### THE KENYA ACCOUNTANTS AND SECRETARIES

#### NATIONAL EXAMINATIONS BOARD

FOLLOWING the theft and leakage of several examination papers to the board's December, 1981, examinations, the board has met and has postponed the December, 1981, examinations for the following examinations:

C.P.A. Parts I, II and III.

C.P.S. Parts I, II and III.

It must be emphasized that the Accounts Clerks National Certificate Examination—Stages I and II—will be held as scheduled.

The C.P.A. and C.P.S. examinations will now start on 11th January, 1982.

The new timetable for the postponed examinations will be published shortly and communicated to each and every candidate for the board's examinations. It is not necessary for such candidates to contact the secretariat of the board. I repeat, the secretariat will contact them.

The board has been conducting examinations since its inception in 1969. This is the first known leak of the board's examinations; it is very much regretted.

The board has been satisfied with the existing security arrangements for its examinations, but is currently reviewing the aforesaid arrangements in the light of what has happened.

As already published, one employee of the board has pleaded guilty to the theft of several of the board's examination papers for December, 1981; he awaits sentence. That is a matter for the court. Another employee of the board has pleaded "not guilty" to the theft of the board's December, 1981, examination papers; that matter is *sub judice*.

The board wishes to re-affirm its confidence in the board's secretariat and the integrity of its officers and secretariat staff.

Dated the 25th November, 1981.

CHAIRMAN,  
Kenya Accountants and Secretaries  
National Examinations Board.

Dismissal of S. S. Mungai.

1. The Kenya Local Government Workers' Union shall hereinafter be referred to as the Claimants and Nairobi City Council shall hereinafter be referred to as the Respondents.

2. The parties were heard in Nairobi on 7th July, 28th September and 26th October, 1981 and in addition to relying on their written and verbal submissions called the following witnesses to give evidence on oath:

Claimants.—Samuel Nganga Mwenja.

Respondents.—Peter M. Gathuru.

## AWARD

3. The Notification of Dispute Form "A" dated 17th January, 1980, duly signed by the parties was received by the Court on 31st March, 1981, together with the statutory certificates signed by the Minister for Labour and the Labour Commissioner.

S. S. Mungai was employed by the Respondents in 1964 and had risen to the position of transport manager by 1st November, 1968. During his service with the Respondents he was also sent to the United Kingdom for a study tour in order to enable him to gain more experience in running a transport depot.

Sometime in 1977 the Respondents set up a transport depot (investigations) subcommittee to look into alleged malpractices and misuse of vehicles in the transport depot. A meeting of this subcommittee was held on 21st June, 1977 and minutes of this meeting were made available to the Court by the Respondents. This committee resolved that:

"1. Mr. Mungai be given three months salary in lieu of notice to terminate his appointment with the Council forthwith in accordance with clause 25 (b) of the Terms and Conditions of Service for Employees in the salaried grades,

2. The losses suffered by Council through Mr. Mungai's acts be recovered from him in full."

Prior to the finding of this subcommittee the Deputy City Engineer had suspended Mr. Mungai under clause 27 (a) of the Terms and Conditions of Service for Employees under salaried grades on 25th March, 1977, without pay. Mr. Mungai had written several letters to the Town Clerk ending up with one length letter on 12th April, 1977, under the heading of "unreasonable suspension of duty". The Court will refer to some parts of this letter in its award.

Mr. Mungai's services were terminated on 6th July, 1977, when he was informed that the council at its meeting held on 25th July, 1977, had approved a recommendation of the finance committee which was substantially the same as already mentioned hereinabove, i.e. by giving him three months' salary in lieu of notice and that the losses suffered by the Respondents through his acts be recovered from him in full.

This termination was the subject matter of investigation by Ministry of Labour and the Ministry's recommendation was that the termination of his services by the Respondents was wrongful and recommended that in addition to what the Respondents had offered him he should be paid six months' salary as compensation in addition to his other benefits under the superannuation scheme and leave. The Claimants accepted these recommendations but the Respondents rejected them and the matter is now before the Court.

During the hearing Mr. Mungai although present in Court did not give evidence. Instead, the Claimants called the former city engineer, S. N. Mwenja, to give evidence on behalf of Mr. Mungai. He explained the procedure which had to be followed when any plans or machinery belonging to the Respondents had to be given out on hire to private persons or organizations and referred to a form which had to be filled before such hirings. He stated that Mr. Mungai's good points outweighed his shortcomings which was evident from the promotions which he had received. In cross-examination when he was referred to certain extracts from Mr. Mungai's letter to the Town Clerk he stated that it appeared Mr. Mungai had an element of misunderstanding in his reply and that he had to be excused as he was not the head of the department. The parts that were referred to him were the following:

"1. Private hire system of Nairobi City Council's plant to start with is poorly organized. That a driver receives cash from the hire although the hire charges do include driver's pay is an indication.

