THE ETHICS AND ANTI-CORRUPTION COMMISSION ACT

(No. 22 of 2011)

THE ETHICS AND ANTI-CORRUPTION COMMISSION

THE THIRD QUARTERLY REPORT FOR THE YEAR 2011 COVERING THE
PERIOD OF 1ST JULY TO 30TH SEPTEMBER, 2011

Preamble

The Ethics and Anti-Corruption Commission is required under section 36 of the Anti-Corruption and Economic Crimes Act, 2003, to prepare quarterly reports setting out the number of reports made to the Attorney-General under section 35.

Section 35 provides that:

1. Following an investigation, the Commission shall report to the Attorney-General on the results of the investigation.
2. The Commission's report shall include any recommendation the Commission may have that a person be prosecuted for corruption or economic crime.

Section 36 provides that:

1. The Commission shall prepare quarterly reports setting out the number of reports made to the Attorney-General under section 35 and such other statistical information relating to those reports, as the Commission considers appropriate.
2. A quarterly report shall indicate if a recommendation of the Commission to prosecute a person for corruption or economic crime was not accepted.
3. The Commission shall give a copy of each quarterly report to the Attorney-General.
4. The Attorney-General shall lay a copy of each quarterly report before the National Assembly.
5. The Commission shall cause each quarterly report to be published in the Gazette.

This report is therefore made pursuant to section 36 of the Anti-Corruption and Economic Crimes Act, 2003. The report covers the third quarter of the year 2011 and is for the period commencing 1st July, 2011 to 30th September, 2011.

INVESTIGATIONS COVERING THE PERIOD 1ST JULY TO 30TH SEPTEMBER, 2011

KACC/FI/INQ/11/2011

Inquiry into allegations that the Ministry of Water and Irrigation irregularly procured the services of a private contractor for the purposes of equipping five boreholes in Machakos and Makueni Districts under the Emergency Drought Programme in 2009. It was further alleged that during the implementation, there were irregular contract variations and payments of up to Kshs. 26 million by the Tanathi Water Services Board (TAWSB) for work not done. Investigation revealed that following severe drought that engulfed parts of the country during the period 2008-2009, an inter-ministerial committee met and set up a budget of Kshs.678,680,000.00 to mitigate the effects of the drought in the affected areas. The Ministry of Finance approved the release of a sum of Kshs.500 million to the Ministry of Water and Irrigation to facilitate the implementation of the government's initiative. Investigations revealed that following the release of the said funds, the Ministry of Water and Irrigation invited bidders to tender for a total of 58 contracts for drilling and equipping boreholes located all over the country. One of the tenders to equip 9 boreholes located in Machakos and Makueni Districts was awarded to a contractor at a corrected tender sum of Kshs.43,421,783.75.

Investigations further revealed that the contractor awarded the said contract was the least qualified, since they did not meet all the requirements. It was also established that officials of the Ministry and the TanaAthi Water Services Board approved advance payments to the said contractor whereas no works had been carried out. The payments were based on fraudulent certificates contrary to laid down financial procedures. Investigations also revealed that one of the boreholes was commissioned by the Minister for Water and Irrigation whereas the project was not complete to serve the intended purpose.

The file was forwarded to the Director of Public Prosecutions on 18th August, 2011, with the recommendations that the suspects including the directors of the contractor company be charged with the offences of conspiracy to commit an economic crime contrary to section 47 A (3) as read with section 48 of the Anti-Corruption & Economic Crimes Act, No.3 of 2003, conspiracy to defraud contrary to section 317 of the Penal Code; the Minister for Water and Irrigation be charged with abuse of office contrary to section 46 as read with section 48 of the Anti-Corruption and Economic Crimes Act, No.3 of 2003 and breach of trust contrary to section 127(1) as read with section 127(2) of the Penal Code; the officials of the Ministry of Water and Irrigation and Tanathi Water Services Board be charged with wilful failure to comply with the applicable procedures and guidelines relating to the tendering of contracts contrary to section 45(2)(b), fraudulently making payment from public revenues contrary to section

45 (2) (a) (ii) and abuse of office contrary to section 46 as read with section 48(1) of the Anti-Corruption and Economic Crimes Act, No.3 of 2003.

It was further recommended that a financial audit be carried out to ascertain the proper costs incurred in the implementation of all the five borehole projects and thereafter the Commission to recover overpayments (if any) made to the contractor; and the Commission to carry out an examination of systems and procedures at the Ministry of Water and Irrigation in order to streamline its procurement process.

