The successful candidates will be trained at the Ghana Nautical College with a view to becoming professionally qualified Marine Officers. The first stage of training will consist of two or three years' academic course providing theoretical and practical training. The second stage will consist of three years' ocean-going training which, it is anticipated, will be undertaken on vessels of the Ghana Government. This phase of training will end by the trainees taking the examination for Second Mate. On successful completion of this examination the trainees will enter the third stage of training which will be 1½ years' ocean-going training at the end of which they will take the examination for the First Mate Certificate. On successful completion of this period the trainees will enter a final stage of 1½ years' ocean-going service to enable them to qualify for the Master Mariners Certificate.

Initially, the trainees will be engaged at a salary of £213 per annum in the scale £213 by £15 to £288 per annum, but whilst at the Ghana Nautical College they will be eligible for pocket money only at the rate of Sh. 167/66 per month, the difference between this pay and their salary being paid to them at the end of each term. The tuition fees and cost of books and kit will be paid by the Government of Ghana together with the cost of board and lodging.

The successful trainees will be eligible for appointment, initially on two years' probation, to posts of Marine Officers which are at present in the salary scale of £999 by £42 to £1,125; £1,173 by £51 to £1,326; £1,380 to £1,665 per annum and on successful completion of the probationary period will be eligible for appointment to permanent and pensionable terms of service. (2/4/81)

Workshops Foreman Grade I, Operating Department, Kisumu Marine Workshops

Salary scale.—£1,179 by £45 to £1,224 per annum. Pensionable. Or £1,329 by £45 to £1,374 per annum (consolidated) includes house allowance of £150 per annum. Contract.

Applicants for this vacancy must have served an apprenticeship as Marine Engineer Fitter or in an analogous trade with a reputable firm of Shipbuilders and Marine Engineers, and have an expert knowledge of diesel and steam machinery and their installation in vessels of varying types up to 300 feet in length. A working knowledge of other Shipyard trades would be additionally desirable and applicants will be expected to co-operate in the training of African staff.

The successful candidate, if offered permanent and pensionable terms, will initially be engaged on two years' probation on the successful completion of which he will be eligible for appointment to permanent and pensionable terms of service. If offered contract terms, the successful candidates will be engaged for an initial period of two years and will be eligible for a gratuity, at the rate of 12½ per cent of the total emoluments drawn, payable at the completion of the contract period.

In addition to the salary shown, the terms of service both during probation and permanent terms include free housing or a house allowance in lieu at the rate of 15 per cent of basic salary for employee on permanent and pensionable terms, certain free and reduced fare travel facilities and free government medical attention for the employee and his family. (2/4/31)

Designing Draughtsman Grade I, Engineering Department

Salary scale.—£1,329 by £45 to £1,374 per annum (consolidated), includes a house allowance of £150 per annum. Contract.

Applicants for this vacancy should have a wide experience including designing and detailing of reinforced concrete and/or structural steelwork. A knowledge of building construction, bridge designing or experience of marine work would be an advantage, as would also be previous experience of Railway works. Candidates for this post must be quick, neat and accurate draughtsmen and be able to supervise detailing.

The successful candidate will be appointed on local contract terms of service for an initial period of two years and will be eligible for a gratuity, at the rate of 12½ per cent of the total emoluments drawn, payable at the completion of the contract period. In addition to the salary shown, the terms of service include generous leave terms, free government medical attention for the employee and his family and certain free travel facilities and reduced fare facilities for himself and his family. (2/2/3/4)

Note.—Applications from candidates who do not possess all the qualifications specified will not be considered. General inquiries regarding employment with East African Railways and Harbours should not be addressed to the Secretary, Railways and Harbours Service Commission.

- (b) If the application is unsuccessful the applicant's deposit will be returned to him.
- (c) If the application is successful and the applicant fails to take up and pay for the plot offered to him within a period of 14 days, as required in paragraph 6 below, the Commissioner of Lands may declare the deposit forfeited and the applicant shall have no further claim thereto.

6. The allottee shall pay to the Commissioner of Lands within 14 days of notification that his application has been approved the assessed stand premium and proportion of annual rent, together with the survey fees, the fees payable in respect of the preparation and registration of the grant (Sh. 225) and stamp duty in respect of the grant (approximately 2 per cent of the stand premium and annual rent. In default of payment within the specified time the Commissioner of Lands may cancel the allocation and the applicant shall have no further claim to the grant of the plot.

General Conditions

1. The ordinary conditions applicable to Township and Trading Centre grants of this nature shall apply except as varied hereby.

