PRACTICE DIRECTIONS RELATING TO PENDING COURT CLAIMS REGARDING COMPENSATION FOR WORK RELATED INJURIES AND DISEASES INSTITUTED PRIOR TO THE SUPREME COURT DECISION IN LAW SOCIETY OF KENYA VS. ATTORNEY GENERAL AND ANOTHER, PETITION NO. 4 OF 2019; (2019) EKLK

IN EXERCISE of the powers conferred under Articles 159 (2) and 161 (2) (a) of the Constitution of Kenya, section 10 of the Judicature Act, and Section 5 (1) and 2 (c) of the Judicial Service Act, the Chief Justice issues the following Practice Directions—

Citation

1. The Practice Directions may be cited as “Practice Directions relating to pending court claims for compensation for work related injuries and diseases instituted prior to the Supreme Court decision in Law Society of Kenya v. Attorney General & Another, Petition No. 4 of 2019; [2019] eKLR” (hereinafter referred to as the Supreme Court decision)

Commencement

2. These Practice Directions shall come into force upon the date of issue.

Application

3. The Practice Directions shall apply to the Employment and Labour Relations Court and Magistrates appointed and gazzetted by the Chief Justice pursuant to section 29 (3) and (4) of the Employment and Labour Relations Act, 2011 to preside over cases involving employment and labour relations.

Objectives

4. The Objectives of the Practice Directions are to—

- (a) consolidate and standardize practice and procedure in the Employment and Labour Relations Court and the Magistrates Courts in relation to claims for compensation for work related injuries and diseases instituted prior to the Supreme Court decision dated 3rd December, 2019, which are pending in courts;
- (b) enhance access to justice;
- (c) facilitate timely and efficient disposal of cases that were filed prior to the Supreme Court decision; and
- (d) ensure uniformity in court experience.

Judgment of the Supreme Court

5. The Supreme Court *vide* a judgment rendered on 3rd December, 2019, determined that sections 16, 23 (1), 25 (1) and (3), 52 (1) and (2) as well as section 58 (2) of the Work Injury Benefits Act (WIBA) are consistent with the former Constitution and the Constitution 2010, specifically;

- (a) Section 16 as read with sections 23 and 52 of the WIBA does not limit access to courts but creates a statutory mechanism where any claim by an employee under the Act is subjected, initially, to a process of alternative dispute resolution mechanism starting with an investigation and award by the Director of Occupational Safety and Health Services and thereafter, under section 52 an appeal mechanism to the Employment and Labour Relations Court (formerly the Industrial Court).
- (b) Retrospective operation of statutes is not per se illegal or in contravention of the Constitution and section 58 (2) clearly expresses the intention that the Act shall apply retrospectively. Consequently, section 58 (2) of the Act does not take away the right to legal process, or extinguish access to the courts or to take away property rights without due process.
- (c) Be that as it may, claimants with pending cases have legitimate expectation that upon the passage of the Act their cases would be concluded under the judicial process invoked.

- (d) Also noting that many claims have not been finalized and due to passage of time, it has not been feasible to withdraw them and follow the alternative dispute resolution route. Further, considering the resolution passed by the Law Society of Kenya's meeting held on 21st March, 2023 urging that practice directions be issued for all pending claims be finalized in the respective courts.

Consequently,

6. (a) All claims with respect to compensation for work related injuries and diseases filed in various courts before the commencement of WIBA shall proceed to conclusion under the Workmen's Compensation Act, Cap 236 (repealed).

- (b) All judgments and rulings relating to work related injuries claims pending before the Employment and Labour Relations Court and the Magistrates Court shall be delivered by the same court.