On 23rd September, 2011, the DPP accepted the recommendation for prosecution of the officials of the Ministry of Water and Irrigation and Tanathi Water Services Board; and the Directors of the contractor company that was awarded the tender to drill the boreholes. With regard to the recommendations to prosecute the Minister for Water and Irrigation, the DPP advised that further investigations be carried out. The DPP also accepted the recommendation to carry out a financial audit to ascertain the proper costs incurred in the implementation of the boreholes and an examination of systems and procedures at the Ministry of Water be carried out in order to streamline the Ministry's procurement process.

KACC/FI/INQ/13/2011

Inquiry into allegations that a private company was irregularly registered as a contractor in the Ministry of Water and Irrigation. The investigation revealed that the officer tasked with registration of contractors registered the company as a contractor without evaluating the competence and capability of the personnel in the said company. The recommendation letters attached to the application for registration by the contractor were also found to be false.

The file was forwarded to the Director of Public Prosecutions on 10th August, 2011 with the recommendation that the directors of the irregularly registered contractor and the company be charged with the offence of uttering a false document contrary to Section 353 of the Penal Code, and administrative action be taken against the public officers who registered the contractor for failing to discharge their duties as required.

On 21st September, 2011, the DPP accepted the recommendation for prosecution.

KACC/FI/INQ/29/2010

Inquiry into allegations that a Senior Clerical Officer, Ministry of Education misappropriated Kshs.1,650,00/= received by him as imprest while carrying out workshops on Education Management Information System (EMIS) staff capacity building on data management at Egerton University and Nairobi. It was further alleged that he surrendered the imprest using false receipts and falsified payment schedules. The investigations revealed that the workshops in respect of which the suspect received the imprest were held in Nairobi and Egerton University. The suspect paid allowances to the participants and facilitators. However, the investigations revealed that he falsified the payment schedules and inflated the sums purportedly paid out, in a bid to justify expenditure of the imprest received.

The file was forwarded to the Director of Public Prosecutions on 4th July, 2011 with the recommendation that the suspect be charged with the offence of knowingly giving a false document to a principal contrary to Section 41(2) as read with Section 48(1) of the Anti-Corruption and Economic Crimes Act and in the alternative, false accounting by a public officer contrary to Section 331(1) as read with Section 331(2) of the Penal Code.

On 7th July, 2011, the DPP accepted the recommendation for prosecution.

KACC/FI/INQ/67/2010

Inquiry into allegations that a Quality Assurance Officer, Ministry of Education embezzled a sum of Kshs.2,934,600 received by him as imprest to facilitate Provincial/Regional Capacity Building Workshops on Management of Instructional Materials for Secondary Schools. It was further alleged that he surrendered the imprest using false documents. The money was part of the funds drawn from the World Bank funded kitty meant for the Kenya Education Sector Support Project (KESSP).

The investigations revealed that, whereas the suspect received the imprest, no workshop was held and he purported to account for the imprest received by surrendering it using forged documents.

The file was forwarded to the Director of Public Prosecutions on 13th July, 2011 with the recommendations that suspect be charged with the offences of knowingly giving a false document to a principal contrary to Section 41(2) as read with Section 48(1) of the Anti-Corruption and Economic Crimes Act and in the alternative, false accounting by a public officer contrary to Section 331(1) as read with Section 331(2) of the Penal Code.

On 25th July, 2011, the DPP accepted the recommendation for prosecution.

KACC/FI/INQ/142/2010

Inquiry into allegation that the Billing and Collection System of the Kenya Power and Lighting Company (KPLC) is being manipulated by some KPLC staff by crediting the accounts of some customers without any payment being received by KPLC. Investigations revealed that on 25th and 30th June, 2010, an account of one of the KPLC customers was credited with a total sum of Kshs.2 million yet KPLC did not receive any money towards the settlement of the account. The investigations revealed that the Chief Systems Analyst at KPLC had used his knowledge of the KPLC Billing System and Information Technology (IT) expertise to manipulate the system. He would conceal his identity and execute illegal and irregular transactions on the system. The investigation further revealed that it was the said officer who executed the suspect transactions on the 25th and 30th June, 2010 in which the account of a KPLC customer was credited with a sum of Kshs.1 million on each of the said dates without any money being received by KPLC.

