GAZETTE NOTICE No. 2355

THE INDUSTRIAL COURT

CAUSE No. 21 OF 1968

Parties:—

Kenya Union of Commercial Food and Allied Workers
and
Bottling Group Association

Issues in dispute:—

- (1) Wages.
- (2) Hours of work.
- (3) Housing allowance.
- (4) Overtime.
- (5) Night allowance.
- (6) Leave allowance.
- (7) Absence due to sickness or injury.
- (8) Gratuity service period.
- (9) Retirement by the employee.
- (10) Retirement from the Company.
- (11) Termination of service.
- (12) Redundancy.
- (13) Duration.

1. The Kenya Union of Commercial Food and Allied Workers shall hereinafter be referred to as the Claimants and the Bottling Group Association shall hereinafter be referred to as the Respondents.

2. The Parties were heard in Nairobi on the 26th day of June 1968, and relied on their written and verbal submissions. At the commencement of the hearing the Claimants informed the Court that they had decided to withdraw all the issues in dispute except wages and accordingly had not made any submissions on them. At the request of the Parties an additional issue of duration was added in this dispute.

AWARD

The Court after a perusal of the relevant minutes of the Joint Industrial Council meetings held between the Parties after the demands had been submitted, finds that a considerable amount of bargaining took place which is indicative of the fact that there was a genuine attempt to settle this dispute. The Court would like to make it clear that it is not at all impressed by the fact that the Claimants had at the commencement of the hearing withdrawn 11 issues from this dispute and the Court is not giving them any benefit on account of this in the present award on wages. The Court is satisfied that the Claimants did not at

any time seriously wish to disturb the present level of fringe benefits and these items had been introduced purely as a bargaining gambit.

The rates that are being sought to be revised are as follows:—

	Sh.	cts.
GRADE "A": Truck Helpers, Loaders, Workshop Labourers, Watchmen, Office Boys, Sweepers, Bottle Washers and Truck Washers	252	65
GRADE "B": Syrup Attendants, Machine Attendants, Bottle Inspectors, Learner/Mechanic, Learner/Electri- cians; Learner/Painters, Fork Lift Drivers Grade 2, and Senior Office Boys (with special duties)	279	50
GRADE "C": Clerks Grade 3, Artisans Grade 3, Driver Grade 2, Fork Lift Drivers Grade 1, and Machine Operators	338	65
GRADE "D": Clerks Grade 2, Artisans Grade 2, Driver Grade 1, Machine Operator/Supervisor and Mechanics	419	25
GRADE "E": Artisans Grade 1	478	40
GRADE "F": Clerks Grade 1 and Salesmen	768	70

The final stand of the Parties on the wages issue was as follows although after deadlock the Claimants reverted back to higher figures:—

CLAIMANTS' DEMANDS:

Two-Year-Term				One-Year-Term			
Grade		Increment per month Sh.		Grade		Increment per month Sh.	
A		30		A		25	
B		30		B		25	
C		30		C		25	
D		35		D		35	
E		35		E		35	
F		35		F		35	

RESPONDENTS' OFFER:

Two-Year-Term				One-Year-Term			
Grade		Increment per month Sh.		Grade		Increment per month Sh.	
A		25		A		19	
B		25		B		19	
C		25		C		19	
D		21		D		22	
E		21		E		25	
F		21		F		28	

Surprisingly during negotiations the Parties did not go into the question of whether an increase in wages was justified or not by the various factors usually involved in such an exercise. Negotiations appear to have been conducted on a straightforward bargaining basis, the Respondents at no time pleading their poor profits if any. However, it must be said to the credit of the Respondents that they had been seriously concerned with the 14 other small firms who were competing with them in this business.

After careful consideration of all the submissions made by the Parties, the Court awards that the following new rates should be paid for the various grades:—

Grade	Basic Minimum Wage per month Sh.
A	280
B	305
C	365
D	445
E	500
F	790

Provided that those workers who are above the rates which expired on 31st October 1967, should not in any case get an increase of less than Sh. 10 as a result of this Court award and further provided that those employees who are getting a wage in excess of the wage rates awarded hereinabove should get an increase of Sh. 10 per month only.

The Court rules that the duration period of the agreement incorporating the Court's award should be for a period of two years from 1st November 1967.

Given in Nairobi this 18th day of July 1968.

SAEED R. COCKAR,
President.
G. G. NDEGWA, M.P.,
J. K. GICHUKI,
Members.

GAZETTE NOTICE No. 2360

THE TRADE MARKS ACT

(Cap. 506)

NOTICE is hereby given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge notice of opposition on Form T.M. No. 6 (in duplicate) together with a fee of Sh. 50.

Notice is also hereby given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed.

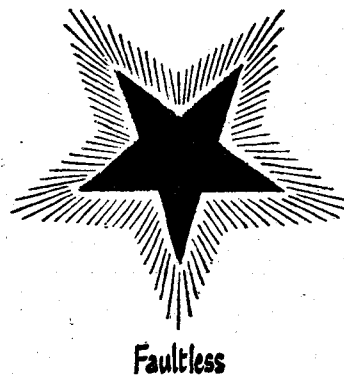

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Offices, Nairobi.

Applications for registration in Part A of the Register are shown with the official number unaccompanied by any letter. Applications for Part B are distinguished by the letter B prefixed to the official number.