2. Plant hire authorization comes from the City Engineer who has given the task to his assistant Mr. Kayoro and he is the one to make R.I. form and authorizes the hirer to pay the deposit assuming the hours he thinks the job will get finished. The officer concerned does not visit the place where the work will be carried out and to assess the time.

3. There is no one assigned to work to see that time worked is paid to the Council, the whole trust is left on driver to report back.

4. The R.I. forms copy to authorize hire are never forwarded to transport depot so as to keep a record.

5. Private vehicle's hire which is authorized from Town Clerk has authorization records."

Another part of Mr. Mungai's letter which was referred to Mr. Mwenja was the following:

"May I point out to you again that filling of R.I. form is not my job and arrangement of hire is not my job, my job is only to take instructions that there is the deposit receipt, everything is finalized in City Hall by the city engineer's representative and hence I lease the vehicles and forward vehicle time-sheets showing the time taken to complete the job."

On this particular matter Mr. Mwenja said that when he signed the relevant document to the transport depot he expected the head to deal with it but he agreed that the head could delegate on this matter and if the plant was leased out without proper procedure being followed it would be irregular.

Mr. Mwenja was referred to the internal auditor's report and he was also shown a form in relation to one of the cases mentioned in the auditor's report. Mr. Mwenja stated that he could not see a signature on that form and he did not remember any other details and also stated that he would not know if case number 1 mentioned in the auditor's report was without his authority. He went as far as to say that he did not remember the internal auditor's report and also added that one Mr. Kayoro could have signed some of the documents on his behalf.

The Respondents called Mr. P. M. Gathuru who was the internal auditor at that time to give evidence and he confirmed his report on misuse of council vehicles and plant which appeared as Appendix 2 in the Respondents' memo. He was emphatic that Mr. Mungai had not followed the proper procedure in hiring out council vehicles and plants and in fact he could find no proper agreement which could be enforced in a Court of law against the hirers. He stated that the Respondents had lost a sum of Sh. 11,846.95 because of Mr. Mungai's failure to do his job properly.

The Court was impressed by the evidence of the internal auditor and is satisfied that Mr. Mungai had not followed proper procedure in the two cases at least that figured prominently in the internal auditor's report.

Notwithstanding the fact that Mr. Mungai had not been given any reasons in writing as to why he was suspended and subsequently terminated it is clear from his very lengthy letter which the Claimants had produced as an appendix in their written submission and to some extracts from the same to which the Court has referred to hereinabove the Court is satisfied that Mr. Mungai was aware of the allegations which were made against him and he gave a very detailed reply to them.

After careful consideration of all the submissions the Court is satisfied that this is a proper case where the Respondents have rightly utilized their contractual right of terminating an employee's services by giving him the appropriate notice as the Court finds that there are sufficient grounds for them to have lost confidence in Mr. Mungai to continue serving them in a senior capacity like that of a transport manager. The Court therefore finds that Mr. Mungai's services were properly terminated and the Court upholds the Respondents' decision. The Court awards that Mr. Mungai is entitled to Sh. 69,299.40 only as offered to him by the Respondents as follows:

	Sh.
"Three months salary in lieu of notice ..	13,800.00
Pay for day worked up to date of dismissal ..	3,709.65
Superannuation fund entitlement ..	31,997.65
Pay in lieu of <i>pro rata</i> leave not taken ..	19,792.10
	<u>69,299.40"</u>

The Respondents have, however attempted to deduct the following amounts from the offer they have made:

	Sh.
"Sundry debts .. .. .	11,846.95
Amount paid to him .. .. .	2,221.15
Tax .. .. .	5,724.00
	<u>19,792.00"</u>

The Court, however, is not prepared to allow the Respondents to deduct the whole of this amount because the Court feels in view of the chain of command starting from the City Engineer's office going down to the transport depot that it would not be fair to penalise Mr. Mungai only for the loss that the Respondents have suffered. The Court therefore award that out of Sh. 69,299.40 which the Respondents have offered to pay him only a sum of Sh. 7,945.15 should be deducted this being tax and the amount paid to him.

Given in Nairobi on the 26th November, 1981.