The file was forwarded to the Director of Public Prosecutions on 11th July, 2011 with the following recommendations; the Chief Systems Analyst and the Directors of the company whose account was credited with the irregular amount and its Directors be charged with the offence of conspiracy to commit an economic crime contrary to Section 47A(3) as read with Section 48(1) of the Anti-Corruption and Economic Crimes Act, 2003, the Chief Systems Analyst should also be charged with the offence of abuse of office contrary to Section 46 as read with Section 48(1) of the Anti-Corruption and Economic Crimes Act, 2003, access with intent to commit an offence contrary to section 83V(1) of the Kenya Information Communications Act, Chapter 411A and fraudulently causing loss of property to another contrary to Section 84B(a) of the Kenya Information Communications Act, Chapter 411A.

On 20th September, 2011, the DPP accepted the recommendation for prosecution.

KACC/MSA/FI/INQ/19/10

Inquiry into allegations that the Head Teacher, Mbwaleni Primary School colluded with officials of the Co-operative Bank, Nkrumah Road Branch, Mombasa, to fraudulently withdraw Kshs.1.8 million Free Primary Education (FPE) funds meant for Mwabila Primary School that had been erroneously remitted by the Ministry of Education to Mbwaleni Primary School instead of Mwabila Primary School. Investigations revealed that in the 2008/2009 financial year, the Ministry of Education disbursed a sum of Kshs.2,500,000/= and credited it in the account of Mbwaleni Primary School. The money was intended for school infrastructure development. However, out of the Kshs.2.5 million, a sum of Kshs.1.8 million was indicated in the schedules by the Ministry to have been meant for Mwabila Primary School. The Ministry deposited the money in an account held by Mbwaleni Primary School at the Co-operative Bank, Nkrumah Road Branch, Mombasa. Attempts by the officials of Mwabila Primary School to have the money transferred from the account of Mbwaleni Primary School to their school were unsuccessful. Investigations further established that Mbwaleni Primary School spent the funds in construction of classrooms, staffroom, fabrication and fixing of a gate as well as construction of latrines. The money was put to proper use and the institution got value for money in the construction of the buildings in question. The evidence obtained did not establish that the head teacher of Mbwaleni Primary School colluded with the bank officials to withdraw the money from the bank. The error to deposit the money in the account of Mbwaleni Primary School was occasioned by officials from the Ministry of Education. No culpability was established against the head teacher.

The file was forwarded to the Director of Public Prosecutions on 2nd August, 2011 with the recommendation that the inquiry file be closed.

On 12th September, 2011, the DPP accepted the recommendation for closure.

KACC/FI/INQ/93A/2005

Inquiry into allegations that a former Minister for Energy abused his office by irregularly influencing the Kenya Electricity Generating Company Limited (KenGen) and the Kenya Pipeline Company Limited (KPC) both parastatals under his Ministry to award tenders to a company he had an interest in to provide security services to KenGen premises at Lamu and Kipevu. It was also alleged that the Minister's father had been receiving monthly commission from KenGen and KPC through on behalf of the former Minister and the money was allegedly deposited in a bank account in Nairobi. The investigations revealed that the tenders were advertised publicly in the local dailies, and opened in the presence of all the tendering firms. The investigation further revealed that the tenders were evaluated and the KenGen Tender Committee awarded the tender to the most responsive bidder. There was no evidence to show that the former Minister for Energy influenced the KenGen Tender Committee to award the contract to the successful bidder, nor that the Minister's father received payments on his behalf through the said company.

The file was forwarded to the Director of Public Prosecutions on 2nd August, 2011 with the recommendation that the inquiry file be closed.

On 20th September, 2011, the DPP accepted the recommendation for closure.

KACC/FI/INQ/49/2005

Inquiry into allegations that a Businessman and a former District Commissioner Mombasa colluded with Senior KRA officials from the Customs & Excise Department to defraud the Government of revenue by clearing goods destined for foreign countries from the Mombasa Port and then diverting the same to the local market. Investigations confirmed that a motor vehicle which was on transit to a foreign destination was eventually registered locally, and donated to a private secondary school by the former President. However, the evidence obtained did not disclose any culpability of any criminal conduct on the part of the suspects to warrant prosecution.

The file was forwarded to the Director of Public Prosecutions on 26th September, 2011 with the recommendation that the inquiry file be closed. On 3rd October 2011, the DPP accepted the recommendation for closure.

KACC/FI/INQ/119/2009

Inquiry into allegations of abuse of office against Ministry of State for Special Programmes officials by authorizing payments for services not adequately rendered. The investigations revealed that the Ministry officials procured building materials for internally displaced persons living in various camps through Request for Quotations. The investigations established that there was no urgency to obtain the building materials and therefore the appropriate method of procurement should have been through open tendering. The investigations further revealed that whereas the successful suppliers were to deliver the building materials at the IDP camps, some of the goods were not delivered, yet the suppliers received full payment for services/goods not fully/satisfactorily rendered/delivered.

