THE TRADE MARKS ACT

(Cap. 506)

NOTICE is hereby given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge notice of opposition on Form T.M. No. 6 (in duplicate) together with a fee of Sh. 50.

Notice is also hereby given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Offices, Nairobi.

Applications for registration in Part A of the Register are shown with the official number unaccompanied by any letter. Applications for Part B are distinguished by the letter B prefixed to the official number.

Siriba Training College

Issue in Dispute:—

Unreasonable dismissal of Mrs. Irene Simekha and deduction of salary of Mr. S. O. Tenga.

1. The Domestic and Hotel Workers' Union shall hereinafter be referred to as the Claimants and Siriba Training College shall hereinafter be referred to as the Respondents.

2. The Parties were heard in Nairobi on the 22nd and 23rd day of April 1968. In addition to relying on their written and verbal submissions they called witnesses—the Claimants two and the Respondents three.

AWARD

Unreasonable dismissal of Mrs. Irene Simekha:

There is no doubt that Mrs. Simekha ran into difficulties when the new Principal Mr. Ougo took over at the Siriba Training College. These emanated mainly from Mr. Ougo's efforts to start a new system for keeping records at the boarding store which he felt were not adequate. The Court is satisfied that as a result of this Mrs. Simekha and the Principal clashed and their relationship deteriorated with the result that after an incident in the Principal's office between the Principal and Mrs. Simekha, the following day that is, 16th January 1966 the District Officer called on the Principal. He told the Principal that Mrs. Simekha had alleged that she was being victimized by the Principal on account of tribalism. The Principal obviously satisfied the District Officer because the Administration took no further part in this affair. On 17th January 1966 the Principal gave a letter of warning to Mrs. Simekha in which he accused her of insubordination, obstruction and negligence of duty during the first week of the term. Mrs. Simekha did not reply to this letter.

On 8th March 1966 the Principal wrote a letter to Mrs. Simekha requesting her to prepare a report about the administration of the kitchen and the dining halls for the benefit of the Board of Governors. He suggested to her various matters to be covered in the report including the "big debit balance in the boarding vote". He also informed her that the Board of Governors would meet that month.

On 9th March 1966 due to the shortage of water the students had to go without their lunch and got only a light snack between 2.30 p.m. and 3.30 p.m. Mrs. Simekha said that she had informed the Principal that morning about the shortage of water but Mr. Ougo said that he was aware of the shortage of water from the beginning of March and in addition to requesting the appropriate authorities to look into the water problem, he had put one lorry at Mrs. Simekha's disposal for bringing water from a nearby stream. This incident prompted him to suspend Mrs. Simekha as from 10th March

1966 and her case was put before the Board of Governors who met later that month. The Board of Governors appointed a subcommittee to interview and examine her records. The members of this subcommittee were Mr. J. M. Omino (Chairman), Mrs. Grace Onyango (Mayor of Kisumu), Mr. Jonathan S. Muruli, M.P., Mr. A. H. Odhingo (Councillor, Central Nyanza County Council) and Mr. J. H. Ougo (Principal). This committee met twice and according to the evidence of Mr. Omino all the five members were present at both the meetings and every opportunity was given to Mrs. Simekha to produce any records and to call any evidence she wished.

It is interesting to note that although Mrs. Simekha had been suspended from duty on account of the lunch incident, the subcommittee appointed by the Board of Governors did not concern itself at all with this matter. They investigated and made their recommendations on such items like stock cards, ration book, stores ledgers, etc. The Court finds that although Mrs. Simekha's suspension was on account of the lunch incident the Board of Governors did not think it serious enough to warrant any investigation into this matter. As regard the other items which were the subject matter of the inquiry, the irregularities if any were not at any rate at that stage serious enough to warrant a suspension of Mrs. Simekha. In these circumstances it is hard to believe that Mrs. Simekha's behaviour on the question of stores records was of such a nature as to warrant instant dismissal. No prior warning had been given to her other than the letter of 17th January 1966 which was issued after the District Officer had come to see the Principal on Mrs. Simekha's complaint.

In these circumstances and after having carefully considered the evidence of Mrs. Simekha and the Principal the Court finds that Mrs. Simekha's conduct although not warranting instant dismissal did justify the termination of her services because she did not give the Principal the co-operation necessary for the introduction of the new system. Further the findings of the subcommittee appointed by the Board of Governors were against Mrs. Simekha.

The Court has, therefore, decided to award that Mrs. Simekha should be paid her full salary from 10th March 1966 to 13th May 1966 and that she be given a further month's salary in lieu of notice necessary for the termination of her services.

The Court must comment on the fact that although allegations of tribalism were made against the Board of Governors and the Principal, the Court cannot find them proved on the evidence before it. In fact Mrs. Simekha's successor is another Maluhya though married to a Luo.

Deduction of salary of Mr. S. O. Tenga:

This gentleman started working as an Assistant Executive Officer on 1st July 1964 at the rate of £506.8 per annum in the scale £506.8 to £717 (Scale X). He was directly under the Bursar one Mrs. Hammond who left at the end of June 1965. Mr. Tenga took over from her on 1st July 1965 and acted as a Bursar up to March 1966 when a new Bursar was appointed. There are certain unusual features in this dispute. Firstly although Mr. Tenga's letter of appointment states that his incremental date would be 1st July, it was changed to 1st January. Secondly, Mr. Tenga was converted to Grade III after the Personnel Circular No. 37 of 1964 came into effect. The Respondents submitted that both these changes in incremental date and the conversions were carried out by Mr. Tenga himself as he was the person dealing with these matters. It is possible that it is so but the fact remains that the Bursar and the Principal accepted these changes because they did not at any time object to them.

As far as the question of there being no establishment for two officers in the Executive Grades at the Siriba Training College is concerned the fact remains that the Principal of the college was informed of this as far back as January 1964. Yet in spite of this Mr. Tenga was appointed Assistant Executive Officer and the authorities took no action to rectify the error. In view of this the Court finds that whatever transpired *re* salary and designation of Mr. Tenga up to the end of December 1966 was due to no fault of his and, therefore, he should not be asked to return any money which he has received by way of his salary.

The position as from 1st January 1967 is quite clear. The Principal had written the following letter to Mr. Tenga on 10th September 1966:—

"Dear Mr. Tenga,

I wish to inform you that at the moment our establishment does not allow for two officers of executive grade. We shall therefore retain your services as a Clerk with effect from 1st January 1967.

Kindly confirm that you accept this. We would like to begin working on our advance estimate for 1967 so I should get your confirmation as soon as possible and if I don't hear from you by 23rd September 1966, it will be assumed that you have accepted the arrangement."

It was open to the Respondents to terminate Mr. Tenga's services by giving him a month's notice or salary in lieu thereof but instead of taking such drastic action they offered to retain his services as a Clerk from 1st January 1967. It should be noted that Mr. Tenga suffers no reduction in salary

due to the change in his designation. The Court rules that this arrangement should continue. There is nothing to prevent Mr. Tenga from resigning if he is not satisfied with this. The Claimants should realize that if their demand is accepted it will only force the Respondents to terminate the services of Mr. Tenga. The Respondents have made it quite clear that if Mr. Tenga continues to work satisfactorily there is no danger of his losing employment.

Given in Nairobi this 14th day of May 1968.