Claims Filed after Commencement of WIBA but before the Supreme Court decision

7. Taking into account that High Court vide its judgment dated 4th March, 2009 in Law Society of Kenya v. Attorney General & Another (2009) eKLR declared some of the provisions in WIBA including Sections 16, 23(1) and 52, which prescribe the procedure for lodging claims under the Act unconstitutional. Consequently, the said declaration of nullity created a legitimate expectation that claimants could directly lodge claims for compensation for work related injuries and diseases in court. As such, litigants cannot be penalized for relying on the declaration of nullity, as appreciated by the Supreme Court in Attorney-General and 2 Others v Ndii and 79 Others; Prof. Rosalind Dixon and 7 Others (Amicus Curiae) (Petition 12, 11 and 13 of 2021 (Consolidated)) [2022] KESC 8 (KLR) to lodge their claims in court. Therefore,

- (a) All claims with respect to compensation for work related injuries and diseases filed after the commencement of WIBA and before the Supreme Court decision at the Employment and Labour Relations Courts or the Magistrates' Courts shall proceed until conclusion before the said courts.

- (b) All pending judgments and rulings relating to compensation for work related injuries and diseases before the Employment and Labour Relations Court and the Magistrates' Courts shall be delivered by the same court.

Claims Filed after the Supreme Court Decision

8. (a) All claims with respect to compensation for work related injuries and diseases shall commence before the Director of Occupational Safety and Health Services.

- (b) All appeals emanating from the decision of the Director of Occupational Safety and Health Services shall lie before the Employment and Labour Relations Court.

- (c) Such appeal shall be heard and determined through the appropriate appellate mechanism within the judicial hierarchy.

Sanctions for Non-Compliance

9. Non-compliance with these Directions shall result in such penalty as the Courts may order.

Miscellaneous

10. The Chief Justice may amend these Practice Directions from time to time.

Dated the 24th April, 2023.

MARTHA K. KOOME,
Chief Justice and President of the Supreme Court.

THE ENVIRONMENTAL MANAGEMENT AND

(No. 8 of 1999)

NATIONAL ENVIRONMENT MANAGEMENT AUTHORITY

ENVIRONMENTAL IMPACT ASSESSMENT STUDY REPORT
FOR THE PROPOSED LILLIES OF HEAVEN FUNERAL HOME,
ON L.R. NO. KIINE/SAGANA/6129, MAKUTANO, MWEA WEST
SUB-LOCATION, MWEA CONSTITUENCY, KIRINYAGA
COUNTY

INVITATION OF PUBLIC COMMENTS

PURSUANT to Regulation 21 of the Environmental Management and Co-ordination (Impact Assessment and Audit) Regulations, 2003, the National Environment Management Authority (NEMA) has received an Environmental Impact Assessment Study Report for the above-proposed project.

The proponent, Nancy Wanjiru Njogu is proposing to construct a funeral home comprising of a main building (reception area, directors office, cold rooms, post-mortem room, viewing room, chapel and bed sitters for office workers, stalls and entry porch), working areas, passages within the building to provide access to the rooms and

associated facilities and amenities. The proposed project will be located on plot L.R. Kiine/Sagana/ 6129, Makutano, Mwea West Sub-location, Mwea Constituency, Kirinyaga County.

The following are the anticipated impacts and proposed mitigation measures:

<i>Environmental Impacts</i>	<i>Mitigation Measures</i>
Environmental degradation	<ul style="list-style-type: none"> Demarcate the project area to be affected by the construction works to prevent the effects of construction from spilling over into other areas. Re-establish vegetation in some or parts of the disturbed areas through implementation of a well- designed landscaping program.
Degradation of air quality	<ul style="list-style-type: none"> Suppress dust by water spraying before sweeping and on dusty grounds. Dispose waste regularly and appropriately to avoid wastes decomposing at collection areas. Embalm all bodies before storage in order to prevent them from rotting. Store only enough bodies to the capacity of the mortuary to prevent congestion. Put in place rules to prevent bodies overstaying in the mortuary in order to give room for new bodies. Check the refrigeration system daily to detect and repair any malfunctioning which could lead to rotting of bodies.