The file was forwarded to the Director of Public Prosecutions on 22nd September, 2011 with the recommendation that the Senior Deputy Secretary, Senior Procurement Officer and a Procurement Officer be charged with the offences of wilful failure to comply with the law relating to procurement of goods contrary to section 45 (2) (b) and abuse of office contrary to section 46 as read with section 48 of the Anti-Corruption and Economic Crimes Act.

On 30th September, 2011, the DPP accepted the recommendation for prosecution.

KACC/FI/INQ/178/2010

Inquiry into allegations of abuse of office against the Senior Managers of Chemilil Sugar Company Ltd (the CSCL) and the Directors of a private company. It was alleged that CSCL, having failed to secure an overdraft facility with Kenya Commercial Bank Ltd, turned to raising funds through advance sale of its sugar to its major customers including the aforementioned company. The investigations revealed that the Managing Director of the Sugar Company unilaterally entered into a Memorandum of Understanding (MOU) with the private company, for the sale of sugar at subsidized prices. This MOU was entered into without the approval of the Board of Directors as required. Investigations further revealed that whereas

the company breached the terms of the MOU, it continued to receive sugar at the discounted price, when the same should have been sold at the prevailing market prices which varied from day to day. As a result of this irregular sale of sugar to the private company, a loss of Kshs. 128, 770,000 was occasioned on the sugar company.

The file was forwarded to the Director of Public Prosecutions on 22nd September, 2011 with the recommendations that Managing Director of the Sugar Company be charged with the offence of abuse of office contrary to section 46 as read with section 48(1) of the Anti-Corruption and Economic Crimes Act, 2003. In addition, it was recommended that Commission's Civil Litigation and Asset Recovery Department institute recovery suit action for the amount lost in the irregular sale of sugar.

On 29th September, 2011, the DPP accepted the recommendation for prosecution.

KACC/P1/INQ/60/11

Inquiry into allegations that the Minister of State for Immigration and Registration of Persons unlawfully ordered the release of a South African National, who was due to be charged in court for working in the country without a valid permit. The investigations confirmed that indeed the South African National was working in Kenya without a valid permit. He was to be charged for breach of the immigration requirement. Investigations further revealed that instead of being charged, he was released and advised to regularize his work permit. Whereas it was alleged that the Minister influenced the release of the foreigner, the investigation has not established this fact. There was no culpability established on the part of the Minister.

The file was forwarded to the Director of Public Prosecutions on 22nd September, 2011 with the recommendation that the inquiry file be closed. The response of the DPP is awaited.

KACC CR.141/233/2011 CF NO. NAIROBI ACC. 15/2011

Inquiry into allegations that a Traffic Police Officer attached to Wilson Airport Police Station corruptly solicited for a benefit from the complainant as an inducement to forbear charging the complainant with the offence of driving an uninsured motor vehicle. The investigation established the solicitation and receipt of the benefit. The suspect was arrested and charged before the Nairobi Anti-Corruption Court with the offences of soliciting and receiving a benefit contrary to section 39(3)(a) as read with section 48(1) of the Anti-Corruption and Economic Crimes Act, 2003.

The file was forwarded to the Director of Public Prosecutions on 6th July, 2011 with the recommendation that the case be prosecuted to its logical conclusion. The DPP accepted the recommendation for prosecution.

THE ENVIRONMENTAL MANAGEMENT AND
CO-ORDINATION ACT
(No. 8 of 1999)

THE NATIONAL ENVIRONMENT MANAGEMENT AUTHORITY
ENVIRONMENTAL IMPACT ASSESSMENT STUDY REPORT
FOR THE PROPOSED 300 HOLIDAY APARTMENTS ON PLOT
NO. 13324/1/MN WITHIN NGOMONGO VILLAGE, SHANZU,
MOMBASA COUNTY.

INVITATION OF PUBLIC COMMENTS

PURSUANT to regulation 21 of Environmental (Impact Assessment and Audit) Regulations, the National Environment Management Authority, (NEMA) has received an environmental impact assessment study report for the construction of the proposed 300 holiday apartments.

The project will involve construction of 300 multi-storied apartments in 30 of four storey each (ground floor, 1st floor, 2nd floor, 3rd floor and 4th floor). Each floor will have two apartments. In addition the project will have the following auxiliary facilities; nursery school, cybercafé, club house and other sporting facilities.