2. The grant will be made under the Crown Lands Ordinance (Cap. 280 of the Laws of Kenya) and title will be issued under the Registration of Titles Ordinance (Cap. 281). The term of the grant will be 99 years from the first day of the month following the notification of the approval of the grant.

3. The grant will be issued in the name of the applicant as stated in the letter of application.

Special Conditions

1. No buildings shall be erected on the land nor shall additions or external alterations be made to any buildings otherwise than in conformity with plans and specifications previously approved in writing by the Commissioner of Lands and the local authority. The Commissioner shall not give his approval unless he is satisfied that the proposals are such as to develop the land adequately and satisfactorily.

2. The grantee shall within six months of the commencement of the term submit in triplicate to the local authority and the Commissioner of Lands plans (including block plans showing the positions of the buildings and a system of drainage for the disposal of sewage, surface and sullage water), drawings, elevations and specifications of the buildings the grantee proposes to erect on the land and shall within 24 months of the commencement of the term complete the erection of a petrol station and the construction of the drainage system in conformity with such plans, drawings, elevations and specifications as amended (if such be the case) by the Commissioner provided that if default shall be made in the performance or observance of any of the requirements of this condition it shall be lawful for the Commissioner of Lands or any person authorized by him on behalf of Her Majesty to re-enter into and upon the land or any part thereof in the name of the whole and thereupon the term hereby created shall cease but without prejudice to any right of action or remedy of Her Majesty, the Governor or the Commissioner in respect of any antecedent breach of any conditions herein contained.

3. The grantee shall at his own expense suitably connect the said drainage system and also the water supply system with any town drainage and/or town water supply system when in the opinion of the local authority the latter systems are so far completed as to enable the grantee to do so.

4. The grantee shall maintain in good and substantial repair and condition all buildings at any time erected on the land.

5. Should the grantee give notice in writing to the Commissioner of Lands that he is unable to complete the buildings within the period aforesaid the Commissioner of Lands shall (at the grantee's expense) accept a surrender of the land comprised herein provided further that if such notice as aforesaid shall be given (1) within 12 months of the commencement of the term the Commissioner of Lands shall refund to the grantee 50 per centum of the stand premium paid in respect of the land or (2) at any subsequent time prior to the expiration of the said building period the Commissioner of Lands shall refund to the grantee 25 per centum of the said stand premium. In the event of notice being given after the expiration of the said building period no refund shall be made.

6. The land and buildings shall only be used for the purposes of a petrol station.

7. The grantee shall comply with the provisions of the Petroleum Ordinance (Cap. 304) and any amendment thereto or re-enactment thereof for the time being in force and the rules made from time to time thereunder.

8. The buildings shall not cover a greater area of the land than may be prescribed by the local authority in its by-laws.

9. The grantee shall not subdivide the land.

10. The grantee shall not sell, transfer, sublet or charge the land or any part thereof except with the prior consent in writing of the Governor; no application for such consent (except in respect of a loan required for building purposes) will be considered until Special Condition No. 2 has been performed.

11. The grantee shall not erect on the land any hoarding, placard, poster sign or advertisement except a notice advertising the presence and products of the grantee's business.

12. The grantee shall pay to the Commissioner of Lands on demand such sums as the Commissioner may estimate to be the proportionate cost of constructing all roads and drains and sewers serving or adjoining the land and shall on completion of such construction and the ascertainment of the actual proportionate cost either pay (within seven days of demand) or be refunded the amount by which the actual proportionate cost exceeds or falls short of the amount paid as aforesaid.

13. The grantee shall from time to time pay to the Commissioner of Lands on demand such proportion of the cost of maintaining all roads and drains serving or adjoining the land as the Commissioner may assess.

14. Should the Commissioner of Lands at any time require any road serving or adjoining the land to be constructed to a higher standard the grantee shall pay to the Commissioner on demand such proportion of the cost of such construction as the Commissioner may assess.

15. The grantee shall pay such rates, taxes, charges, duties, assessments or outgoings of whatever description as may be imposed, charged or assessed by any Government or local authority upon the land or the buildings erected thereon including any contribution or other sum paid by the Governor in lieu thereof.

16. The Governor or such person or authority as may be appointed for the purpose shall have the right to enter upon the land and lay and have access to water mains, service pipes and drains, telephone or telegraph wires and electric mains of all descriptions whether overhead or underground and the grantee shall not erect any building in such a way as to cover or interfere with any existing alignments of main or service pipes or telephone or telegraph wires and electric mains.