The proposed site is on plot number 13324/1/MN(original no. 9139/1/MN) in Ngomongo villages, Bamburi Location, Shanzu

Mombasa County. The proposed project site is approximately 10 kilometres north of Mombasa Island and measures approximately 6.2 hectares.

The following are the anticipated impacts and proposed mitigation measures:

Environmental issue Mitigation Measures

Solid waste disposal	<ul style="list-style-type: none"> • All drainage to have covers. • Waste bins to be provided at strategic points at all floors and in gardens within the compound. • Waste bins to be placed away from drainage. • A cold room for handling rapidly decomposing waste such as food left offers to be provided. • All waste bins to be emptied daily. • All waste bins to have lids on. • Occupants of apartments to be sensitised on good waste management practices. • Waste Collection Company to ensure there is no littering and scattering of waste during collection and transportation. • All waste bins to have lids on always. • Temporally cold waste handling facility for rapidly composing waste to be provided.
Disposal of sewage from apartments	<ul style="list-style-type: none"> • Effective treatment of the sewage to be done before discharge to the environment; • Ensure Biological Oxygen Demand (BOD) of the sewage is 30mg/l or less before discharge to environment. – Ensure Carbon Oxygen Demand of the sewage is 50mg/l. or less before discharge to environment. • Sludge generated to be first tested for any contaminants before disposal. • Local soils to be tested periodically for presence of pollutants emanating from the sewage system. • Prompt repair and maintenance of bursts and leakages; • Effective aeration of ponds and retention tanks to be done; • Micro activity to be enhanced to fasten digestion and breakdown of sewage contents.
Ground excavation and removal of vegetation cover	<ul style="list-style-type: none"> • Ensure only exact site where buildings will stand to be excavated. • Sprinkle water on dusty ground twice a day during dry spell; • Provide employees with dust masks; • Plant trees on open ground; • Encourage vegetation growth on open areas.
Health and safety	<ul style="list-style-type: none"> • Provide personal protective (PPE) clothing to each employee. • Ensure effective use of protective by all employees. • Secure loading and offloading zone with dust screens.
Noise and vibrations	<ul style="list-style-type: none"> • Have noise producing machines be fitted with silencers. • Provide employees with ear protectors. • Employees to observe silence on site. • Construction work to be limited to day time, machine activity to be limited to

THE ENVIRONMENTAL MANAGEMENT AND

CO-ORDINATION ACT

(No. 8 of 1999)

THE NATIONAL ENVIRONMENT MANAGEMENT AUTHORITY ENVIRONMENTAL IMPACT ASSESSMENT STUDY REPORT FOR THE PROPOSED WATER AND SANITATION SERVICES IMPROVEMENT PROJECT (WASSIP), MUMIAS WATER SUPPLY AND SANITATION PROJECT IN MUMIAS MUNICIPALITY, BUTERE/MUMIAS DISTRICT

INVITATION OF PUBLIC COMMENTS

PURSUANT to regulation 21 of Environmental (Impact Assessment and Audit) Regulations, the National Environment Management Authority, (NEMA) has received an environmental impact assessment study report for the construction of the proposed Mumias water supply and sanitation project.

The proposed Mumias water supply and sanitation project is part of the water and sanitation improvement program, which has the following objectives:

- Construction of a gravity intake on the River Lusumu;
- Construction of a raw water main from the intake (600mm Ferrous Pipe, length 1350m);
- Construction of new sewers and a new waste water treatment plant.

The proposed project is in Mumias Municipality which is located in Butere/Mumias District at the Northern Edge of Western Province, neighbouring Butere Town to the South and Kakamega to the South East.

The following are the anticipated impacts and proposed mitigation measures:

<i>Environmental issue</i>	<i>Mitigation Measures</i>
Vibration, Noise, air pollution and dust generation by traffic and machinery during construction	<ul style="list-style-type: none"> • Strict control under construction contract to limit these impacts to acceptable levels. • Watering to be enforced to keep dust levels low. • Exercise shall be carried during normal working hour set and enforce speed limits for construction vehicles.
Storage of construction material, oil and gasoline for machinery	<ul style="list-style-type: none"> • Strict control by Supervising Engineer to ensure acceptable storage practices.
Disposal of excavated material for sewers	<ul style="list-style-type: none"> • Excavations to be reinstated to original condition as provided for under the contract to achieve balanced cut and fill balance. • Surplus material to be disposed of as directed e.g. in abandoned quarries.
Degradation of water quality in receiving water body (Nzoia River) by discharge of treated waste water	<ul style="list-style-type: none"> • Design of treatment process has been done to ensure provision of adequate treatment to meet National discharge effluent standards into an aquatic environment. • Treatment process (waste stabilization ponds) has been selected to ensure ease of operation and maintenance and minimal mechanisation to reduce chances of failure. • Establishment of an Environmental Monitoring Plan (EMP) under which control is provided by monitoring of effluent quality.
Proliferation of aquatic weeds in ponds and deterioration of effluent quality by decaying aquatic weeds	<ul style="list-style-type: none"> • Manual clearance of ponds for aquatic weeds to be undertaken periodically if necessary and disposal to a composting plant.
Odour nuisance from Inlet Works and Anaerobic Ponds	<ul style="list-style-type: none"> • Location of the WWTP to the North West of the main developed area of the Town in relation to the prevailing wind direction (East-West) makes the

	potential for odour nuisance limited.
	<ul style="list-style-type: none"> • Trees to be planted along the WWTP boundary.
Wastewater consumption and transmission of water borne diseases	<ul style="list-style-type: none"> • Fencing of WWTP to prevent trespassing. • No cattle grazing or irrigation to be allowed with wastewater from ponds.
Public health risk and risk of pathogens for potential downstream users by effluent discharge	<ul style="list-style-type: none"> • Downstream fencing of 100 m downstream from discharge point, provision of disinfecting facility, if found necessary.
Solid waste from screens	<ul style="list-style-type: none"> • Washing and disposal at controlled solid waste disposal site.
Sewage sludge production	<ul style="list-style-type: none"> • Arrange facility to provide stabilized sludge to farmers for agricultural purposes. If there is surplus sludge, disposal at controlled solid waste disposal site.

The full report of the proposed project is available for inspection during working hours at:

- (a) Director-General, the National Environment Management Authority (NEMA), Popo Road, off Mombasa Road, P.O. Box 67839-00200, Nairobi.

THE ENVIRONMENTAL MANAGEMENT AND CO-ORDINATION ACT (No. 8 of 1999)

THE NATIONAL ENVIRONMENT MANAGEMENT AUTHORITY ENVIRONMENTAL IMPACT ASSESSMENT STUDY REPORT FOR THE PROPOSED ATHI HOLIDAY RESORT LTD ON L.R. NO. MAVOKO TOWN BLOCK 3/1161/1162, KINANIE CENTRE- KATHIANI DISTRICT

INVITATION OF PUBLIC COMMENTS

PURSUANT to regulation 21 of Environmental (Impact Assessment and Audit) Regulations, the National Environment Management Authority, (NEMA) has received an environmental impact assessment study report for the construction of the proposed Athi Holiday Resort Ltd.

The proponent proposes to set up an idyllic holiday and recreational resort comprising a hotel with reception, lounge, administrative office, dining rooms, kitchens, conference rooms, and fifty (50) guest rooms all ensuite. Attached will be a business centre, a laundry and a gym.

The proposed project site is situated on Plot Number Mavoko Town Block 3/1161/1162 consisting of five (5) acres each. The Location is about 8kms from Nairobi/Mombasa Road from Delvik Steel Company in Athi River and about 34km from Nairobi.

The following are the anticipated impacts and proposed mitigation measures:

Environmental issue	Mitigation Measures
Solid waste	<ul style="list-style-type: none"> • Apply an integrated solid waste management system through a hierarchy of options i.e. (i) source reduction; (ii) recycling; (iii) composting & reuse; iv) combustion; v) sanitary land filling. • Rationalized materials procurement in terms of the right sizes and quantities, rather than having to cut them to size or having large quantities of residual materials. • Use durable, long-lasting materials that need less frequent replacement, thus reducing amounts of solid waste generated over the construction period. • Use building materials that have minimal or no packaging to avoid the generation of excessive packaging waste. • Contract only NEMA licensed waste disposal companies or firms when disposing solid waste from the site
Sewage (black water)	<ul style="list-style-type: none"> • During construction provide appropriate portable means of site toilets. • During operations provide adequate capacity for containment toilet wastes, and dispose of in the municipal sewer line. • Ensure toilet effluent is disposed of at NEMA licensed effluent treatment facilities.
Wash waste water, (grey water)	<ul style="list-style-type: none"> • Provide appropriate drainage for the channeling wash waste water into toilet waste handling system.
Storm water runoff	<ul style="list-style-type: none"> • Surface runoff and roof water shall be harvested and stored for use for non-potable purposes thereby supplementing piped water usage. • Bund all impervious areas and connect to the drainage structures that will channel the runoff to designated recharge areas.
Drainage	<ul style="list-style-type: none"> • Drainage shall be designed and constructed to prevent pooling of storm water and shall be channeled to existing evacuating channels. • Drainage shall be of commensurate capacity and proper construction.
Oils and greases	<ul style="list-style-type: none"> • There is specific need for oils and grease traps at any point during construction or operations.
Dust emissions	<ul style="list-style-type: none"> • Watering all dust prone sites and places. • All trucks hauling soil, sand and other loose materials to maintain at least half a metre of freeboard (in the payload bay).
Gaseous emissions	<ul style="list-style-type: none"> • Construction plant and equipment shall be well maintained to reduce gaseous emissions • Vehicle idling time shall be minimized. • Always use low-sulphur diesels as fuel. • Instruct plant and vehicle operators to avoid unnecessary racing of engines, or to switch them off.
Energy	<ul style="list-style-type: none"> • Ensure electrical equipment, appliances and lights are switched off when not in

	use.
Noise	<ul style="list-style-type: none"> • Install energy saving lighting instead of incandescent bulbs. • Instruct construction plants and vehicle operators to switch off engines of idle vehicles or machinery. • Procure construction machinery and vehicles that are designed to emit low noise. • Noisy construction activities will be undertaken during the day when neighbours are least sensitive.
Accidents	<ul style="list-style-type: none"> • Cordon off restricted construction sites area to exclude non-essential persons, vehicles or goods. • Specify locations for stationary construction machinery and areas that shall be free of vehicles and equipment, and for storage. • Designate access routes to specific points at the site. • Ensure that incidents, accidents and near misses during construction are recorded and reported using prescribed forms obtainable from the District Occupational Safety and Health Office. • Emergency preparedness & evacuation procedures. • Deploy appropriate emergency preparedness measures including evacuation procedures in case of emergency. • Ensure that the most current emergency telephone numbers are prominently and strategically displayed within the site.
Fire hazards	<ul style="list-style-type: none"> • Install at strategic points and regularly inspected firefighting equipment. • Provide and clearly mark the fire assembly point and fire exits. • Conduct regular fire safety audits on the premises. • Train staff in fire prevention and fire-fighting.
Occupational safety and health	<ul style="list-style-type: none"> • Firms and employers engaged in business at the Station will comply with relevant provisions of the OSH Act and the Injuries & Benefits Act.

The full report of the proposed project is available for inspection during working hours at:

(a) Director-General, the National Environment Management Authority (NEMA), Popo Road, off Mombasa Road, P.O. Box 67839-00200, Nairobi.

(b) Permanent Secretary, Ministry of Environment and Mineral Resources, N.H.I.F. Building, Community, P.O. Box 30521, Nairobi.

(c) Provincial Director of Environment, Eastern Province.

(d) District Environment Officer, Machakos District.

The National Environment Management Authority invites members of the public to submit oral or written comments within thirty (30) days from the date of publication of this notice to the Director-General, NEMA, to assist the Authority in the approval process of the project.

THE NATIONAL ENVIRONMENT MANAGEMENT AUTHORITY ENVIRONMENTAL IMPACT ASSESSMENT STUDY REPORT FOR THE PROPOSED WATER AND SANITATION SERVICES IMPROVEMENT PROJECT (WASSIP), EXPANSION WORKS FOR ELDORET WATER TREATMENT PLANT AND TRANSMISSION MAINS EXTENSION IN ELDORET MUNICIPALITY, UASIN GISHU DISTRICT

INVITATION OF PUBLIC COMMENTS

PURSUANT to regulation 21 of Environmental (Impact Assessment and Audit) Regulations, the National Environment Management Authority, (NEMA) has received an environmental impact assessment study report for the construction of the proposed proposed expansion works for Eldoret water treatment plant and transmission mains extension.

The proposed project is part of the water and sanitation improvement program, which has the following objectives:

- Expansion of the existing Chebara water treatment Plant to increase gross treatment capacity from the present 19,000m³/d to utilize the ultimate abstraction capacity of the existing Moiben Dam, i.e. 28,300m³/d @ 98% probability Safe Yield;
- Extension of Water Supply to Chebara and Chebiemit Trading Centres which are located adjacent to the existing Moiben Dam and Chebara Treatment Works;
- Extension of Transmission and Distribution Mains in Eldoret town.

The proposed project is in Eldoret Municipality is situated in the Uasin Gishu District of the Rift Valley Province in Western Kenya.

The following are the anticipated impacts and proposed mitigation measures:

<i>Environmental issue</i>	<i>Mitigation Measures</i>
Vibration, Noise, air pollution and dust generation by traffic and machinery during construction	<ul style="list-style-type: none"> • Strict control under construction contract to limit these impacts to acceptable levels • Watering to be enforced to keep dust levels low • Exercise shall be carried during normal working hours • Set and enforce speed limits for construction vehicles
Loss of some flora and fauna in the Treatment Works and Storage Tank construction sites and along routes of pipelines	<ul style="list-style-type: none"> • Habitat loss will be minimized and monitored. • Where possible, no trees will be removed. • Replanting with indigenous plants and trees to be implemented where possible once construction is completed.
Increased soil erosion in the steeper areas within the construction sites and pipeline routes	<ul style="list-style-type: none"> • Soil erosion induced by excavation activities to be reduced by sowing of grass. • Steep slopes at the treatment works site to be protected by technical measures e.g. gabions. • Shoring and support to be provided for deep pipeline trenches
Pollution by stored construction materials, oil, paints and other	<ul style="list-style-type: none"> • Strict control by Supervising Engineer to ensure acceptable storage practices • Wastes to be properly contained in

solid wastes	designated areas on the sites prior to disposal
	<ul style="list-style-type: none"> Wastes to be regularly cleared from site and disposed of in approved manner Staff to be regularly trained and sensitized on appropriate waste management
Disposal of excavated material for structures and pipes	<ul style="list-style-type: none"> Excavations to be reinstated to original condition as provided for under the contract to achieve balanced cut and fill Surplus material to be disposed of as directed e.g. in abandoned quarries
Workforce accidents by unsafe working practices	<ul style="list-style-type: none"> Periodic awareness workshops for workforce on safe working practices, Workers to be provided with proper protective safety kits. Supervising Engineer to ensure the EMP is strictly followed Strict control by Supervising Engineer to limit safety hazards
Pollution by Water Treatment Chemicals Storage and safety of workers	<ul style="list-style-type: none"> Dedicated storage area at Water Treatment Works Site to be provided, with appropriate Personal and (Environment) Protective Equipment (PPE).
Public health risk and risk of pathogens for potential downstream users by effluent discharge	<ul style="list-style-type: none"> Downstream fencing of 100 m downstream from discharge point, provision of disinfecting facility, if found necessary.
Pollution by Disposal of Chemical Sludge	<ul style="list-style-type: none"> Sludge to be dried on sludge drying beds. Sludge from Chlorination and pH Correction Tanks to be removed in Soak away Pits All chemical sludge will be buried on site, and the pH of the soil monitored continuously. There will be no disposal of sludge into the Moiben River.

The full report of the proposed project is available for inspection during working hours at:

- Director-General, the National Environment Management Authority (NEMA), Popo Road, off Mombasa Road, P.O. Box 67839-00200, Nairobi.

IMPORTANT NOTICE TO SUBSCRIBERS TO THE KENYA GAZETTE

THE following notes are for the guidance of persons submitting "copy" for inclusion in the *Kenya Gazette, Supplement*, etc.:

- (1) *The Kenya Gazette* contains Notices of a general nature which do not affect legislation. They are, therefore, submitted to the Government Printer directly.
- (2) *Legislative Supplement* contains Rules and Regulations which are issued by the Central Government. Because of this, they must be submitted to the Government Printer through the office of the Attorney-General.
- (3) *Bill Supplement* contains Bills which are for introduction in the National Assembly.
- (4) *Act Supplement* contains Acts passed by the National Assembly.

All "copy" submitted for publication should be prepared on one side of an A4 sheet no matter how small the Notice is, each page being numbered and should be typewritten with double spacing. Copy should be clear, legible and contain no alterations.

Particular attention should be paid to the following points:

- (i) Signature must be supported by rubber-stamping or typing the name of the signatory in capital letters.
- (ii) Dates must be correct and filled in where necessary.
- (iii) Care should be taken to ensure that all headings to Notices and references to legislation are up to date and conform with the Revised Edition of the Laws of Kenya.

EXTRACT FROM THE CODE OF REGULATIONS, SECTION D—

Kenya Gazette

"D 34. (1) Communications for the *Kenya Gazette* should reach the Government Printer not later than 9 a.m. on Friday of the week before publication is desired. The Government Printer will not publish communications received after that hour until the next subsequent issue of the Gazette.

(2) Ministries will be required to pay for the *Kenya Gazette* and to meet the cost of advertising in it.

It is emphasized that these notes are for guidance only, but it is requested that persons submitting copy for publication first satisfy themselves that such copy is complete in every respect.
